

Malcador Annihilator.jpg

Guy Haley

Baneblade Guy Haley, 2017-10-17 Fast-paced, hard-hitting military fiction featuring the Baneblade battle tank Mars Triumphant. By the blessing of the Omnissiah was the Mars Triumphant born – from the forges of the Adeptus Mechanicus, the mighty Baneblade super-heavy battle tank comes to bring death and destruction to the foes of the Imperium. During a bitter war against the orks in the Kalidar system, Lieutenant Lo Bannick joins the crew of the venerable tank, and as part of the 7th Paragonian Tank Company he witnesses combat from within one of the Astra Militarum's mightiest war machines. But even as Bannick's own dark past threatens to undo him, the Mars Triumphant may have met its match in the form of a terrifying new foe.

Shadowsword Guy Haley, 2017-10-17 No-holds-barred tank warfare set amid the pitiless battlefields of the Warhammer 40,000 galaxy. Arriving in the Geratomro warzone, Honoured Lieutenant Bannick and the crew of the Baneblade Cortein's Honour are assigned as close support to a company of Shadowsword Titan hunters and find themselves thrust into a deadly battle for the fate of three star systems. New and deadly allies throw into doubt all that Bannick has been told of the Imperium, threatening not only his life, but also his soul...

The Age of Darkness Christian Dunn, 2011-04-26 A new anthology of short stories delving into the secret history of the Horus Heresy. After the betrayal at Istvan, Horus begins his campaign against the Emperor, a galaxy-wide war that can lead only to Terra. But the road to the final confrontation between father and son is a long one – seven years filled with secrecy and silence, plans and foundations being formed across distant stars.

An unknown history is about to be unveiled as light is shed on the darkest years of the Horus Heresy, and revelations will surface that will shake the Imperium to its very foundation...

Mechanicum Graham McNeill, 2018-08-28 Book nine in the New York Times bestselling series This is a reissue of 9781849708173 As the flames of treachery spread outwards through the Imperium, Horus mobilises those forces who are loyal to him, and plots to subvert or destroy those who stand against him. A battle is being fought for the heart and soul of all the Imperial forces – the Astartes, the Imperial Army, the Titan Legions and more. In this epic story, author Graham McNeill tells the story of the civil war on Mars, and the genesis of the Dark Mechanicum.

Slaves to Darkness John French, 2020-02-04 Book 51 in the global best selling Horus Heresy series. The end is nearly here.....what lies ahead? After a long and gruelling conflict, the traitors at last close upon Terra. But time is dwindling for an attack. Both Guilliman and the Lion are returning with all haste, and their armies could turn the tide. The hosts of the Warmaster must unite, for only then can they attack the Throneworld itself. While Mortarion is sent on ahead as the fleet's vanguard, it falls to Lorgar and Perturabo to marshal Fulgrim and Angron, both now elevated to daemonhood and perhaps beyond even the will of the Warmaster to command. But Horus lies wounded and as the greatest battle the galaxy has ever know looms, it is up to Maloghurst to hold his fractious Legion together and to wrench Horus himself from the edge of oblivion.

Garro: Legion of One James Swallow, 2011-04

Lion El'Jonson: Lord of the First David Guymer, 2020-10-27 Book 13 in The Horus

Heresy Primarch Series Each primarch is an exemplary being, derived from the Emperor's own genetic stock to embody a facet of His personality. Their powers are unfathomable, but only one of them is the First. Lion El'Jonson is the paragon of what it is to be a primarch. His Legion, pre-eminent for most of their long history, typify the virtues of temperance, pride, and martial excellency that the Lion embodies. They are the Emperor's last line and final sanction. They are His Dark Angels. Now, while the Emperor gathers His mightiest sons for an assault on Ullanor Prime, the Lord of the First instead draws his Legion to the farthest reaches of the known galaxy, seeking to subdue a single rebellious world. Is this but another example of the Lion's infamous pride, or is there more afoot amidst that graveyard of empires that is the Ghoul Stars, more than the Lion will share even with his own sons?

The Primarchs Christian Dunn,2012 Created in the Emperor's own image, the primarchs had long thought themselves to be princes of the universe and masters of their own destiny--they led the Space Marine Legions in glorious conquest of the galaxy, and no enemy of the Imperium could stand against them. However, even amongst this legendary brotherhood, the seeds of dissent has been sown long before the treacherous Warmaster Horus declared his grand heresy. Gathered within this anthology are four novellas focusing on some of the mightiest warriors and leaders that mankind has ever known--Fulgrim, Ferrus Manus, Lion El'Jonson and the twin primarchs Alpharious and Omegon--and the roles that they may have yet to play in war which threatens to change the face of the Imperium forever.

The Unburdened David Annandale,2016-05-10 The Battle for Calth continues in the

haunted shadows of the planet's underworld. Long considering themselves persecuted by the rest of the Imperium, the apostles of the XVIIth Legion have courted sedition, betrayal and even open heresy for decades. But for Kurtha Sedd of the Third Hand Chapter, the Word Bearers' assault on Calth has proven... troubling. Drawn into the haunted shadows of the planet's underworld, the Chaplain and his devout brethren must now put aside all other concerns and continue to wage war against the Ultramarines, no matter the ultimate cost.

Exterminatus Dan Abnett, Ian Edginton, 2016-06-28 On the world of Magnum Christi, Inquisitor Delius Alastor searches for those who would betray the Imperium to serve the twisted forces of Chaos. In the grim future of the 41st millennium, the Inquisition work to defend Humanity from the traitors, heretics, mutants and aliens who would undermine the Imperium from within. Still recovering from a deadly confrontation that left the rest of his retinue dead, Inquisitor Delius Alastor is despatched to the city of Carrion Gulf on the world of Magnum Christi. Here, working alongside the superhuman warriors of the Black Templars, he must race against time to foil the insidious plans of the Thousand Sons Chaos Space Marines and their traitor accomplices.

