Jonni Good

**Make Animal Sculptures with Paper Mache Clay** Jonni Good,2010 If you've always wanted to create life-like animal sculptures, but you thought it would be too hard or too expensive, you're in for a very pleasant surprise. This book contains step-by-step instructions and over 250 photos to guide you through the enjoyable process of making realistic animal sculptures in a whole new way. Jonni Good's easy techniques help you create stunning wildlife art without the mess usually associated with papier mache - and the patterns included in each chapter guarantee that your sculptures will be perfectly shaped and proportioned from the very start. Paper mache clay takes about 5 minutes to make, using inexpensive ingredients. Applying the clay to your form is as easy as frosting a cake. It goes on smooth, and dries hard and strong. It's easy to form life-like details like eyes and noses, fur and scales. Then finish your sculptures with acrylic paints to bring them to life. Jonni even shows you how to create your own patterns from original drawings or photos, so you can use her techniques to sculpt any animal you like. Creating life-like animal sculptures has never been so easy, or so much fun!

***Ra the Mighty: Cat Detective*** A. B. Greenfield,2018-09-18 An egotistical royal cat and his dung beetle sidekick track a jewelry thief in this hilarious new series set in ancient Egypt. Nominated for an Edgar Award! Can a lazy cat and a dung-obsessed beetle really crack a mystery? Ra relishes his role as the Pharaoh's beloved—and spoiled—cat. So when an amulet goes missing from the palace, Ra plans to keep enjoying his snacks and nap in the sun. But Ra's friend Khepri, a wise and industrious scarab beetle, insists on investigating in order to save the young servant girl who has been framed for the crime. Once Ra gets going, he decides that being a Great Detective isn't so bad; in fact, he doesn't mind being hailed as “Protector of the Weak and Defender of Justice.” The comically mismatched duo is on the case! Wacky illustrations with fun historical details bring these oddball characters to life. Includes a glossary, pronunciation guide, and detailed author's note. “An ingenious mystery full of entertaining details for fans of ancient Egypt.”—Paula Harrison, author of the Rescue Princesses series

***The Getty Bronze*** Jiří Frel,1982-01-01 Released from his prison of incrustation, having rested on the ocean floor for thousands of years, the bronze statue of an athlete stands in a quietly arrogant pose, having just placed an olive crown—the symbol of victory in the Olympic Games—on his head. In this monograph devoted to the Getty Bronze, Dr. Frel analyzes the technique and style that point to its attribution to the great fourth-century Greek sculptor Lysippos. The conservation of the bronze, its possible identity as a Hellenistic prince, and its place in Lysippos’s oeuvre are discussed.

**Goddess and Mythology Coloring Book** Selina Fenech,2016-07-13 Explore your inner goddess and discover peace and power through coloring with this goddess and mythology inspired coloring book by Selina Fenech. This coloring book features 25 goddesses, gods, and female characters from many world mythologies, ready to be brought to life with color! This book includes TWO full sets of the 25 artworks, for a total of 50 pages to color in. Page size is 8.5x11inches, letter size. Images on one side only for easy removal and display. Images are framed within the page, not full bleed. These intricate designs are suitable for adults and experienced colorists. Parental discretion advised for younger artists as some artworks contain artistic/concealed nudity and sensual goddess imagery. Goddesses from all over the world, including Antheia, Aphrodite, Arianrhod, Athena, Blodeuwedd, Cerridwen, Coventina, Diana, Echo, Fidelma, Gaia, Guanyin, Horned God and Goddess, Ishtar, Isis, Lady of the Lake, Morrigan Triple Goddess, Nuwa, Oshun, Rhiannon, Selene, Shiva and Parvati, Tempestas, Valkyrie, Wiccan god and goddess. From the Artist: As an artist, color is a thing of magic in my life. Color creates shapes, forms, and feelings in the artworks I paint. Laying color onto a blank page is when I feel closest to true magic, when I feel happiest and most relaxed, and it's through what I create that I share my love of magic with the world. Through my coloring books I want to share that same magic with you. The artworks in my books are based on my completed paintings, which I have painted over the last ten years as a professional artist. I have created the coloring designs to be intricate and detailed but still fun and accessible. There is something for lovers of meditative detail while simple enough to not be overwhelming for younger colorists. When designing my books I decided to print them with two copies of each design, because I know as an artist there are always so many possibilities! I wanted to give everybody the chance of a do-over with every design, because I also know mistakes can happen, and even the fear of mistakes can hamper creativity. I want you to be able to create without fear! Try a different medium, or a different color scheme. The double pages are also a chance to share the magic with a friend, child, parent, sibling. Because sharing your creativity and joy of color is the best magic of all.

**The Spell Book for New Witches** Ambrosia Hawthorn,2021-09-14 Unlock your magic with simple spells for new witches There’s magic in all of us, just waiting to be tapped. If you’re ready to access and channel your power, this spell book will be your guide. Inside, you’ll discover what it means to create and cast a spell, the central philosophies of witchcraft, and how spellwork can help you feel more powerful and connected to the world around you. Sage advice—Explore an introduction to spellcasting that covers key terms, the different forms of magic, and step-by-step instructions for successful spells. For love, prosperity, and healing—Try 130 spells that can impact every part of your life, like a Rose Attraction Potion, a Friendship Repair Knot Spell, or Healing Full Moon Water. Designed with new witches in mind—Enchanting illustrations and a cookbook-style format make it easy to find your favorite spells, along with guidance for honing your craft over time. Empower the witch within as you explore the ultimate spell book for getting started with magic.

**How to Make Stonehenge Out of Biscuits** Tracey Turner,Clive Goddard,2011 A brand new series from the home of humour for children! Offering a suitably bonkers activity for every day of the year. Includes recipes for invisible ink, lessons in limbo, and a course in dusting for finger prints! Whether they're writing their own detective story or making a Stonehenge out of biscuits! - kids will never be bored again!

