The Coming Move of God Apostle Joshua Selman,2021-03-25 The manifestation of Enoch is one of the activities that foreruns the coming of Christ. Enoch is a representation of intimacy and passion for spiritual things. It is a system that goes past the gate of fame, ambition and all the mundane things of this earth. Imagine that a man lived for 365 years and all the Bible can say about such a man is that he walked with God. What a testimony. That you lived your life and the most striking signature activity of your life is that you walked with God. He had children and the children did not disrupt his walk with God.The coming move of God will not just start with revivals. It will start with the restoration of the spirit of Enoch- intimacy and desire for God beyond the walls of Church, ministry, preaching, etc.We will never be able to host what the spirit of God is doing across the nations in this endtime if our focus is just preaching an accurate exegesis of the word, as powerful as this is. It will be a product of our walk with God. The Bible declares that the remnant of the house of Jacob will first bear root downwards. You won't see it when it happens but it will become the stability of the tree and fruit that they produce.

The Ministry of the Holy Spirit Apostle Joshua Selman,2020-12 1Co 2:12 Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God.So the bible starts there, by telling us there is a mystery shrouded by the wisdom of God and it is called the hidden wisdom of God and that this hidden wisdom has been kept for the of the saints, please understand and that the bible says this wisdom is not the same as the wisdom of the world nor of the princes of this world that comes to naught. He is trying to show the un-surpassing excellency of this hidden wisdom that relative to the wisdom of the world and relative even to the wisdom of the princes of the world, it comes to naught, it can't be compared, but he says that this wisdom is hidden and that there is only one entity mandated with the responsibility of searching out this wisdom and bringing it to the saints but the bible says whoever by any means can access that wisdom, the destiny of that person regardless is the glory that it was hidden for, the glory of the saints, that means that I can look at your life and know that you have accessed that wisdom by the dimension of glory that vetoes your background, the dimension of glory that vetoes the limitation of glory around your life. There is a mystery that can lift men out of the grip of the terror and the vicissitude of this life, the bible says it is the hidden wisdom of God, a body of information privy to the seen that the holy spirit can grant you access to, that if by any means my brothers and sisters, regardless of your background, that you hold on to this wisdom, then your world will see you as a wonder and a marvel, they look at you and they see attributes that are not allowed for humans to have, your hidden wisdom revealed by the spirit.Read This Book and Be Blessed
