**Emeli Sande - The Biography** David Nolan,2013-09-02 Thrust into the international spotlight at the 2012 Olympic Games thanks to her moving performances of 'Abide with Me' at the opening ceremony and 'Read All About It (Part III)' at the closing ceremony, Emeli Sandé is now an international superstar. However, her breakthrough came much earlier, in August 2011, with the release of her first single, 'Heaven', which peaked at number two on the UK Singles Chart. Since then Emeli has been unstoppable, releasing her debut album 'Our Version of Events' in 2012 to critical acclaim - an album which went on to be the UK's bestseller in 2012. What many don't realise is that Emeli is more than just a singer. An Avid pianist and songwriter from an early age, Emeli has co-written songs for a huge number of artists including Tinie Tempah, Alesha Dixon, Cheryl Cole, Professor Green, Leona Lewis and even Susan Boyle. And while music has always been her first love, Emeli is a firm believer in the importance of education, and was studying for a degree in medicine at Edinburgh University before deciding that music had to take precedence. Winning the Critics' Choice Brit Award in 2012 has confirmed the young Scottish singer as one of the great musical talents of a very talented generation, and while publicly 2012 was a hugely successful year for Emeli, privately it was too, as she married her long-term boyfriend Adam Gouraguine in his home country of Montenegro. Journalist David Nolan delves deep to paint a complete picture of the life of this talented musician, from her childhood in rural Scotland to Olympic glory, and offers a glance at what be next for this prodigious talent. This is a must-read for any fan.

**Emeli Sande: Read All About It** John Dingwall,2014-03-17 Since her win at the Brit Awards in 2012 for Our Version of Events, Emeli Sandé has gone from strength to strength. From writing songs for artists, including including Alicia Keys, Gabrielle, Leona Lewis, Alesha Dixon, and Cheryl Cole; to performing at the Opening and Closing ceremonies at the London 2012 Olympic Games. Author, John Dingwall, talks to Emeli, her parents, her sister, schoolteachers and those who have been involved in her career. He details her childhood, her first record deal and how she was initially rejected by Gary Barlow - who told her she was never going to be a star. Emeli Sandé - Read All About It describes an artist's struggle to the top, from her early collaborations with the likes of Wiley, Tinie Tempah, and Professor Green, before making it as an artist in her own right.

**Character Breakdown** Zawe Ashton,2020 Cult heroine Zawe Ashton brings us a unique look at life, work and the absurdities of contemporary life. Zawe Ashton has been acting since she was six. She has played many different roles, from cute little girl to assassin with attitude', Oscar Wildes Salome to St Trinians schoolgirl by way of Fresh Meats Vod. To stay sane, an actress must tread a high-wire between life and art, keep sight of where a character ends and the real person begins. So she doesn't lose herself completely. In Character Breakdown, Zawe scrolls through a version of her life. Or is it a version of her art? Or something in between. In it, she encounters glamour, horror, absurdity and questions like: is a life spent more on performance than reality any life at all?

This international bestselling book has helped hundreds of thousands of people all over the world to create a life that is in deep alignment with their soul. Light Is The New Black is an inspiring book with a message that is so needed right now. Rebecca courageously guides us to turn our lights on and follow the daily calls of our soul so we can all light up the world with our authentic spirit." - Sonia Choquette, bestselling author of The Answer is Simple ANSWER THE CALL OF YOUR SOUL AND WORK YOUR LIGHT Your inner light is your soul and it is guiding you every moment of every day. Light Is the New Black is for those who agreed to be here at this time in history to answer the call of their soul and work their light. Rebecca Campbell had her first awakening when she was a teenager, but without anyone to guide her, she ignored her soul's callings and dimmed her light in order to fit in. Then, just before her 30th birthday, the life she had so consciously created began to crumble around her. It was as if the Universe had turned off all the lights, so she had no choice but to rediscover her own. In this inspirational book, Rebecca shares her own healing journey, alongside practical tools to help you reconnect with the core of your being, and channelled messages from the Universe. Once you rediscover what you already know at soul level, you can create a life that is in divine alignment, discover your soul gifts, and offer the world something that only you can give. "When I first woke up to the callings of my soul, I lacked the courage, confidence, inner support, and practical tools not just to hear the callings of my soul, but to let them truly lead my life. There were pieces missing, a journey needed to be taken. I called upon the Universe and spiritual teachers to support me. This book is the result of that journey. You can read it in one sitting, one chapter a day, or pick a page at random for an instant hit of guidance. Throughout you will find 'Work Your Light' exercises, mantras, and affirmations. I created these with the intention of guiding you not only to hear the callings of your soul, but to act on them too... I pray that you discover the authentic gift to the world that you already are and choose to serve the world by being You. Follow what lights you up and you will light up the world. So much love, Rebecca x

