Beetle Love N. Kneissler, 2018 - A tribute to the Volkswagen Beetle, the most-loved car in the world - Glorious photographs throughout *Beetle Love* endures. It's global and conquers every generation. And this love is classless. Never mind if used as a taxi on a daily basis, as a company car owned by a craft brewery in Ecuador, as a show piece in Great Britain or as a family heirloom in Indonesia: *Beetle Love* introduces them all. Convertibles and limousines, from red to rusty, from purple to polished. And it's always the story that their owners lost their hearts to the Beetle. And rightly so! Hardly any other car arouses more emotions around the world. All covered in this book, more than 20 stories, 208 pages, a wonderful and unique picture and story book. Text in English and German.

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.
