*A Die Hard Christmas* Doogie Horner,2017-10-24 A delightful Christmas storybook for adults based on the action-packed Die Hard movie All John McClane wants for Christmas is to reunite with his estranged family. But when his wife's office holiday party turns into a deadly hostage situation, he has to save her life before he can get home in time for Christmas! The unconventional fan-favorite movie Die Hard is now an illustrated storybook—complete with machine guns, European terrorists, and a cop who's forced to rely on all his cunning and skills (and the help of a fellow officer) to save the day. Based on the classic "Night Before Christmas" poem and filled with whimsical illustrations, this cleverly reimagined homage is destined to become a holiday classic. \*Contains adult material including violence and strong language. Reader discretion is advised. Ho-ho-ho.

*The lost christmas gift* Andrew Beckham,2014-04-15 Published in Fall 2012 to glowing reviews, The Lost Christmas Gift quickly sold through its first printing to become a holiday hit and instant Christmas classic. Andrew Beckham's poignant tale features an exquisite book lovingly handmade by a father to show his son what really happened during an adventure they shared one blizzard Christmas Eve. Sixty years after his father left to be a mapmaker in the war in Europe, Emerson Johansson received a package that had been lost in the mail for decades. A remarkable book, lovingly handmade by his father, details an extraordinary adventure they shared together just months before his departure. Setting out into the mountains on Christmas Eve to cut a tree, they find themselves in a dangerous blizzard. Lost in the snow, they are helped by a mysterious silvery man who does not speak but leaves them a series of gifts that help them find their way home. The enigmatic man's image is not captured in the photographs the boy took with his new camera, pictures he believed, until now, were long lost. Little did he know that his father had taken the photographs with him to the battlefield. Featuring a lively combination of maps, vellum overlays, drawings, watercolors, and photographs, The Lost Christmas Gift faithfully reproduces the mysterious present, lost in the mail for decades, revealing that the silvery man in the woods who helped them get home was, in fact, no stranger, but somebody well-known to us all.

*The Third Gift* Linda Sue Park,2011-12-15 From two extraordinary talents, a beautifully crafted picture book for the Christmas season. The three wise men, or the three kings, are familiar figures in the Christmas tradition. Newbery medalist Linda Sue Park has taken the brief biblical references to the three as the starting point for a new story. In it we meet a boy who is learning his father's trade; a man who gathers resin from certain trees; a merchant in the marketplace; and three strangers in brightly colored robes who are shopping for a gift for a baby. Illustrated by Bagram Ibatoulline with exquisite paintings, this simple, moving tale of ordinary people involved in an extraordinary event brings new resonance to the well-known gift list of gold, frankincense, and myrrh. Includes an author's note.