***Field Guide to Garden Dragons*** ,2019-07-17 You never know where you'll spot a Garden Dragon- it could be on your travels, on a nature walk, or even in your own backyard This whimsical deck presents 46 adorable dragons, each with a mystical message to share. The 138-page illustrated guidebook gives delightful descriptions so you can identify dragons to help you with their magic and wisdom.

**Yemaya** Raven Morgaine,2021-09-01 A celebration and practical guide to the renowned and beloved goddess and orisha. Yemaya, queen of the sea, first emerged in Yorubaland (now in modern Nigeria). A primordial deity, considered the mother of all, some perceive her to be at the root of numerous ancient goddesses, including Isis. During the Middle Passage, Yemaya accompanied her enslaved devotees to the Western Hemisphere, where her veneration took root and flourished. She is among the most beloved and prominent spirits of Candomblé, Santeria, and other African diaspora traditions. Through her associations with the Virgin Mary, devotion to Yemaya spread throughout Latin America. Cuban immigrants brought Yemaya with them to the US, where her veneration expanded exponentially. No longer a local water spirit, she became an internationally beloved goddess whose devotees derive from numerous traditions and who worship her in her many fluid forms. Yemaya currently ranks among the most beloved goddesses worldwide. Raven Morgaine, a priest of Yemaya for over three decades, shares his expertise and knowledge in Yemaya: Orisha, Goddess, and Queen of the Sea, the first full-length English language book accessible to general readers. Morgaine explores Yemaya’s history and her many forms, including her roles as mother, lover, witch, warrior, and mermaid. He describes her many paths, aspects, and incarnations. Simultaneously a celebration of Yemaya and a practical, hands-on guide to working with her, Yemaya explores her mythology in depth, as well as her special role in the LGBTQT community. The book features: Spells and rituals associated with Yemaya appropriate for the uninitiated Instructions for building altars and shrines for Yemaya, as well as other methods

for working with her, including correct, respectful ways to make appropriate offerings Recipes that will please Yemaya A detailed list of flowers, herbs, and other botanicals that radiate the power of Yemaya

**The Kemetic Tree of Life Ancient Egyptian Metaphysics and Cosmology for Higher Consciousness** Muata Ashby,2008-08-01 Ashby explains the Tree of Life metaphysical teachings, disciplines, and techniques from the hieroglyphic texts.

'These stories are magic; they turn children into readers!' ReadingZone.com If you like Rainbow Magic, check out Daisy Meadows' other series: Magic Animal Friends and Unicorn Magic!

**MAGDALENE ORACLE** TONI. CARMINE SALERNO,2021

**God/Goddess** A. J. Drew,2003-09 Recognizing that each person has a unique vision of the divine, God/Goddessexplores central archetypes, complete with historical, multicultural examplesto awaken the God and Goddess within each person.

**Hatshepsut** Peggy Pancella,2004 This book presents an overview of Hatshepsut's life, as well as his influence on history and the world.

Pagan Prayer Beads John Michael Greer,Clare Vaughn,2007-05-01 Religions from around the world--Buddhism, Hinduism, Catholicism, Islam, and many more, including the Pagan earth religions--use prayer beads as useful guides to remembering prayers and principles. Pagan Prayer Beads by John Michael Greer and Clare Vaughn is a unique and practical introduction to the design, creation, and use of Pagan rosaries, teaching the reader to design and make personal prayer beads for use in myriad spiritual practices. Co-written by a beading expert (Clare Vaughn) and one of the leading lights in modern Paganism (John Michael Greer), this book will garner an eager audience--from beginners to elders--looking for new inspiration in their personal spiritual practice. Beautifully written, instructive, and straightforward, Pagan Prayer Beads is user-friendly and easy to understand. Lovely black-and-white photographs accompany the text to further illustrate the art and craft of Pagan prayer beads. The how-to sections were tested by novices to both crafting and the craft, who found the directions clear and easy to follow. Throughout the book, Greer and Vaughn have included fascinating history and lore as well as crystal properties, Pagan symbology, and deeply meaningful prayers and rituals to use with the rosaries. \* 30 lovely black-and-white photos accompany the beading instructions.

**Fast Faces** Jonni Good,2018-03-06 This innovative new way to sculpt clay characters will unleash your creativity, whether you've been sculpting for years or if you just now picked up your first lump of clay. You'll be both surprised and delighted by each unique face you create, which makes it addictively fun for both children and adults.

Eclectic Witchery Ailie Hunter,Garry Jeffrey-Nixon,2020-12 Eclectic Witchery covers a wide range of topics such as rituals, astrology, natural remedies, magical lore, spells and more.It discusses ideas on how to connect with Gods and Goddesses, how to weave nature into magic, and how to get in tune with the seasons and moons of the year.This book is an inspiring and useful guide to enhance spiritual practice, and a reminder of what eclectic paganism can offer

*The People of Egypt (Classic Reprint)* Lance Thackeray,2018-10-10 Excerpt from The People of Egypt Thackeray's studies, with brush and pencil, of the people one sees in Egypt has been well chosen, for to speak of Egyptians at the present day is almost impossible. Such a strangely mixed aggregation of Levantine races dwells in the delta and valley of the Nile that it is safer to speak of the people of Egypt rather than of Egyptians. The cry of Egypt for the Egyptians Which is beginning to be heard in some quarters seems to voice an ignorance of the country, for the more one knows of Egypt the more one is obliged to ask, Who are the Egyptians It is true that the census classes some ten millions as natives and only about half a million as semisedentary Bedouins, but the term native covers a great assemblage of semi-egyptian hybrids. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work.
