Eric James

Santa's New Sleigh Caroline Crowe,2021-10-12 Fabulous festive picture book from the creators of the bestselling *Santa's New Beard* - a perfect stocking-filler gift! Christmas Eve was here at last, The countdown clock was ticking fast . . . But yikes! When Santa turned the key (The reindeer need some help you see) The engine didn't start, it spluttered, 'That isn't right', the elves all muttered . . . When Santa's sleigh stops working on Christmas Eve the elves all rally round to help. Maybe they could use a slingshot? Or the owls could help? How about polar bears? Will they be able to sort the sleigh out before it is too late? Things are not looking good until one small elf has a bright idea! Festive and fun, this is destined to become a seasonal favourite.

Who'll Pull Santa's Sleigh Tonight? Laura Rader,2003-09-23 When the reindeer get bad colds, Santa Claus wonders who will be able to pull his sleigh on Christmas Eve.

Santa's Secrets Revealed James Solheim,2004-08-01 After Stevie tells a reporter that he does not believe in Santa Claus, Santa himself pays him a visit, takes him to the North Pole to show him his operation, and proves that he uses magic as well as science.

The Day Santa Fell out of His Sleigh ,

Stowaway on Santa's Sleigh Charles Jeffrey Noel, Sr,2020-06-06 Stowaway on Santa's Sleigh All year long the North Pole is busy. Everyone is busy except Stanley Claus, who has way too much time on his hands. Stanley, an eleven year old primordial dwarf was being bullied in his home town, so his uncle Santa Claus welcomed him to the North Pole to help with this very sensitive issue. Stanley, also a child prodigy, is soon met with an even worse kind of bullying. When he is finally given a very adult job to do, things get worse. He starts to feel that he doesn't fit in anywhere. He is a little boy with a BIG mind and an even bigger heart. Stanley is also a cookie moocher and his adversary is Sonsaray, the chief cookie baker. Fiona is a nine year old beauty who loves Stanley and always bugs him for a kiss. Stanley confides in Herald, his best friend. Due to the huge increase in the number of children in the world, Santa is forced to turn to technology to face and manage the increased demand. Everything needs to be computerized. One major project was the toy bag on the sleigh. While the outside appearance of the bag on the sleigh remained the same, thanks to the magic of Christmas, the inside of the bag was expanded to the size of about twenty football fields. It too had to be automated and computerized. Stanley feels that there aren't any truly naughty children. They are just confused or misunderstood, or they don't know how to be nice. He became a stowaway with a purpose inside the enormous toy bag. He felt that no child should be given coal. Every child should be given a second chance and receive a toy. Stanley was given the honor of supervising the loading of the sleigh which included millions of toys but not a single bin of coal. Using his advanced intellect he made multiple changes to all of the computer systems to fit his agenda. And he had to do all in secret. His mission never wavered but his mind-set did. Despite all of his work and effort, he was still getting rude remarks, criticisms and disrespect from many of the adults. All of this took an emotional toll...after all, he was still just a child. He felt out of place and like he was being bullied all over again. He decided that he wanted to go back home to Minnesota. Being a stowaway on Santa's sleigh would afford him a free ride home and he wouldn't have to explain anything to his Uncle Santa or anyone else. (Except his parents.) The dilemma came when they reached his own house in Minnesota on Christmas Eve, because they had only finished half of the route. What would happen to the naughty list children on the second half of the route? They wouldn't get a second chance! For them, nothing would change. He made a personal and grown up decision; he had to continue and finish the route! He couldn't let them down! While they were at Stanley's house, Santa discovered him and they had a heart-to-heart talk. Stanley became emotionally overwhelmed as he proceeded to tell Uncle Santa everything. Santa appealed to him and asked him if he thought that at least the relentless bully from his school should get a lump of coal instead of a nice toy. Stanley displayed a mature and forgiving spirit and said that of all people, he needs and should be given a second chance. The book ends back at the North Pole with a sleepy Stanley Claus going to bed filled with wonderful memories of perhaps the best day of his young life. When he woke up he found that he was two feet taller, he had along white beard and he was wearing

red pajamas with SANTA monogrammed on the chest. He had become the person he had always wanted to be. My book tells of the whimsical antics, the intellectual genius, and the sensitive nature of Stanley Claus. I've played Santa Claus for thirty years and I felt compelled to introduce a fresh, new and delightful character into the magical story of Christmas. Enjoy my book.

The elves sentence ban him from Christmas for life. Peter is sorry for what he did, and tries to convince Santa to get the elves to lift the ban from him.
