Beyond Ultraman Pasadena Museum of California Art, 2007 A historic generator of American counterculture, California has become the landing site for Asian vinyl toy culture as well. Beyond Ultraman examines the vinyl art toy landscape as seen through the work of seven California artists who reflect that movement, turning art into toys and vice versa. Through originality, wit, flippancy and brilliance, each artist represented here has elevated the vinyl art toy movement and captured the attention of two audiences: the mainstream art community and the toy community. This full-color illustrated catalog documents a first-of-its-kind exhibition presented jointly by the Pasadena Museum of California Art and the Los Angeles Toy, Doll and Amusements Museum. Specific works by Gary Baseman, Tim Biskup, David Gonzales, David Horvath, Sun-Min Kim, Brian McCarty and Mark Nagata are illustrated and described within both current and historical contexts. The vinyl art toy movement is fueled by a generation of enthusiastic young collectors for whom this book is essential.

Running on Faith Jason Lester, Tim Vandehey, 2010-08-24 In 2008, Jason Lester became the first person with a disability to finish the Ultraman World Championship alongside able-bodied competitors. With the use of only three limbs, Jason competed in one of the most demanding endurance races in the world, swimming 6.2 miles, biking 261.4 miles, and running 52.4 miles to the finish line. Jason has completed over seventy triathlons, biathlons, marathons, Ironmans, and Ultramans. In 2009, he became the first male triathlete to win an ESPY Award and the fifteenth athlete in the history of Ultraman to complete both the Ultraman World Championship and Ultraman Canada in the same year. Yet Jason Lester's life as an athlete almost never happened. When a speeding car ran a red light, a bike ride to the local video store nearly became Jason's last, sending him 130 feet into the air and ultimately to the hospital with twenty broken bones. The pain was intense and long rehabilitation grueling, compounded by the sudden death of his father (his best friend and mentor) and the realization that his right arm was paralyzed. Only twelve years old and struggling to heal amid the grief, Jason miraculously found the strength to fight his way back. Without the use of his arm, he refused to give up the sports he'd grown to love, recommitting himself to life and ultimately surpassing goals that few dared to set. Running on Faith reveals how to develop the mind-set of a

true competitor and includes riveting stories of the precarious and often unforeseen conditions encountered on the race path—jellyfish-infested waters, suffocating heat, and blinding sheets of rain. With passion, dedication, and strength of purpose, Jason shares his experience facing extreme challenges head-on, gleaned insight from each trial. He offers the principles he's learned to live by in order to accomplish his goals and shows how they can be applied to the tests we all face. An inspirational guide to overcoming adversity, recognizing God's guiding hand in our lives, and achieving our dreams, *Running on Faith* is a spirited testament to the power of faith.
