Angela Lyn Martinez

With Angel Wings She Soars Angela Lyn

Martinez,2019-02-08 With Angel Wings She Soars is about a young girl who loves and misses an angel in heaven. She imagines fun and exciting ways her loved one is soaring through heaven with new angel wings. These heavenly and playful visions give the little girl peace. This happy and heartwarming story will have your child's imagination soaring. The idea for this book came after my Aunt Doreen passed away. Doreen had several health problems that kept her from experiencing many things in life. Imagining all the ways Aunt Doreen is soaring with her new angel wings brings me peace and happiness. Anyone can relate to this book as I believe we all have guardian angels in heaven.
