

Tri Cornered Pirate Hat Papercraft.jpg

Lucretia Mott

Liberty Is Sweet Woody Holton, 2021-10-19 A “deeply researched and bracing retelling” (Annette Gordon-Reed, Pulitzer Prize-winning historian) of the American Revolution, showing how the Founders were influenced by overlooked Americans—women, Native Americans, African Americans, and religious dissenters. Using more than a thousand eyewitness records, *Liberty Is Sweet* is a “spirited account” (Gordon S. Wood, Pulitzer Prize-winning author of *The Radicalism of the American Revolution*) that explores countless connections between the Patriots of 1776 and other Americans whose passion for freedom often brought them into conflict with the Founding Fathers. “It is all one story,” prizewinning historian Woody Holton writes. Holton describes the origins and crucial battles of the Revolution from Lexington and Concord to the British surrender at Yorktown, always focusing on marginalized Americans—enslaved Africans and African Americans, Native Americans, women, and dissenters—and on overlooked factors such as weather, North America’s unique geography, chance, misperception, attempts to manipulate public opinion, and (most of all) disease. Thousands of enslaved Americans exploited the chaos of war to obtain their own freedom, while others were given away as enlistment bounties to whites. Women provided material support for the troops, sewing clothes for soldiers and in some cases taking part in the fighting. Both sides courted native people and mimicked their tactics. *Liberty Is Sweet* is a “must-read book for understanding the founding of our nation” (Walter Isaacson, author of *Benjamin Franklin*), from its origins on the frontiers and in the Atlantic ports to the creation of the Constitution. Offering surprises at every turn—for example, Holton makes a convincing case that Britain never had a chance of winning the war—this majestic history revivifies a story we thought we already knew.

Make Your Own Paper Toys, 1984 Detailed instructions for making ten toys from light cardboard.

The Cultural History of Marlborough, Virginia C. Malcolm Watkins, 2022-09-04 DigiCat Publishing presents to you this special edition of *The Cultural History of Marlborough, Virginia* by C. Malcolm Watkins. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Dancing Goddesses: Folklore, Archaeology, and the Origins of European Dance Elizabeth Wayland Barber, 2013-02-11 A fascinating exploration of an ancient system of beliefs and its links to the evolution of dance. From southern Greece to northern Russia, people have long believed in female spirits, bringers of fertility, who spend their nights and days dancing in the fields and forests. So appealing were these spirit-maidens that they also took up residence in nineteenth-century Romantic literature. Archaeologist and linguist by profession, folk dancer by avocation, Elizabeth Wayland Barber has sleuthed through ethnographic lore and archaeological reports of east and southeast Europe, translating enchanting folktales about these “dancing goddesses” as well as eyewitness accounts of traditional rituals—texts that offer new perspectives on dance in agrarian society. She then traces these goddesses and their dances back through the Romans and Greeks to the first farmers of Europe. Along the way, she locates the origins of many customs, including coloring Easter eggs and throwing rice at the bride. The result is a detective story like no other and a joyful reminder of the human need to dance.

Craft: Volume 01 Carla Sinclair, 2006-11-28 CRAFT is the first project-based magazine dedicated to the renaissance that is occurring within the world of crafts. Celebrating the DIY spirit, CRAFT's goal is to unite, inspire, inform and entertain a growing

community of highly imaginative people who are transforming traditional art and crafts with unconventional, unexpected and even renegade techniques, materials and tools; resourceful spirits who undertake amazing crafting projects in their homes and communities. Volume 01, the premier issue, features 23 projects with a twist! Make a programmable LED shirt, turn dud shoes into great knitted boots, felt an iPod cocoon, embroider a skateboard, and much more.

