The Christmas Tree James Hewitt, 2007-09 This book's creation was done by chance. A group of my co-workers were discussing Christmas and why decorations, trees, and other customs are practiced. Have you ever wondered the same? One question was regarding the Christmas tree. Where did the idea originate? Whom might be responsible for the tradition? Was a person responsible for the tree or was it a cultural phenomena that grew. I am going to ask you to think back to your first memory of Christmas. It probably includes a memory of a decorated and brightly lit tree surrounded by colorfully wrapped presents. A smile always can be seen on even the most selfish and bitter person when viewing a well designed Christmas tree.

My 21 Years in the White House Alonzo Fields,2019-11-22 My 21 Years in the White House, first published in 1960, is the fascinating account by Alonzo Fields of his service as head butler under 4 presidents: Hoover, Roosevelt, Truman, and Eisenhower. Fields (1900-1994) began his employment at the White House in 1931, and kept a journal of his meetings with the presidents and their families; he would also meet important people like Winston Churchill, Princess Elizabeth of England, Thomas Edison, John D. Rockefeller, presidential cabinet members, senators, representatives, and Supreme Court Justices. He would also witness presidential decision-making at critical times in American history -- the attack on Pearl Harbor, the death of Franklin Roosevelt, the desegregation of the military, and the outbreak of hostilities in Korea. As Fields often told his staff, "...remember that we are helping to make history. We have a small part ... but they can't do much here without us. They've got to eat, you know." Included are sample menus prepared for visiting heads-of-state and foreign dignitaries.