**Rise Sister Rise** Rebecca Campbell,2016-10-04 Rise Sister Rise is a call to arms for our sacred feminine to rise up, tell the truth, and lead. From Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. It is for those who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. Rebecca says: Rise for you, rise for me, when you rise first you rise for She. Many of us have spent much of our working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down our intuition, and ignoring the fierce power of the feminine. We have ignored the cycles of the feminine in order to survive in a patriarchal linear system—but now the world has changed. Here Are Some of the Chapters in Rise, Sister Rise: Part I - Rebecca's Story · The Unbinding · The Wise Women · Work Baby · Shakti Rising · Returning to Avalon · Tools for Your Rising Part II - Birthing A New Age · We Were Made for These Times · Shakti Always Rises · The Holy Grail is Within You Part III - Remembering Our Cyclic Nature · You Are Spirit Earthed · You'll Find Your True Nature in Nature · When Whispers Turn into Shouts Part IV - Unbinding the Wise, Wild Woman · The Suppression of the Female Voice · The Mystic Always Rises · Finding Mary · The Return of the Magdalenes Part V - Redefining Sisterhood · The Reunion · The Ones Who Came Before Us · When Women Circle · Your Constellation of Sisters · Calling in Your Sisters Part VI - Doing the Work · What Is Rising in You? · Rising Feminine Archetypes · New World Rising Birthed by You · Let the Universe Use You · Be a Clear Channel · A Prayer for Times of Remembering · It's Not Your Job to Save the World · Keep on Rising "I'm a super-fan of Rebecca Campbell . . . Rebecca guides her reader to step into their authentic power so that they can live and lead at their highest potential." —Gabrielle Bernstein, New York Times bestselling author of Miracles Now Rise Sister Rise is a transmission that calls the innate divine feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop people from trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to dim to fit into a certain archetype. It's about co-creating a whole new archetype—someone who does not keep themselves small in order

to make others feel more comfortable. Full of activations, spiritual tools, calls to action, contemplative questions, rituals, and confrontational exercises, this inspirational book teaches that it is safe to let Shakti rise, safe to trust your intuition, and safe to take leaps of faith—because in healing ourselves we are healing the world. “You have an ancient wisdom within you that is waiting for you to remember, hear, and heed it. These Rise Sister Rise calls to action have been carefully designed to assist you in reclaiming your voice, unbinding your power, unlocking your wisdom, unleashing your true nature, and aligning yourselves with the sacred flow of all of Life.” Rise Sister Rise. And now that Gates has put a ten-thousand-dollar bounty on her head, she can't trust anyone, but she also can't take down the most powerful man in the mountains by herself. Her only allies are Kara, Dinah's best friend and secret crush, and Johnny, a young bootlegger who has as much reason to hate Gates as Dinah does. With their help and resources, and maybe even love, she can spark a revolution and set the whole county free—if their combined secrets don't get them all killed first.