Sons of the Selenar Graham McNeill, 2020-04-28 A Siege of Terra novella from New York Times best selling author Graham McNeill. The Shattered Legion crew of the Sisypheum, broken and at the end of their endurance, find themselves divided; torn between following their resurrected captain on a suicidal mission or obeying orders to return to Terra and rejoin their Legion brothers. Following a series of garbled messages intercepted by the Kryptos, the divided warriors descend to the shattered surface of Luna.

Here, their bonds of loyalty, duty, as well as their devotion to one another will be tested as ancient horrors of the earliest days of genemanipulation are unleashed, and a longburied secret is revealed. A secret that will have farreaching consequences for the future course of the galaxy, no matter who eventually claims Terra.

Honour Guard Dan Abnett,2015-10-20 Book four in Black Library's longest running science-fiction series returns In disgrace after a catastrophic war, Colonel-Commissar Ibram Gaunt and the Tanith First are sent to retrieve precious artefacts from a world lost to Chaos. With enemy all around them and time against them, Gaunt's Ghosts and their allies must prevent the holy relics of Saint Sabbat from falling into their foes' hands - and as mysterious events begin to occur, Gaunt begins to suspect that the Saint herself might be aiding them from beyond the grave.

Corax Gav Thorpe,2018-04-24 The Raven Guard primarch Corax and the remnants of his once mighty Legion wage a guerrilla war to liberate worlds oppressed by the traitor forces. After Istvan, after Deliverance, the Raven Guard still endure. Their primarch Corvus Corax has rallied countless warriors to his banner, striking back at the forces of the Warmaster on every front - from the degenerate hereteks of the Mechanicum to the cruel legionaries of the Sons of Horus, none shall escape his wrath. But although Corax has managed to stall the physical corruption of his own Space Marines, what of their spirit? And what sinister end must await those who dwell forever in the darkness? The saga of the primarch Corax comes to its grim conclusion in this anthology, which collects together the novellas Soulforge, Ravenlord and Weregeld along with several short stories.

The Swords of Calth Graham McNeill,2021-03-02 Uriel Ventriss is back! The game is

set in the grim darkness of the far future, where mighty armies clash on countless war-torn worlds and Humanity stands alone, beset on all sides by the threats of the heretic, the mutant and the alien. There is no mercy. There is no respite. Prepare yourself for battle.

Ragnar Blackmane Aaron Dembski-Bowden, 2016-12-20 A brand new series of novels begins, featuring the legendary heroes of the Space Marines. Ragnar Blackmane is a legend of the Space Wolves, the youngest warrior ever to rise to command a Great Company. As he battles the forces of Abaddon the Despoiler on the war-ravaged world of Cadia, Ragnar remembers the events that brought him to this place and time, and relates two great sagas from his past, each bringing him into conflict with brother Space Marines from other Chapters, the secretive Dark Angels and savage Flesh Tearers. As these tales influence the events of the present, Ragnar comes to realise that his past actions have consequences.

Ahriman: Exile John French, 2013-07-02 A Chaos Space Marine Sorcerer seeks the power of the gods All is dust... Spurned by his former brothers and his father Magnus the Red, Ahriman is a wanderer, a sorcerer of Tzeentch whose actions condemned an entire Legion to an eternity of damnation. Once a vaunted servant of the Thousand Sons, he is now an outcast, a renegade who resides in the Eye of Terror. Ever scheming, he plots his return to power and the destruction of his enemies, an architect of fate and master of the warp.

Prospero Burns Dan Abnett, 2014-08-28 Book fifteen in the New York Times bestselling series *The Emperor is Enraged*. Primarch Magnus the Red, of the Thousand Sons Legion, has made a catastrophic mistake and endangered the safety of Terra. With

no other choice, the Emperor charges Leman Russ, Primarch of the Space Wolves, with the apprehension of his brother from the Thousand Sons' home world of Prospero. This planet of sorcerers will not be easy to overcome, but Russ and his Space Wolves are not easily deterred. With wrath in his heart, Russ is determined to bring Magnus to justice and the events that decide the fate of Prospero are set in motion.

Lord of Ruin Dan Abnett, Mike Lee, 2007 Braving untold perils and impossible odds to retrieve the five objects of power, Malus Darkblade must now return them to the ancient daemon Tz'arkan, but he is beginning to wonder if the evil creature can be trusted to honor its commitment to return his soul.

Ravenwing Gav Thorpe, 2013-01-01 Upon steeds of adamantium and steel, the Ravenwing of the Dark Angels bring death to the foes of the Imperium in the first book in a new trilogy from acclaimed author Gav Thorpe. The Ravenwing stand apart from the rest of the Dark Angels Chapter – these dynamic Space Marines take to the battlefield upon steeds of adamantium and steel, and swoop from the skies in lightning-fast speeders to bring death to the foes of the Imperium. Led by the heroic Master Sammael, they prosecute war where their battle-brothers cannot, and are ever at the forefront of the Dark Angels' campaigns.

The Unremembered Empire Dan Abnett, 2014-07 The unthinkable has happened Terra has fallen to the traitor forces of Warmaster Horus! Nothing else could explain the sudden disappearance of the Astronomican's guiding light at the heart of the Imperium, or so Robute Guilliman would believe. Ever the pragmatist, he has drawn all his forces to Ultramar and begun construction of the new empire known as Imperium Secundus. Even

with many of his primarch brothers at his side, he still faces war from without and intrigue from within with the best of intentions, were the full truth to be known it would likely damn them all as traitors for all eternity.
