Quotable New Englander Eric D. Lehman,2018-10-01 From the Mayflower's landing to the age of the internet, New Englanders have always had something to say. Focusing on the unique qualities of both land and people, The Quotable New Englander showcases the linguistic insight of the region's native and adopted sons and daughters, from writers like Emily Dickinson to politicians like John F. Kennedy. Sometimes insightful, sometimes hilarious, these quotes will have readers smiling, laughing, and shaking their heads.

The Tail of Emily Windsnap Liz Kessler,2010-05-11 A young girl learns she's half mermaid and plunges into a scheme to reunite with her father in this entrancing, satisfying tale that beckons readers far below the waves. For as long as she can remember, twelve-year-old Emily Windsnap has lived on a boat. And, oddly enough, for just as long, her mother has seemed anxious to keep Emily

away from the water. But when Mom finally agrees to let her take swimming lessons, Emily makes a startling discovery — about her own identity, the mysterious father she’s never met, and the thrilling possibilities and perils shimmering deep below the water’s surface. With a sure sense of suspense and richly imaginative details, first-time author Liz Kessler lures us into a glorious undersea world where mermaids study shipwrecks at school and Neptune rules with an iron trident — an enchanting fantasy about family secrets, loyal friendship, and the convention-defying power of love.

**Out of Darkness** Ashley Hope Pérez,2015-09-01 A 2016 Michael L. Printz Honoree This is East

Texas, and there's lines. Lines you cross, lines you don't cross. That clear? New London, Texas. 1937. Naomi Vargas and Wash Fuller know about the lines in East Texas as well as anyone. They know the signs that mark them. They know the people who enforce them. But sometimes the attraction between two people is so powerful it breaks through even the most entrenched color lines. And the consequences can be explosive. Ashley Hope Pérez takes the facts of the 1937 New London school explosion—the worst school disaster in American history—as a backdrop for a riveting novel about segregation, love, family, and the forces that destroy people.

The Gift Inside the Box Adam Grant, Allison Sweet Grant, 2019-10-01 Adam Grant, the bestselling author of *Give and Take*, teams with his wife, Allison, to share the lighthearted tale of a gift in search of a giver—a classic in the making and the perfect conversation starter about thoughtfulness. This delightful book—one of Amazon's 2019 Holiday Gift Picks and Most Anticipated Books—is designed to start conversations with kids about generosity. In the tradition of *Goodnight Gorilla*, the words are intentionally spare. The book is meant to be read interactively, with adults posing questions so kids can guess what's happening (and why). Praised by both parents and teachers for sparking imagination and eliciting discussion, the story can be interpreted differently in every family, by every child, and reinterpreted many times over. Give the gift of this clever, earnest book about generosity—a new and nourishing fable for every child's library (and one that includes a delightfully innovative cover approach that requires the reader to unfasten the Velcroed cover for a fun unboxing effect!). It's a gift that keeps on giving. Truly phenomenal . . . Kristen [Bell]'s favorite book we've read to the kids in a year. --Dax Shepard of the podcast *Armchair Expert*

**A Baby's Gift** Margaret Wise Brown, 2001-04-24 Goodnight Moon In a great green room, tucked away in bed, is a little bunny. Goodnight room, goodnight moon. And to all the familiar things in the softly lit room -- to the picture of the three little bears sitting in chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one -- he says goodnight. In this classic of modern children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. The Runaway Bunny Clement Hurd redrew some of his pictures for this new edition of the profoundly comforting story of a bunny's imaginary game of hide-and-seek and the lovingly steadfast mother who finds him every time.