King Herod: A Persecuted Persecutor Aryeh Kasher, 2008-09-25 The enigma of King Herod as a cruel bloodthirsty tyrant on the one hand, and a great builder on the other is discussed in a systematic modern historical and psychological study. It seeks to unravel the contradictory historic mystery of the man and his deeds. After A. Schalit's *König Herodes*, this study is a new comprehensive, pioneering study on the intriguing personality of Herod, also using the insights of psychology. Herod's mental state reached an acute level, consistent with the DSM-IV diagnosis for Paranoid Personality Disorder. He grew up with an ambiguous identity and suffered from feelings of inferiority. Haunted by persecutory delusions, he executed almost any suspect of treason, including his wife and three sons. The Hebrew original text was Winner of the Ya'acov Bahat Prize for Non-Fiction Hebrew Literature for 2006.

Who Was Blackbeard? James Buckley, Jr., Who HQ, 2015-11-10 An introduction to the most famous pirate in history.

Discourse on Woman Lucretia Mott, 1850 This lecture by Mott, delivered 17 December 1849, was in response to one by an unidentified lecturer criticizing the demand for equal rights for women. She makes a very gentle appeal, here, for women's enfranchisement, placing emphasis, instead on the injustices done to women in marriage.

Florence Nightingale and Clara Barton Charles River Editors, 2020-02-04 *Includes pictures *Includes excerpts of contemporary accounts *Includes a bibliography for further reading I think one's feelings waste themselves in words; they ought all to be distilled into actions which bring results. - Florence Nightingale I may be compelled to face danger, but never fear it, and while our soldiers can stand and fight, I can stand and feed and nurse them. - Clara Barton Today, nursing is one of the most ubiquitous professions in the world, and images of war immediately call to mind nursing the wounded, but it was not long ago that such ideas were relatively primitive. Indeed, schoolchildren are still taught about the revolutionary exploits of Florence Nightingale, the war nurse who is often credited as the founder of modern nursing. As *The Times* wrote of Nightingale, She is a 'ministering angel' without any exaggeration in these hospitals, and as her slender form glides quietly along each corridor, every poor fellow's face softens with gratitude at the sight of her. When all the medical officers have retired for the night and silence and darkness have settled down upon those miles of prostrate sick, she may be observed alone, with a little lamp in her hand, making her solitary rounds. Florence Nightingale first came to prominence during the Crimean War in the middle of the 19th century when she helped organize efforts to treat wounded soldiers, and the image of her doing rounds among those she treated at night became extremely popular in Europe, but her efforts extended far beyond the scope of battle. In time, she came to found the first secular nursing school, at St Thomas' Hospital in London, and with that she began to transform nursing into an actual profession. Perhaps not surprisingly, in conjunction with nursing, Nightingale was a social reformer who advocated for the advancement of women in all areas of life, from healthcare to poverty, and she bolstered her work with voluminous writings on behalf of her causes. The Civil War is often considered one of the first modern wars, and while technology affected what happened on the battlefield, technology and new methods also improved the way soldiers were cared for away from the front lines. Civil War medicine is understandably (and rightly) considered primitive by 21st century standards, but the ways in which injured and sick soldiers were removed behind the lines and nursed were considered state-of-the-art in the 1860s, and

nobody was more responsible for that than Clara Barton, the Florence Nightingale of America. Barton had been an educator and clerk before the Civil War broke out in 1861, but almost immediately, she went to work attempting to nurse injured Union soldiers and ensure army hospitals were properly supplied. By 1862, she was shadowing Union armies near Washington to bring supplies, clean field hospitals, and directly nurse wounded soldiers herself. In short order, she was recognized as the Angel of the Battlefield. In the wake of the war, she gave speeches about her experiences and even went abroad to serve in a similar capacity during the Franco-Prussian War, and eventually she brought back the tenets of the International Red Cross to found the American Red Cross. Under her leadership, the organization would assist not just during wars, but also during natural disasters and other humanitarian crises, roles that the American Red Cross continues to fulfill today. Florence Nightingale and Clara Barton: The Lives and Careers of History's Most Influential Nurses chronicles two of the most famous women of the 19th century. Along with pictures of important people, places, and events, you will learn about Florence Nightingale and Clara Barton like never before.

