

Land Raider Crusader.jpg

Rick Atkinson

The Crusades Thomas Asbridge,2010-03-30 The Crusades is an authoritative, accessible single-volume history of the brutal struggle for the Holy Land in the Middle Ages. Thomas Asbridge—a renowned historian who writes with “maximum vividness” (Joan Acocella, The New Yorker)—covers the years 1095 to 1291 in this big, ambitious, readable account of one of the most fascinating periods in history. From Richard the Lionheart to the mighty Saladin, from the emperors of Byzantium to the Knights Templar, Asbridge’s book is a magnificent epic of Holy War between the Christian and Islamic worlds, full of adventure, intrigue, and sweeping grandeur.

Popular Muslim Reactions to the Franks in the Levant, 1097-1291 Dr Alex Mallett,2014-02-28 The issue of Muslim reactions to the Franks has been an important part of studies of both the Crusades and Islamic History, but rarely the main focus. This book examines the reactions of the Muslims of the Levant to the arrival and presence of the Franks in the crusading period, 1097-1291, focussing on those outside the politico-military and religious elites. It provides a thematic overview of the various ways in which these 'non-elites' of Muslim society, both inside and outside of the Latin states, reacted to the Franks, arguing that it was they, as much as the more famous Muslim rulers, who were initiators of resistance to the Franks. This study challenges existing views of the Muslim reaction to the crusaders as rather slow and demonstrates that jihad against the Franks started as soon as they arrived. It further demonstrates the difference between the concepts of jihad and of Counter-Crusade, and highlights two distinct phases in the jihad against the Franks: the 'unofficial jihad' - that which occurred before uniting of religious and political classes - and the 'official jihad' - which happened after and due to this unification, and which has formed the basis of modern discussions. Finally, the study also argues that the Muslim non-elites who encountered the Franks did not always resist them, but at various times either helped or were unresisting to them, thus focussing attention away from conflict and onto cooperation. In considering Muslim reactions to the Franks in the context of wider discourses, this study also highlights aspects of the nature of Islamic society in Egypt and Syria in the medieval period, particularly the non-elite section of society, which is often ignored. The main conclusions also shed light on discourses of collaboration and resistance which are currently focussed almost exclusively on the modern period or the medieval west.

BattleTech: Embers of War Jason Schmetzer,2016-03-01 ONE WAR ENDS...AND ANOTHER BEGINS... For Ezra Payne and the Stealthy Tiger mercenaries, professionalism is everything. Hired to assist in the bitter, bloody fighting on the planet Hall, they quickly earn a decisive victory for their employer. They settle afterward in for a needed period of rebuilding, and a few months’ peace before moving on to the next contract. But their respite does not last. More mercenaries, hired by the Allied Mercenary Command itself, land on Hall. They believe the Tigers’ employer to be league with the Word of Blake, a shadowy interstellar organization that worships technology, and which has been building its own empire among the worlds around Terra. The Tigers want nothing of this battle, but war rages across the Inner Sphere. The hard-fought cease-fire cannot last, even on Hall, and when every faction is embittered and fueled by fervor, peace has no chance at all. As a new conflict erupts, will the Stealthy Tigers’ BattleMechs be enough to save them? Or will the looming threat of renewed war engulf them in its fiery embrace?

The Normans Lars Brownworth,2014-01-03 Lars Brownworth’s The Normans is like a gallop through the Middle Ages on a fast warhorse. It is rare to find an author who takes on a subject so broad and so complex, while delivering a book that is both fast-paced and readable. Bill Yenne, author of Julius Caesar: Lessons in Leadership from the Great Conqueror An evocative journey through the colourful and dangerous world of early medieval Europe Jonathan Harris, author of Byzantium and the Crusades There is much more to the Norman story than the Battle of Hastings. These descendants of the Vikings who settled in France, England, and Italy - but were not strictly French, English, or Italian - played a large role in creating the modern world. They were the success story of the Middle Ages; a footloose band of individual adventurers who transformed the face of medieval Europe. During the course of two centuries they launched a series of extraordinary conquests, carving out kingdoms from the North Sea to the North African coast. In The Normans, author Lars Brownworth follows their story, from the first shock of a Viking raid on an Irish monastery to the exile of the last Norman Prince of Antioch. In the process he brings to vivid life the Norman tapestry’s rich cast of characters: figures like Rollo the Walker, William Iron-Arm, Tancred the Monkey King, and Robert Guiscard. It presents a fascinating glimpse of a time when a group of restless adventurers had the world at their fingertips.

