### **The Dream Carriers** Derek Horsley,2009

The Dream Carrier Adam Patterson,2015-08-27 In the year 2098, a mysterious machine known as 'The Dream Carrier' unravelled proof in reincarnation lives, creating a new world. But the machine is swiftly asked for deactivation and assigned protector to the situation, Carl Blain, is targeted to be removed. Two psychic operators, Dani Le Freau and Elliot Green, required to operate the machine are also hunted for special reasons, leading to this science fiction story to blow your mind.

**The Last Lecture** Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of

overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Dream Makers Jim "The Rookie" Morris, Mark

Stuertz, 2020-06-23 Jim Morris is no stranger to big dreams. Since he was five years old, he

passionately yearned to play baseball in the major leagues. However, despite all his hard work and determination, a series of unfortunate events and injuries scuttled his career before he was twenty-five. Doctors told him he would never play again. Then at age thirty-five—after a string of highly implausible events and at an age when most players are retiring—Morris found himself on the mound as a relief pitcher for the Tampa Bay Devil Rays. His return to the game was so incredible that Disney made his story into a heartwarming film—*The Rookie*—with a stellar performance by Dennis Quaid. It was released to popular acclaim and was a huge box office success. It won the ESPY for Best Sports Movie in 2002 and the CAMIE award for Character and Morality in Entertainment. *Dream Makers* picks up where *The Rookie* left off. This compelling memoir explores the untapped territory of Morris's life, including his contentious relationship with his father, his incessant and grueling struggle with pain and addiction, the mentorship with his wise and loving grandfather who kept him grounded, and the resolve and faith that drove him to overcome every tribulation. *Dream Makers* explores the transformative power of surrounding yourself with the best, most accomplished people possible—inspiring you to overcome life's obstacles and achieve your dreams. Life can come at you fast, but with God, all things are possible. "It's not about me. It's what God can do through me."

**My Nonidentical Twin** Evie Meg - This Trippy Hippie, 2021-10-28 \*Order now to read the long-awaited debut book from the huge TikTok sensation Evie Meg | This Trippy Hippie!\* Hey guys, you might know me already from one of my social media channels where I talk about the highs and lows of living with Tourette's Syndrome. I've loved sharing those times with you and - as there are lots of things I can't fit into a 60 second video - I've decided to write a book! It's the full story of how I came to be diagnosed and how having Tourette's has changed my life. Writing it has given me an opportunity to talk about things I haven't felt ready to share before - for some reason it's easier to put down private things in written words than in a video! I talk about the many other illnesses I've been through and the dreams that it's affected - about my school days, relationships and my very lowest points - but I also talk about what I've managed to achieve in spite of all the obstacles. I hope it'll make you laugh and make you think, and empower you to realise that no matter what you're facing in life, there are always ways to deal with the challenges. It's also so important to me that people understand what life is like with a disability, so we can be compassionate towards each other. I've bared my soul in this book to hopefully help others to do this. I'm so excited (and just a little bit nervous) for you to read it! Evie Meg

*Sled Driver* Brian Shul, Sheila Kathleen

O'Grady,1991 No aircraft ever captured the curiosity & fascination of the public like the SR-71 Blackbird. Nicknamed The Sled by those few who flew it, the aircraft was shrouded in secrecy from its inception. Entering the U.S. Air Force inventory in 1966, the SR-71 was the fastest, highest flying jet aircraft in the world. Now for the first time, a Blackbird pilot shares his unique experience of what it was like to fly this legend of aviation history. Through the words & photographs of retired Major Brian Shul, we enter the world of the Sled Driver. Major Shul gives us insight on all phases of flying, including the humbling experience of simulator training, the physiological stresses of wearing a space suit for long hours, & the intensity & magic of flying 80,000 feet above the Earth's surface at 2000 miles per hour. SLED DRIVER takes the reader through riveting accounts of the rigors of initial training, the gamut of emotions experienced while flying over hostile territory, & the sheer joy of displaying the jet at some of the world's largest airshows. Illustrated with rare photographs, seen here for the first time, SLED DRIVER captures the mystique & magnificence of this most unique of all aircraft.

**My Dream Dog** Arthur Howard,2016-10-04 Arthur Howard brings humor and heart to this sweet tale about a boy and his canine best friend. A little boy knows just about everything about his beloved

dog, Scooter. He knows when Scooter is hungry and when he wants to play and when he is dreaming. But what does Scooter dream about? The boy's friends and family have all different ideas. But Grandpa may have the best idea of all.

*Uncommon Carriers* John McPhee, 2007-04-03 McPhee, in prose distinguished by its warm humor, keen insight, and rich sense of human character, looks at the people who drive trucks, captain ships, pilot towboats, drive coal trains, and carry lobsters through the air: people who work in freight transportation.

*Carrier of the Mark* Leigh Fallon, 2011-10-04 Their love was meant to be. When Megan Rosenberg moves to Ireland, everything in her life seems to fall into place. After growing up in America, she's surprised to find herself feeling at home in her new school. She connects with a group of friends, and she is instantly drawn to darkly handsome Adam DeRís. But Megan is about to discover that her feelings for Adam are tied to a fate that was sealed long ago—and that the passion and power that brought them together could be their ultimate destruction.

**Think Like a Monk** Jay Shetty, 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity - How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from

everyone you meet -Why you are not your thoughts - How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining

ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

**Do Androids Dream of Electric Sheep?** Philip K. Dick, 1975 By 2021, the Terminus War had driven mankind off-planet and entire species into extinction. Now only the rich can afford living creatures; others may buy amazingly realistic simulacra: horses, cats, sheep ... Even humans. These artificial people are so advanced it's impossible to tell them from true men and women--except for their lack of empathy. Without empathy, androids can--and do--kill their owners and blend into society, so they're illegal on Earth. It's Rick Deckard's job to find these rogues and retire them. But andys tend to fight back--with deadly results.
