The Broken Puppet Amo Jones,2017-07-25 I thought I knew who I was, but I was wrong. The Silver Swan - 1. A girl who is tarnished. Tainted. One who does not fit into the confinement of legend. The Silver Swan -2. Madison Montgomery. I was lied to. I was cheated. Resigned to pick up the scraps of empty memories and disarrayed thoughts, I left. After finally cutting the strings of manipulation, I resorted to do what I've done since I was a child, something my father drilled into my brain since I could handle my first rifle. Run. I'm a mere shadow of the girl they all knew. Lies and deceit change you. They alter your entire outlook on life. I'm Madison Montgomery, and I want to play a game. Here's what happens when I win. Riddle me this, Mads. What goes bump in the night, but is something you can't see with sight? You may run, and you may hide. If by happily ever after, you mean Bonnie & Clyde.

Adobe PhotoDeluxe 4 For Dummies Julie Adair King,2000-05-17 As computer programs go, Adobe PhotoDeluxe is easy. Without exerting much energy, you can create pretty cool pictures. But this ease breaks down when you start looking closely at the quality of your digital art. That's where Adobe PhotoDeluxe 4 For Dummies comes in. This book explains the science behind the art of PhotoDeluxe so you can use the program to your fullest advantage. PhotoDeluxe 4 runs on Windows NT 4, Windows 98, and Windows 95. This book focuses on Windows 98 – if you're running Windows 95 or NT, you may find a few areas where things work differently than described, but the majority of information is absolutely the same no matter what flavor of Windows you fed your computer. Finally, if you're wondering what level of digital-imaging experience you need to understand this book, the answer is none. It's designed for those who are at the beginner or intermediate level when it comes to image editing. In simple, easy-to-read language, Adobe PhotoDeluxe 4 For Dummies helps you wrap your brain around some perplexing subjects, including: Choosing the right resolution Selecting a file format Saving and printing your masterpieces Cropping your images Correcting brightness and contrast Covering up flaws in your snapshots Beyond that, you gain the information you need to venture past the program's surface level and explore its considerable hidden talents. Almost obscured by the consumer-friendly PhotoDeluxe interface lurk some very powerful image-editing tools – the kind that you may expect to find only in professional (read: expensive) graphics software. This book shows you how to exploit these tools and even how to work around some built-in limitations to get a bit more flexibility than the program's designers likely intended. Adobe PhotoDeluxe 4 For Dummies leads you safely along the sometimes-rocky image-editing trail, gets you out of jams when necessary, and even offers you some entertainment along the way. In short, it's the perfect companion for your PhotoDeluxe journey.

A Kingdom of Flesh and Fire Jennifer L. Armentrout,2020-09-01 From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.
