Arab and Jew David K. Shipler, 2015-11-10 The expanded and updated edition of David Shipler's Pulitzer Prize-winning book that examines the relationship, past and present, between Arabs and Jews In this monumental work, extensively researched and more relevant than ever, David Shipler delves into the origins of the prejudices that exist between Jews and Arabs that have been intensified by war, terrorism, and nationalism. Focusing on the diverse cultures that exist side by side in Israel and Israeli-controlled territories, Shipler examines the process of indoctrination that begins in schools; he discusses the far-ranging effects of socioeconomic differences, historical conflicts between Islam and Judaism, attitudes about the Holocaust, and much more. And he writes of the people: the Arab woman in love with a Jew, the retired Israeli military officer, the Palestinian guerrilla, the handsome actor whose father is Arab and whose mother is Jewish. For Shipler, and for all who read this book, their stories and hundreds of others reflect not only the reality of wounded spirits but also a glimmer of hope for eventual coexistence in the Promised Land.

*Hitler's War (The War That Came Early, Book One)* Harry Turtledove, 2010-06-22 A stroke of the pen and history is changed. In 1938, British prime minister Neville Chamberlain, determined to avoid war, signed the Munich Accord, ceding part of Czechoslovakia to Hitler. But the following spring, Hitler

snatched the rest of that country, and England, after a fatal act of appeasement, was fighting a war for which it was not prepared. Now, in this thrilling alternate history, another scenario is played out: What if Chamberlain had not signed the accord? In this action-packed chronicle of the war that might have been, Harry Turtledove uses dozens of points of view to tell the story: from American marines serving in Japanese-occupied China and ragtag volunteers fighting in the Abraham Lincoln Battalion in Spain to an American woman desperately trying to escape Nazi-occupied territory—and witnessing the war from within the belly of the beast. A tale of powerful leaders and ordinary people, at once brilliantly imaginative and hugely entertaining, Hitler's War captures the beginning of a very different World War II—with a very different fate for our world today.

*Presidio of Monterey* Harold E. Raugh, 2004 The Presidio of Monterey is best known as the home of the post-World War II Defense Language Institute Foreign Language Center, the Department of Defense's acknowledged leader in foreign language training. It has, however, a much longer and rich history. After the United States seized Monterey in 1846, the U.S. Army began constructing Fort Mervine, which served a number of purposes until it was abandoned in 1866. In 1902-1903, a modern cantonment was built in the area. In 1904, the new post was officially renamed the Presidio of Monterey after a nearby Spanish fort established in 1770 that had fallen into disuse. Throughout the first half of the 20th century, the post was home to infantry and cavalry regiments, as well as an inductee reception center. The Military Intelligence Service Language School was moved to the Presidio of Monterey in 1946 and renamed the Army Language School in 1947; this evolved into the present-day Defense Language Institute Foreign Language Center.

**Jaghatai Khan** Chris Wraight,2018-07-24 As the Great Crusade burns across the stars, the primarch of the White Scars, Jaghatai Khan, must decide where his true allegiance lies. Ever since the Imperium's rediscovery of the world of Chogoris, the White Scars' culture of warrior mysticism has sat uneasily with the ideals of Unity. As the Great Crusade burns across the stars, their enigmatic primarch Jaghatai Khan fights to preserve his Legion's distinctiveness amid a galaxy where cold rationality holds sway. Despite his self-imposed isolation, others in the brotherhood of primarchs seek to draw him into the greatest ideological battle of them all: the place of psychic power within the Legions.
