Who Will Pull Santa's Sleigh? Russ Willms, 2021-09-14 Many animals want to audition to pull Santa's sleigh and deliver toys to children around the world. But can anyone actually get the job done? This hilarious, behind-the-scenes story about Santa's reindeer crew is perfect for fans of Santa Claus: The World's First Toy Expert and Olive, the Other Reindeer. It's Santa's first Christmas, and he needs to find the perfect team to pull his sleigh so he can deliver gifts to children around the world. All sorts of animals answer his ad: SLEIGH PULLERS WANTED! But sloths are too slow, bunnies are a bit bouncy, and no one seems quite right for the job. Who can Santa turn to? This funny, festive tale of teamwork is a perfect addition to your picture book library this holiday season!

The Day Santa Fell out of His Sleigh ,

Stowaway on Santa's Sleigh Charles Jeffrey Noel, Sr, 2020-06-06 Stowaway on Santa's Sleigh All year long the North Pole is busy. Everyone is busy except Stanley Claus, who has way too much time on his hands. Stanley, an eleven year old primordial dwarf was being bullied in his home town, so his uncle Santa Claus welcomed him to the North Pole to help with this very sensitive issue. Stanley, also a child prodigy, is soon met with an even worse kind of bullying. When he is finally given a very adult job to do, things get worse. He starts to feel that he doesn't fit in anywhere. He is a little boy with a BIG mind and an even bigger heart. Stanley is also a cookie moocher and his adversary is Sonsaray, the chief cookie baker. Fiona is a nine year old beauty who loves Stanley and always bugs him for a kiss. Stanley confides in Herald, his best friend. Due to the huge increase in the number of children in the world, Santa is forced to turn to technology to face and manage the increased demand. Everything needs to be computerized. One major project was the toy bag on the sleigh. While the outside appearance of the bag on the sleigh remained the same, thanks to the magic of Christmas,

the inside of the bag was expanded to the size of about twenty football fields. It too had to be automated and computerized. Stanley feels that there aren't any truly naughty children. They are just confused or misunderstood, or they don't know how to be nice. He became a stowaway with a purpose inside the enormous toy bag. He felt that no child should be given coal. Every child should be given a second chance and receive a toy. Stanley was given the honor of supervising the loading of the sleigh which included millions of toys but not a single bin of coal. Using his advanced intellect he made multiple changes to all of the computer systems to fit his agenda. And he had to do all in secret. His mission never wavered but his mind-set did. Despite all of his work and effort, he was still getting rude remarks, criticisms and disrespect from many of the adults. All of this took an emotional toll...after all, he was still just a child. He felt out of place and like he was being bullied all over again. He decided that he wanted to go back home to Minnesota. Being a stowaway on Santa's sleigh would afford him a free ride home and he wouldn't have to explain anything to his Uncle Santa or anyone else. (Except his parents.) The dilemma came when they reached his own house in Minnesota on Christmas Eve, because they had only finished half of the route. What would happen to the naughty list children on the second half of the route? They wouldn't get a second chance! For them, nothing would change. He made a personal and grown up decision; he had to continue and finish the route! He couldn't let them down! While they were at Stanley's house, Santa discovered him and they had a heart-to-heart talk. Stanley became emotionally overwhelmed as he proceeded to tell Uncle Santa everything. Santa appealed to him and asked him if he thought that at least the relentless bully from his school should get a lump of coal instead of a nice toy. Stanley displayed a mature and forgiving spirit and said that of all people, he needs and should be given a second chance. The book ends back at the North Pole with a sleepy Stanley Claus going to bed filled with wonderful memories of perhaps

the best day of his young life. When he woke up he found that he was two feet taller, he had along white beard and he was wearing red pajamas with SANTA monogrammed on the chest. He had become the person he had always wanted to be. My book tells of the whimsical antics, the intellectual genius, and the sensitive nature of Stanley Claus. I've played Santa Claus for thirty years and I felt compelled to introduce a fresh, new and delightful character into the magical story of Christmas. Enjoy my book.

Santa's Secrets Revealed James Solheim, 2004-08-01 After Stevie tells a reporter that he does not believe in Santa Claus, Santa himself pays him a visit, takes him to the North Pole to show him his operation, and proves that he uses magic as well as science.

The Sleigh: (Special Christmas Edition) Frank M. Russo MD, 2015-09-10 Santa Claus has a real dilemma. His sleigh needs to go further and faster to get around the world on Christmas Eve. You see, there are too many good little boys and girls to deliver presents to, and not enough time to do it. He asks his crafty elves to use their ingenuity to get his sleigh Aup to speed. @ Maybe Rigel, a most unusual elf, can come to Santa=s aid. Dr. Frank Russo is a Board-certified Anesthesiologist and Acupuncturist from Boca Raton, Florida. The Sleigh is his first children=s book.

Who'll Pull Santa's Sleigh Tonight? Laura Rader, When the reindeer get bad colds, Santa Claus wonders who will be able to pull his sleigh on Christmas Eve.

The Sleigh Frank M. Russo MD, 2012-03 Santa Claus has a real dilemma. His sleigh needs to go further and faster to get around the world on Christmas Eve. You see, there are too many good little boys and girls to deliver presents to, and not enough time to do it. He asks his crafty elves to use their ingenuity to get his sleigh up to speed. Maybe Rigel, a most unusual elf, can come to Santa=s aid.

