But the road to the final confrontation between father and son is a long one – seven years filled with secrecy and silence, plans and foundations being formed across distant stars. One Sip at a Time Keith Van Sickle,2017-01-15 Can a two-career couple really pick up stakes and move to Provence?Keith and Val had a dream ? to live in Provence, the land of brilliant sunlight, charming hilltop villages and the deep blue waters of the Mediterranean.But there were two problems: they weren't French speakers and they had full-time jobs. So they came up with a plan?Follow their adventures (and misadventures) as they quit their jobs, become consultants and split their time between two countries. Laugh along as they build a life in Provence, slowly mastering a new language and making friends with the locals over long meals and just a bit too much wine.This light and breezy memoir is full of wry observations on France, like the power of cheese to sway elections, the right and wrong ways for men to kiss each other, and the law requiring that blood donors must speak French.If you've ever dreamed of changing gears and learning what joie de vivre is really all about, you won't want to miss this delightful book.

Tornado! Judith Bloom Fradin,Dennis B. Fradin,2011 Contains first-hand accounts of tornadoes in the United States, explains why and how tornadoes happen, and discusses ways to stay safe.

The Purging of Kadillus Gav Thorpe,2015-10-06 The Dark Angels fight to free one of their recruiting worlds from the grip of the orks. A classic Warhammer 40,000 story told anew, including the infamous tale of Sergeant Namaan's final battle. Faced with an ork invasion of Piscina IV, the 3rd Company of the Dark Angels believes the threat to be minimal. As enemy numbers continue to increase, their commander, Captain Belial, insists that

his Company are strong enough to resist. But Scout-Sergeant Naaman knows just how dangerous this foe can be, and when a renewed greenskin offensive takes the Dark Angels by surprise, the orks swarm towards Kadillus Harbour. Little do the Dark Angels know of the technological power available to the xenos, and the true scale of the threat they face. Belial, Naaman and their fellow Astartes fight a desperate siege at Kadillus, knowing that they must hold out until Imperial reinforcements arrive or the planet will be lost.

The Big Roads Earl Swift,2011-06-09 Discover the twists and turns of one of America's great infrastructure projects with this "engrossing history of the creation of the U.S. interstate system" (Los Angeles Times). It's become a part of the landscape that we take for granted, the site of rumbling eighteen-wheelers and roadside rest stops, a familiar route for commuters and vacationing families. But during the twentieth century, the interstate highway system dramatically changed the face of our nation. These interconnected roads—over 47,000 miles of them—are man-made wonders, economic pipelines, agents of sprawl, uniquely American symbols of escape and freedom, and an unrivaled public works accomplishment. Though officially named after President Dwight D. Eisenhower, this network of roadways has origins that reach all the way back to the World War I era, and *The Big Roads*—"the first thorough history of the expressway system" (The Washington Post)—tells the full story of how they came to be. From the speed demon who inspired a primitive web of dirt auto trails to the largely forgotten technocrats who planned the system years before Ike reached the White House to the city dwellers who resisted the concrete juggernaut when it bore down on their neighborhoods, this book reveals both the massive scale of this government engineering project, and the individual lives that have been transformed by it. A fast-paced history filled with fascinating detours, "the book is a road geek's treasure—and everyone who travels the highways ought to know these stories" (Kirkus Reviews).

Arnie "The Farmer" Beswick Dean Fiat,2021-02-15 Arnie "the Farmer" Beswick was called "the consummate underdog" by Hot Rod magazine. While there was good reason, there is much more to his unbelievable career. Born a third-generation farmer in the small town of Morrison, Illinois, Arnie Beswick's driving career began not behind the wheel of a straight-line terror but that of a tractor. On local dusty roads, Arnie's budding reputation grew with street cars, as the "flying farmer" was coined to describe his driving style. When drag racing began in the Midwest in the early 1950s, Arnie was one of the pioneers who campaigned Dodges and Oldsmobiles. In 1960, he purchased his first Pontiac and never looked back. At the beginning, he didn't like the "farmer" nickname, but he quickly learned to utilize the name to lull his competition into complacency. After all, what could a simple

farmer know of the world of high-performance drag racing? Throughout the 1960s, Arnie's Mr. B's Passionate Poncho, Mystery Tornado, Star of the Circuit I and II, Tameless Tiger, and Super Judge all contributed to dispel the myth that a simple farmer couldn't dominate straight-line racing. Arnie was an innovator, fierce competitor, entertainer and showman who always gave fans their money's worth at the track. He is still brand loyal--sticking with Pontiac long after production models ceased. Arnie has always been a fan favorite for this reason, and he continues to exhilarate fans at the track with his cast of potent Pontiacs.