Midnight Rising Tony Horwitz,2011-10-25 A New York Times Notable Book for 2011 A Library Journal Top Ten Best Books of 2011 A Boston Globe Best Nonfiction Book of 2011 Bestselling author Tony Horwitz tells the electrifying tale of the daring insurrection that put America on the path to bloody war Plotted in secret, launched in the dark, John Brown's raid on Harpers Ferry was a pivotal moment in U.S. history. But few Americans know the true story of the men and women who launched a desperate strike at the slaveholding South. Now, Midnight Rising portrays Brown's uprising in vivid color, revealing a country on the brink of explosive conflict. Brown, the descendant of New England Puritans, saw slavery as a sin against America's founding principles. Unlike most abolitionists, he was willing to take up arms, and in 1859 he prepared for battle at a hideout in Maryland, joined by his teenage daughter, three of his sons, and a guerrilla band that included former slaves and a dashing spy. On October 17, the raiders seized Harpers Ferry, stunning the nation and prompting a counterattack led by Robert E. Lee. After Brown's capture, his defiant eloquence galvanized the North and appalled the South, which considered Brown a terrorist. The raid also helped elect Abraham Lincoln, who later began to fulfill Brown's dream with the Emancipation Proclamation, a measure he called a John Brown raid, on a gigantic scale. Tony Horwitz's riveting book travels antebellum America to deliver both a taut historical drama and a telling portrait of a nation divided—a time that still resonates in ours.

The Age of Darkness Christian Dunn,2011-04-26 A new anthology of short stories delving into the secret history of the Horus Heresy. After the betrayal at Isstvan, Horus begins his campaign against the Emperor, a galaxy-wide war that can lead only to Terra. But the road to the final confrontation between father and son is a long one - seven years filled with secrecy and silence, plans and foundations being formed across distant stars. An unknown history is about to be unveiled as light is shed on the darkest years of the Horus Heresy, and revelations will surface that will shake the Imperium to its very foundation...

AD Skyraider Units of the Korean War Rick Burgess,Warren Thompson,2016-02-25 The Douglas AD Skyraider is considered the most effective naval aircraft of the Korean War despite the emergence of new jet fighters that captured public imagination. Built to replace the World War 2 workhorses like the Dauntless, Helldiver and Avenger diveand torpedo-bombers, the Skyraider operated numerous combat missions from carrier decks and from US Marine Corps land bases throughout the conflict. Drawing from personal interviews with AD pilots, the authors paint a harrowing picture of the deadly combat of this often forgotten air war as pilots took on Chinese and North Korean forces during daring night attacks and whilst outnumbered in daytime attacks.

The Crusader’s Cross (Ben Hope, Book 24) Scott Mariani,2021-11-25 The gripping new Ben Hope thriller from the Sunday Times bestseller. THEY THOUGHT HE WAS AN EASY TARGET. THEY THOUGHT WRONG.

US Navy F-4 Phantom II MiG Killers 1972-73 Brad Elward,Peter E. Davies,2012-11-20 The second of two books on the Navy's Phantom II MiG killers of the Vietnam War, this book covers the numerous actions fought out over North Vietnam during the Linebacker I and II operations of 1972-73. No fewer than 17 MiGs were downed during this period, five of them by the Navy's sole aces of the conflict, Lts Randy Cunningham and Willie Driscoll of VF-96. Drawing on primary sources such as surviving Phantom II aircrew and official navy documentation, the author has assembled the most precise appraisal of fighter operations involving US Navy Phantom II units and those elusive MiGs ever seen in print.

Crusade Rick Atkinson,1993 Integrating interviews with individuals ranging from senior policymakers to frontline soldiers, a look at the Persian Gulf War shows how the conflict transformed modern warfare.

Tyrant of the Hollow Worlds Mark Clapham,2017-06-06 Chaos Warlord Huron Blackheart and his Red Corsairs launch a devastating conquest of the Hollow Worlds of Lastrati. The Imperium fights a constant battle to defend itself from its many enemies, but few are as deadly or as relentless as the Chaos Space Marines. Bearing a grudge that dates back 10,000 years to the Horus Heresy, these fallen angels are driven by hatred and an overwhelming desire for revenge. When Huron Blackheart leads his warband of Red Corsairs to attack the Hollow Worlds of Lastrati, the human defenders can do little to protect themselves against such powerful enemies. By the time the Space Wolves Chapter arrives, the Red Corsairs are already well entrenched. With neither side prepared to withdraw nor concede defeat, the battle spirals out of control – will the Hollow Worlds be destroyed by the forces of destruction that have been unleashed?

The Education of Little Tree Forrest Carter,2001-08-31 The Education of Little Tree tells of a boy orphaned very young, who is adopted by his Cherokee grandmother and half-Cherokee grandfather in the Appalachian mountains of Tennessee during the Great Depression. Little Tree as his grandparents call him is shown how to hunt and survive in the mountains, to respect nature in the Cherokee Way, taking only what is needed, leaving the rest for nature to run its course. Little Tree also learns the often callous ways of white businessmen and tax collectors, and how Granpa, in hilarious vignettes, scares them away from his illegal attempts to enter the cash economy. Granma teaches Little Tree the joys of reading and education. But when Little Tree is taken away by whites for schooling, we learn of the cruelty meted out to Indian children in an attempt to assimilate them and of Little Tree's perception of the Anglo world and how it differs from the Cherokee Way. A classic of its era, and an enduring book for all ages, The Education of Little Tree has now been redesigned for this twenty-fifth anniversary edition.

