Hush, Hush Becca Fitzpatrick,2012-05-22 Nora Grey is responsible and smart and not inclined to be reckless. Her first mistake was falling for Patch. . Patch has made countless mistakes and has a past that could be called anything but harmless. The best thing he ever did was fall for Nora. . After getting paired together in biology, all Nora wants to do is stay away from Patch, but he always seems to be two steps ahead of her. She can feel his eyes on her even when he is nowhere around. She feels him nearby even when she is alone in her bedroom. And when her attraction can be denied no longer, she learns the secret about who Patch is and what led him to her, as well as the dark path he is about to lead her down. Despite all the questions she has about his past, in the end, there may be only one question they can ask each other: How far are you willing to fall'.