Art Quilt Collage Deborah Boschert, 2016-09-01 How to get from start to art Make treasured art quilts from bits of cloth, stitched motifs, and painted details. Dip your toes into the world of art quilting with mixed-media techniques, practice exercises, checklists, and work-along projects presented using 8 design guides. This visual, step-by-step guide will help you unlock your own artistic vision as you quilt in a series, finish small art pieces, and incorporate meaningful symbols into your work. • Tap into your creative muse! Art quilt inspiration, techniques, and checklists presented in 8 easy-to-use design guides • Uncomplicated, visual guide to fabric collage with practice pieces to help you gain expertise • Tell your own artistic story with colors, materials, and beloved symbols

The Broom Maker, 1906

The ABC of Salads Peter Pauper Press, 2012-10-25 Carpe Kitchen! The door of the Peter Pauper vault has swung open to release our legendary old-school cookbooks...for your e-reader! What are you waiting for? Get tossing! Revel in verdant vegetal profusions with this retro homage to all things green. And all things red, yellow, orange, or purple, for that matter. The 1950s definition of a salad was a bit broader than today's, and this book encompasses a plentitude of creative garden preparations. Fans of the quintessential bowl of greens will find a commendable rendition in the aptly-named Giant Green Salad. If you're feeling more creative, relieve summer's heat with a Lime Cucumber Salad, or end dinner on a high note with a Blushing Pear. Revive the lost art of the Jell-o mould with a Tomato Salad Ring. Salad-themed verses and illustrations perk up pages with fresh wit. Live colorfully! I wish I could write you A beautiful ballad; I can't, so I'll make you A beautiful salad!

The Last Tea Bowl Thief Jonelle Patrick, 2020-10-20 For three hundred years, a stolen relic passes from one fortune-seeker to the next, indelibly altering the lives of those who possess it. In modern-day Tokyo, Robin Swann's life has sputtered to a stop. She's stuck in a dead-end job testing antiquities for an auction house, but her true love is poetry, not pottery. Her stalled dissertation sits on her laptop, unopened in months, and she has no one to confide in but her goldfish. On the other side of town, Nori Okuda sells rice bowls and tea cups to Tokyo restaurants, as her family has done for generations. But with her grandmother in the hospital, the family business is foundering. Nori knows if her luck doesn't change soon, she'll lose what little she has left. With nothing in common, Nori and Robin suddenly find their futures inextricably linked to an ancient, elusive tea bowl. Glimpses of the past set the stage as they hunt for the lost masterpiece, uncovering long-buried secrets in their wake. As they get closer to the truth—and the tea bowl—the women must choose between seizing their dreams or righting the terrible wrong that has poisoned its legacy for centuries.

Paul Revere and the minute Men ,1950

Buccaneers and Pirates Frank R. Stockton,2007-06-05 Often humorous, sometimes chilling, always intriguing, these true stories describe the exploits of such notorious maritime marauders as Blackbeard, Henry Morgan, Jean Lafitte, Captain Kidd, and other lesser known but equally cutthroat brigands.

Estranged Ethan M. Aldridge,2018-08-07 Rising star author-illustrator Ethan M. Aldridge delivers a fantasy adventure with all the makings of a classic. Illustrated with over two-hundred pages of watercolor paintings, this epic graphic novel is perfect for fans of Amulet. Edmund and the Childe were swapped at birth. Now Edmund lives in secret as a changeling in the World Above, his fae powers hidden from his unsuspecting parents and his older sister, Alexis. The Childe lives among the fae in the World Below, where being a human makes him a curiosity at the royal palace. But when the cruel sorceress Hawthorne seizes the throne, the Childe and Edmund must unite on a dangerous quest to save both worlds—even if they're not sure which world they belong to. "A splendid tale of faery magic and adventurous siblings, all told in gorgeously rendered watercolor panels: this is exactly my kind of thing." —Ben Hatke, author and illustrator of the New York Times bestselling Zita the Spacegirl trilogy "It's got dragons. It's got drama. It's got depth. And it's got me impatiently awaiting Ethan M. Aldridge's next eye-popping adventure." —Tim Federle, award-winning author of Better Nate Than Ever and Five, Six, Seven, Nate! "A compelling story about finding identity in a world where magic dangers lurk just around the corner. I loved Estranged!" —Molly Ostertag, author-illustrator of The Witch Boy

String Divers Chris Ryall,2016-03-22 Originally published as String Divers issues #1-5--Colophon.