Young Zahariel and Nemiel aspire to join the greatest of the orders, led by the example of mighty Lion El'Jonson and his vision of a peaceful and unified world. Lion El'Jonson: Lord of the First David Guymer,2020-10-27 Book 13 in The Horus Heresy Primarch Series Each primarch is an exemplary being, derived from the Emperor's own genetic stock to embody a facet of His personality. Their powers are unfathomable, but only one of them is the First. Lion El'Jonson is the paragon of what it is to be a primarch. His Legion, pre-eminent for most of their long history, typify the virtues of temperance, pride, and martial excellency that the Lion embodies. They are the Emperor's last line and final sanction. They are His Dark Angels. Now, while the Emperor gathers His mightiest sons for an assault on Ullanor Prime, the Lord of the First instead draws his Legion to the farthest reaches of the known galaxy, seeking to subdue a single rebellious world. Is this but another example of the Lion's infamous pride, or is there more afoot amidst that graveyard of empires that is the Ghoul Stars, more than the Lion will share even with his own sons?

Out of Position Kyell Gold,2010-12-01 Dev is a football player at Forester University, a small liberal arts college where he and his teammates get to strut around and have their pick of the girls on Friday nights. That's as good as it gets-until he meets Lee, a fox with a quick wit and an attractive body.Problem is, Lee's not a girl. He's a gay fox, an activist who never dreamed he'd fall for a football player. As their attraction deepens into romance, it's hard enough for them to handle each other, let alone their inquisitive friends, family, and co-workers. And if school is bad, the hyper- masculine world of professional sports that awaits Dev after graduation will be a hundred times worse.Going it alone would make everything easier. If only they could stop fighting long enough to break up.

Shadowsword Guy Haley,2017-10-17 No-holds-barred tank warfare set amid the pitiless battlefields of the Warhammer 40,000 galaxy. Arriving in the Geratomro warzone, Honoured Lieutenant Bannick and the crew of the Baneblade Cortein's Honour are assigned as close support to a company of Shadowsword Titan hunters and find themselves thrust into a deadly battle for the fate of three star systems. Hubert Platt Allen Platt,2019-05-15 Webster's Dictionary lists the term showman as a notably spectacular, dramatic, or effective performer. In the art of drag racing, Hubert Platt checked all boxes. Known as the Georgia Shaker, Platt cut his motoring teeth on the long straightaways and twisty back roads of South Carolina while bootlegging moonshine. After a run-in with the law in 1958, Platt transferred his driving skills from illegal activity to

sanctioned drag racing and began one of the most dominant runs in drag racing history until his retirement in 1977. After stints in 1957, 1938, and 1962 Chevrolets, Platt's next ride was a Z11 Impala, which carried his first Georgia Shaker moniker. Once Chevrolet pulled out of sanctioned racing, Platt found a new home with Ford for 1964 and remained there until he hung up his helmet. Some of the cars he campaigned became icons in their own right. His factory-backed and personal machines included a 1963 Z11 Impala, 1964 Thunderbolt, 1965 Falcon, 1966 Mustang Funny Car, 1967 Fairlane 427, 1968-1/2 Cobra Jet, 1969 CJ Mustang, 1970 427 SOHC Mustang, and 1970 Boss 429 Maverick. A 1986 NHRA Hall of Fame member, Platt's lasting legacy on the sport can't be denied. Whether he was launching his Falcon with the door open, conducting a Ford Drag Team seminar, or posting low E.T. at the 1967 US Nationals in his Fairlane, Platt's imprint on drag racing was all-encompassing. His son and biggest fan, Allen Platt, shares his dad's iconic career in, *Hubert Platt: Fast Fords of the Georgia Shaker!*