Killing Rommel Steven Pressfield,2008-05-06 A thrilling WWII tale based on the real-life exploits of the Long Range Desert Group, an elite British special forces unit that took on the German Afrika Korps and its legendary commander, Field Marshal Erwin Rommel, the Desert Fox. Autumn 1942. Hitler's legions have swept across Europe; France has fallen; Churchill and the English are isolated on their island. In North Africa, Rommel and his Panzers have routed the British Eighth Army and stand poised to overrun Egypt, Suez, and the oilfields of the Middle East. With the outcome of the war hanging in the balance, the British hatch a desperate plan—send a small, highly mobile, and heavily armed force behind German lines to strike the blow that will stop the Afrika Korps in its tracks. Narrated from the point of view of a young lieutenant, Killing Rommel brings to life the flair, agility, and daring of this extraordinary secret unit, the Long Range Desert Group. Stealthy and lethal as the scorpion that serves as their insignia, they live by their motto: Non Vi Sed Arte—Not by Strength, by Guile as they gather intelligence, set up ambushes, and execute raids. Killing Rommel chronicles the tactics, weaponry, and specialized skills needed for combat, under extreme desert conditions. And it captures the camaraderie of this “band of brothers” as they perform the acts of courage and cunning crucial to the Allies’ victory in North Africa. Combining scrupulous historical detail and accuracy with remarkable narrative momentum, Pressfield powerfully renders the drama and intensity of warfare, the bonds of men in close combat, and the surprising human emotions and frailties that come into play on the battlefield to create a vivid and authoritative depiction of the desert war.

Empires of the Sea Roger Crowley,2009-05-12 In 1521, Suleiman the Magnificent, Muslim ruler of the Ottoman Empire, dispatched an invasion fleet to the Christian island of Rhodes. This would prove to be the opening shot in an epic clash between rival empires and faiths for control of the Mediterranean and the center of the world. In Empires of the Sea, acclaimed historian Roger Crowley has written a thrilling account of this brutal decades-long battle between Christendom and Islam for the soul of Europe, a fast-paced tale of spiraling intensity that ranges from Istanbul to the Gates of Gibraltar. Crowley conjures up a wild cast of pirates, crusaders, and religious warriors struggling for supremacy and survival in a tale of slavery and galley warfare, desperate bravery and utter brutality. Empires of the Sea is a story of extraordinary color and incident, and provides a crucial context for our own clash of civilizations.

Warrior Brood C. S. Goto,2005 The world of Herodian IV is doomed when the nightmarish tyrannid hive fleets descend from the depths of space, intent on devouring every living thing there. In the vital hours before the planet is lost, Inquisitor Kalipsia and a team of Deathwatch Space Marines are sent on a mission to investigate a mysterious research outpost. The terrible secret they uncover could affect the fate of all humanity, but can they escape to safety before they are torn apart by the ravenous alien hordes?

Ravenwing Gav Thorpe,2013-01-01 Upon steeds of adamantium and steel, the Ravenwing of the Dark Angels bring death to the foes of the Imperium in the first book in a new trilogy from acclaimed author Gav Thorpe. The Ravenwing stand apart from the rest of the Dark Angels Chapter – these dynamic Space Marines take to the battlefield upon steeds of adamantium and steel, and swoop from the skies in lightning-fast speeders to bring death to the foes of the Imperium. Led by the heroic Master Sammael, they prosecute war where their battle-brothers cannot, and are ever at the forefront of the Dark Angels’ campaigns.

The Aerial Atlas of the Holy Land John Bowker,2008 A breathtaking flight over the great historical sites of the Holy Land with an explanation of their rich historical, biblical, and cultural significance.

You Wouldn't Want to be a Crusader! Fiona Macdonald,2017 One author's thoughts on being a crusader are played out in this visually appealing book.

Shattered Legions Laurie R. King,2018 Driven almost to the brink of self-destruction at Istvan V, the Iron Hands now seek vengeance for the murder of their primarch Ferrus Manus. Gathering survivors from the Raven Guard and the Salamanders aboard any vessels capable of warp travel, these Shattered Legions wage a new campaign of annihilation against the traitor forces across the galaxy - a campaign masterminded by legendary warleader Shadrak Meduson. This Horus Heresy anthology contains ten short stories by authors including Dan Abnett, Chris Wraight, John French and many more. Also, in the novella The Seventh Serpent, Graham McNeill revisits the ragtag crew of the starship Sisypheum as they are drawn into a war of subterfuge against the Alpha Legion.--Page [4] of cover.

Collecting the Art of G. I. Joe R. Carson Mataxis,2015-07-15 This 62 page 8x11 celebration of the painted art of G.I.Joe: A Real American Hero features every carded figure, vehicle, playset, poster and peripheral product featuring painted art released from 1982-1983. This soft cover book features 100# paper and an epic card stock AccuFoil 11x16 wraparound cover!

The Enigmatic Realm of **Land Raider Crusader.jpg**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Land Raider Crusader.jpg** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.