**Wilco** Greg Kot,2008-12-10 The intimate story of one of the great American bands of our time, creators of the controversial masterpiece Yankee Hotel Foxtrot When alt-country heroes-turned-rock-iconoclasts Wilco handed in their fourth album, Yankee Hotel Foxtrot, to the band's label, Reprise, a division of Warner Brothers, fans looked forward to the release of another challenging, genre-bending departure from their previous work. The band aimed to build on previous sales and critical acclaim with its boldest and most ambitious album yet, but was instead urged by skittish Reprise execs to make the record more “radio friendly.” When Wilco wouldn't give, they found themselves without a label. Instead, they used the Internet to introduce the album to their fans, and eventually sold the record to Nonesuch, another division of Warner. Wilco was vindicated when the album debuted at No. 13 on the Billboard charts and posted the band's strongest sales to date. Wilco: Learning How to Die traces the band's story to its deepest origins in Southern Illinois, where Jeff Tweedy began growing into one of the best songwriters of his generation. As we witness how his music grew from its punk and alt-country origins, some of the key issues and questions in our culture are addressed: How is music of substance created while the gulf between art and commerce widens in the corporate consolidation era? How does the music industry make or break a hit? How do working musicians reconcile the rewards of artistic risk with the toll it exacts on their personal life? This book was written with the cooperation of Wilco band members past and present. It is also fully up to date, covering the latest changes in personnel and the imminent release of the band's fifth album, A Ghost Is Born, sure to be one of the most talked-about albums of 2004.

**Occupants** Henry Rollins,2011-10 For the past 25 years, Henry Rollins has photographed the most desolate and inhospitable corners of the Earth, and his powerful vision has been harnessed in this photographic essay. Though he is known for the raw power of his expression, Rollins has shown that the greatest statements can be made with the simplest of acts: to bear witness; to be present. This collection is an invitation to do the same. The book pairs Rollins' visceral photographs--taken in Afghanistan, Bangladesh, Burma, Cambodia, India, Indonesia, Kuwait, Kyrgyzstan, Mali, Nepal, North Korea, Northern Ireland, Saudi Arabia, Siberia, Sri Lanka, Thailand, and Vietnam--with writings that provide context and political commentary and thereby magnify the impact of the images. This is a visual testimony of anger, suffering, resilience in the face of tragedy, and the quiet, stronger forces of healing, solidarity, faith, and joy.

**How [Not] to Write a Hit Song!** Brian Oliver,2013-03-17 HOW (NOT) TO WRITE A HIT SONG! - 101 COMMON MISTAKES TO AVOID IF YOU WANT SONGWRITING SUCCESS takes a close look at the essential elements consistently found in the structure, melodies and lyrics of all hit songs. The book highlights and analyzes the most common errors that are made when these key components are built into a song—so that new writers can try to avoid such mistakes in their own songs. Most writers have, at some stage, had to endure the disappointment of having songs rejected by music publishers or record companies—and ended up asking themselves: “Could I have done more to make my songs better?”. This book aims to help writers recognise any weaknesses in their songs, so that they can re-work them, make them stronger, and hopefully achieve the breakthrough that they're seeking. The music industry has been going through major changes in recent years. It is now a 'singles market' again. As a result, there are now even greater opportunities for new writers who are capable of crafting potential hit songs with memorable melodies and lyrics. But competition is intense. So it's more important than ever for writers to make sure their songs stand out from the pack by avoiding the traps and pitfalls that many inexperienced songwriters fall into. Written in an easy, non-technical style, the book identifies many frequent causes of songwriting problems—from common mistakes in basic song structure ... to having the wrong mental attitude and an unsatisfactory songwriting environment. From getting the blend of core ingredients wrong ... to flawed choices when it comes to titles, melodies, lyrics, hooks, choruses, intros, bridges, pre-choruses—and even the song demo itself. The book's author, Brian Oliver—an experienced music publisher, songwriter and music consultant—warns that aspiring writers' chances of success could be hampered if they fail to spend enough time polishing their songs and eradicating weaknesses in their songwriting. That's why this book sets out to help new writers develop their own unique writing style while avoiding fundamental errors at each key stage in the song development process. It includes important tips on fixing and strengthening songs, along with a detailed checklist of 101 common mistakes that writers can measure their own songs against—no matter how 'finished' they think their songs are.
