*Is God anti-gay?* Sam Allberry,2013-07-01 A practical and sensitive exploration of the Bible's teaching on homosexuality. A practical and sensitive exploration of the Bible's teaching on homosexuality. It's the hot topic of the moment. Christians, the church and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view to the culture's. So is God homophobic? And how do we relate to both Christians and non-Christians who experience same-sex attraction? In this short, simple book, Sam Allberry wants to help confused Christians understand what God has said about these questions in the scriptures. Drawing on his own experience, he offers a positive and liberating way forward through the debate. This revised and updated version includes answers to some new questions, including: \* Should Christians attend gay weddings? \* Isn't the Christian view of sexuality dangerous and harmful? \* Is it sinful to experience same-sex attraction?

Family Discipleship Matt Chandler,Adam Griffin,2020-08-28 The most important disciple a parent will make is within their own home, and yet this is the most difficult disciple to make. Family Discipleship by Matt Chandler and Adam Griffin helps readers develop a sustainable rhythm of gospel-centered discipleship through a guided framework focusing on moments of discipleship in 3 key areas: time (intentional time gathering your family around gospel activities or conversations), moments (leveraging opportunities throughout the day), and milestones (celebrating significant life events). Each section provides parents with Scriptures to consider, questions to answer, structures to implement, and ideas to try out as they seek to see Christ formed in their children. Here is a book that begins with the end in mind, offering ideas and examples of what gospel-centered family discipleship looks like, helping parents design their own discipleship plan as they seek to raise children in the love and fear of the Lord.

The Mingling of Souls Matt Chandler,2015-01-01 The Song of Solomon offers strikingly candid—and timeless—insights on romance, dating, marriage, and sex. We need it. Because emotions rise and fall with a single glance, touch, kiss, or word. And we are inundated with songs, movies, and advice that contradicts God's design for love and intimacy. Matt Chandler helps navigate these issues for both singles and marrieds by revealing the process Solomon himself followed: Attraction, Courtship, Marriage ... even Arguing. The Mingling of Souls will forever change how you view and approach love.