The Boy Who Stole Santa's Sleigh Ryan Cansdale,2021-09-26 On Christmas Eve, Santa heads out to deliver presents to all the good boys and girls. While delivering presents at Samantha and Ryan's house, a boy, Peter, steals Santa's sleigh. Now Santa is stranded at Samantha and Ryan's house until he can contact Mrs. Claus. Santa reports his sleigh stolen. but nobody believes him. Kids finally complain that they got coal in their presents, so the police have no choice but to investigate. The only two cops that respond to the call, set out and search for the sleigh. They find the sleigh, along with a piece of Peter's pajamas. Santa activates the honing beacon in the sleigh, and Mrs. Claus and the reindeer come and get him. They take Peter to the elf court at the North Pole, and the elves sentence him. The elves sentence ban him from Christmas for life. Peter is sorry for what he did, and tries to convince Santa to get the elves to lift the ban from him.

Flight of the Reindeer Robert Sullivan,2013-11-06 Did you know that Santa Claus returns to the North Pole 1,756 times during Christmas Eve? Or that he averages about 75 million miles over the course of 31 hours? Back in 1000 AD his sleigh was originally made of bone and ivory, but now it's entirely constructed of graphite and stainless steel, even providing a durable swivel seat! Indeed, there has never been anything quite like Flight of the Reindeer. Most, if not all writers, have approached the adored Santa Claus tale in a variety of ways, but none have tried to explore the reasons behind it. Robert Sullivan provides documentation from Santalogists, historians, zoologists, and Arctic explorers to confirm that flying reindeer are anything but a myth, and that Santa Claus does, in fact, make his trek around the globe each Christmas Eve. Glenn Wolff's insightful and profoundly detailed illustrations impeccably coincide with Sullivan's comprehensive research to provide a classic for children and their parents. A must-have for the holiday season!

Santa's Sleigh Is on Its Way to Vermont Eric James,2016-10 It's a magical Christmas Eve, and all

of the children in your town are sleeping. Well, all of the children but you! How could you possibly fall asleep when you know Santa and his sleigh are on their way?

Santa's Sleigh Is on Its Way to Colorado Eric James,2015-10 Santa can't visit until you're fast asleep, so snuggle up and read what happens on Christmas Eve when things don't go quite as planned--Page 4 of cover.

The Elf Who Wanted to Be Santa Claus Micheal Starnier,2019-12-02 Feeling unappreciated at the North Pole, three little Elves build their own sleigh and take Santa's place. Hoping to get Santa's attention, the Elves bring the magic of Christmas into many homes around the world, starting in the small city of Medicine Hat. When Santa realizes the Elves are missing he becomes very worried. Even worse, the Elves don't have enough magic to get home. Will Santa come and save the day? Every book sold, 1 dollar will go to a local cause

Santa's Sleigh Is on Its Way to San Francisco Eric James,2016-10 It's a magical Christmas Eve, and all of the children in your town are sleeping. Well, all of the children but you! How could you possibly fall asleep when you know Santa and his sleigh are on their way?

Santa's Reindeer Rod Green,2007 An essential part of the magic of Christmas, Santa would be lost without his trusty reindeer. Donner, Dancer, Prancer, Blitzen, Cupid, Dasher, Vixen, Comet and Rudolph. Carefully selected by Santa and his Sleigh Master from herds living in the frozen North, the chosen few are invited to the North Pole to undergo rigorous training. Here they are cared for by the stable elves and exercised and trained by the Sleigh Master in preparation for their ultimate task. Only once they have completed this intensive training and received their certificates are they considered for a place on the team (replacing a previous reindeer as they only work a maximum of two years before returning to their friends and family in the herd). Santa's Reindeer introduces us to

each of these very individual reindeer and follows them from their selection from the herd, through their training, special diet, living quarters, and finally to their ultimate task pulling Santa's sleigh on Christmas Eve.

Who Is Santa Claus's New Reindeer? Michael Hertz, 2011-10-14 One day a little fawn was born to Mr. and Mrs. Reindeer. As he grew older he turned out to be a most extraordinary reindeer indeed. Instead of being content to trot along the ground like the other reindeer he knew, he kept trying to leap into the sky. And when he wasn't trying to become airborne, he would gaze longingly up at the stars. The little fellow didn't know why he was so different from everyone else until one Christmas Eve when he suddenly had a vision of Santa Claus streaking across the sky in his reindeer-driven sleigh. All at once he knew. He wanted become one of Santa Claus's reindeer! And so he sets off in search of the North Pole and who knows what adventures. For all those who love that familiar figure, Rudolph the Red Nosed-Reindeer, Who Is Santa Claus's New Reindeer? by children's author Michael Hertz will weave its own kind of magic, enchanting young and old alike.

Santa Claus Rod Green, 2006-10-03 Have you ever wondered how Santa's sleigh really works? Or what reindeer eat? Or just how big the North Pole's mailroom must be? Well, this Christmas all of your questions will be answered with this ultimate book of SANTA CLAUS.
