

Mini Hwezda.jpg

Magdalena Kraemer-Noble

Abraham Mignon 1640-1679 Magdalena Kraemer-Noble,2007 Celebrated in literature and Hollywood movies, the lives of the Ancient Egyptian queens have become synonymous with power, beauty, and glory. Cleopatra, Nefertiti, Nefertari and Hatchepsut are as well known today as they were in life. As the wives, mothers, or daughters of pharaohs, their influence on three thousand years of ancient Egyptian history is indisputable. This book offers a unique and heretofore unexplored insight into the key role they played and unveils the true nature of their political and spiritual influence, which was very different from the cliched portrayals most readers are familiar with. Some of the questions answered in this book include: What was the real status of the Egyptian queens? What was the status of second wives and concubines? What was their role in religious celebrations? What was their beauty regime?
