The Christmas Train Ivan Gantschev,1982

The Christmas Train David Baldacci,2002-11-04 A journalist on a cross-country Christmas train scales the rugged terrain of his own heart in this New York Times bestselling holiday tale that inspired the Hallmark Hall of Fame original movie! Disillusioned journalist Tom Langdon must get from Washington to Los Angeles in time for Christmas. Forced to travel by train, he begins a journey of rude awakenings, thrilling adventures, and holiday magic. He has no idea that the locomotives pulling him across America will actually take him into the rugged terrain of his own heart, as he rediscovers people's essential goodness and someone very special he believed he had lost. David Baldacci's *THE CHRISTMAS TRAIN* is filled with memorable characters who have packed their bags with as much wisdom as mischief...and shows how we do get second chances to fulfill our deepest hopes and dreams, especially during this season of miracles.

Santa's Christmas Train Helen Foster James,2015 A group of children take a long train ride to Santa's Workshop; meet Santa, Mrs. Claus and some elves; receive presents; and have their pictures taken before returning home.

All Aboard! The Christmas Train Nichole Mara,2018-10-16 Folding out car by car, this accordion-style book takes readers on a tour of Santa's Christmas train. Each car has lots to see—elves making toys, penguins playing, reindeer preparing for the big day—as Santa searches for his missing boot. With a running landscape dotted with objects for children to find and count on the back of the book, *All Aboard! The Christmas Train* is a fun, interactive ride from beginning to end.

Santa's Christmas Train Helen Foster James,2019-10-01 All aboard! Santa's Christmas train is coming to town! Lucky young travelers embark on a festive train ride to Santa's village in this Christmas board book. As the train goes up, up, up, and down, down, down on its way to the North Pole, the travelers become more and more excited. Soon they arrive to find bright decorations, busy workshops, and bustling elves everywhere. The kids even meet Santa and Mrs. Claus! Featuring bright, imaginative illustrations, *Santa's Christmas Train* is packed with humor and the kind of details children love to discover. This lively book will engage would-be travelers as they imagine themselves along for the ride.

The Willow Falls Christmas Train William Trombello,John Schuller,2009-10 Engineer Obie and his fellow railroaders embark upon a desperate rescue mission to save Christmas in Willow Falls. The Christmas Train David Baldacci,2003 A journalist travels by train to visit his girlfriend at Christmas time.

All Aboard the Polar Express ,2004 The Polar Express train visits the North Pole and passengers find out what the first gift of the season is going to be from Santa Claus.

A Toy Train Christmas Story Nils Larson,2014-12-25 This is the story of two adventurous elves that just want to understand the Big City and Christmas Spirit beyond what they had learned from Santa. With Santa now using railroads to help him on his Christmas Eve deliveries it becomes natural for the adventurous elves to take advantage of this technology. As would be expected, they get themselves into a little deeper trouble than they know how to handle and need some help finding their way back home. It is a holiday story inspired by my father's well-loved 1930's Marx tin train that had been forgotten and almost discarded and two little girls wanting the toy train to come out every Christmas to get them into the Christmas Spirit. Hopefully many vintage toy train lovers will enjoy the story and the pictures. It was a joy to write the story while bringing my father's piece of toy history back to life.

Old Tracks, New Tricks Jessica Petersen,2017 Trixie and Tracky are disappointed when the wooden train set they join is full of bossy trains and snoring train tracks.

Tucker and the Christmas Train Rhys Griffen,2021-01-14 Tucker And The Christmas Train, is a collaborative effort by Griffin, illustrator Liz Pritchard of Rochester, NY, and Spectrum Fusion. The storybook for school-age children is about a friendly little steam engine named Tucker who longs to pull a magical Christmas train to the North Pole on the magical Rails of Wonder. When he finally gets his chance, Tucker encounters obstacles that require every bit of his courage and determination to overcome. This delightful book, which introduces young readers to an enchanted world while teaching a valuable lesson about perseverance.
