The Pole Vault Championship of the Entire Universe Conor Lastowka,2018-01-30 Kara Everglades has just finished her first year of high school and is longing for an adventure. So far her only option is an invitation from some upperclassmen to watch them drunkenly race a bunch of bullfrogs in a ditch. To be honest, she was hoping for something a bit more exciting. Her grandfather, Cornelius Everglades, is a renegade who founded his own island micronation. Unfortunately, the rest of the world refuses to acknowledge it (possibly because he's gone about the nation-building process using wildly illegal and unethical means). When Cornelius shows up at Kara's door needing her help and promising an adventure, Kara agrees to go along with his far-fetched plan to put his micronation on the map, even though a) she thought Cornelius was dead, and b) his scheme depends heavily on Kara wearing a mascot costume. If Kara had known about the giant alien spaceship currently speeding toward her grandfather's country with the intent to subjugate and humiliate mankind, she might have reconsidered.

Blood of an Ancient Rinda Elliott,2014-10-07 Saving the love of her life could mean letting her inner darkness out to play. Beri O'Dell, Book 2 Beri O'Dell is on a mission. She has to rip back into a hell dimension fast, but needs two things first-the blood of an ancient and a fix for her friend Blythe's magic, which careened out of control after the battle with the Dweller. Finding ancient blood isn't easy when the old ones are rare and unwilling to donate. She needs to find Blythe's former mentor...except the woman has lost her mind and joined a traveling band of singing witches. That's not the only magical monkey on her back. Nikolos is imprisoned, and after a screwed-up spell lets her witness the horror that has become his life, her fear for him grows by the day. Now there's another problem-a powerful being unleashed during the battle with the Dweller likes her gluttonous new existence, and will kill anyone who threatens it. But Beri has a few tricks up her costumed sleeve, even if it means mining the darkness of her soul to set everything right...and get Nikolos back in her arms. Warning: Sleazy ancients. Random fires. Nosy teenage hackers. Hints of off-screen torture. Battles with...Beri doesn't know what. And one scary boyfriend who keeps inching toward insanity.