The Frozen Pirate William Clark Russell,2020-09-28 ÊThe Laughing Mary was a light ship, as sailors term a vessel that stands high upon the water, having discharged her cargo at Callao, from which port we were proceeding in ballast to Cape Town, South Africa, there to call for orders. Our run to within a few parallels of the latitude of the Horn had been extremely pleasant; the proverbial mildness of the Pacific Ocean was in the mellow sweetness of the wind and in the gentle undulations of the silver-laced swell; but scarce had we passed the height of forty-nine degrees when the weather grew sullen and dark, a heavy bank of clouds of a livid hue rose in the north-east, and the wind came and went in small guns, the gusts venting themselves in dreary moans, insomuch that our oldest hands confessed they had never heard blasts more portentous. The gale came on with some lightning and several claps of thunder and heavy rain. Though it was but two o'clock in the afternoon, the air was so dusky that the men had to feel for the ropes; and when the first of the tempest stormed down upon us the appearance of the sea was uncommonly terrible, being swept and mangled into boiling froth in the north-east quarter, whilst all about us and in the south-west it lay in a sort of swollen huddle of shadows, glooming into the darkness of the sky without offering the smallest glimpse of the horizon. In a few minutes the hurricane struck us. We had bared the brig down to the close-reefed main-topsail; yet, though we were dead before the outfly, its first blow rent the fragment of sail as if it were formed of smoke, and in an instant it disappeared, flashing over the bows like a scattering of torn paper, leaving nothing but the bolt-ropes behind. The bursting of the topsail was like the explosion of a large cannon. In a breath the brig was smothered with froth torn up in huge clouds, and hurled over and ahead of her in vast quivering bodies that filled the wind with a dismal twilight of their own, in which nothing was visible but their terrific speeding. Through these slinging, soft, and singing masses of spume drove the rain in horizontal steel-like lines, which gleamed in the lightning stroke as though indeed they were barbed weapons of bright metal, darted by armies of invisible spirits raving out their war cries as they chased us.

Saffron Alley A.J. Demas,2021-02-16 A month ago, eunuch sword-dancer and spy Varazda collided with ex-soldier Damiskos at a seaside villa during a dizzying week of intrigue, assassinations, and a fake love affair that—maybe—turned real. Now Varazda is back home in Boukos, at the center of a family and community he dearly loves, and Damiskos is coming to visit. Things aren't going according to plan. Varazda's family members suspect Damiskos's motives. Varazda grapples with his own desires. Add in a horrible goose, a potentially lethal sculpture, and yet another assassination plot, and any man other than Dami would be boarding a ship straight back to PHEME. It's going to take all of Damiskos's patience, and all of Varazda's strength, to make this new relationship work. After all that, solving one more murder shouldn't be too hard. **Saffron Alley** is the second book in the **Sword Dance** trilogy, the continuation of Dami and Varazda's story from **Sword Dance**. It crosses over with **One Night in Boukos**, but you don't have to have read that book to enjoy this one.

Animating Your Career Steve Hickner,2013-09-01 **Animating Your Career** is the exciting new book by filmmaker Steve Hickner, director of **The Prince of Egypt** and **Bee Movie**, who has had his hands in the development of dozens of major motion pictures. **Animating Your Career** is Steve's guide to navigating the journey of a career in the creative fields—from getting your foot in the door to directing a project involving hundreds of artistic professionals. The book is filled with practical advice from Steve and the many top creatives he has worked with over the years. Whether you are still in school and awaiting your first job, or are a seasoned professional, **Animating Your Career** will help guide you to success.
