The Lighthouse Keeper Cynthia Ellingsen, 2017-04-04 An Amazon Charts bestseller. Dawn Conners's parents are famous for finding historic treasures, but she has a knack for losing things--her job, her boyfriend, and now, her reputation. Thanks to a mud-slinging exposé, Dawn's late great-grandfather is assumed guilty of stealing silver from a century-old shipwreck. Hoping to clear his name, Dawn returns to Starlight Cove, her idyllic hometown on Lake Michigan, where the doomed vessel sleeps beneath the beam of a ramshackle lighthouse. Her plan: remodel and sell the lighthouse while untangling the perplexing family mystery. Neither task is easy, especially once her well-meaning parents and the quirky locals--including nautical researcher and Starlight Cove's most eligible bachelor, Kip Whittaker--get involved. Despite their attraction, Dawn is reluctant to trust Kip, or any of the close-knit townsfolk. But as she pieces together the truth, Dawn's once-shuttered heart opens up. And if she's willing, the lighthouse might guide her to a place she never expected to find, where the past entwines with a bright new beginning.

Walt Disney's Alice in Wonderland Jon Scieszka, 2016-04-12 The fantastical tale of a young girl chasing her White Rabbit has

delighted children since Lewis Carroll wrote it generations ago. Here his Wonderland shines anew viewed through the looking glasses of two incomparable artists. Mary Blair's vibrant art helped shape the look of Walt Disney's classic animated film. Her illustrations capture the essence of such memorable characters as the Queen of Hearts and the Mad Hatter with stunning immediacy. Jon Scieszka's captivating text celebrates all that is curious—and all that is nonsensical—about the world that holds Alice spellbound, from a deliciously absurd tea party to the spectacle of a kingdom of playing cards. Brimming with wit and wonder, this sparkling retelling will enchant readers from the moment Alice falls down the rabbit hole, whether or not they've made the journey before.

Creative Character Design Bryan Tillman, 2012-12-12 Create compelling, original characters using archetypes and design elements such as shadows and line with the tips and techniques found in this image-packed book. Bryan Tillman bridges the gap between the technique of drawing characters and the theory of good character design by using case studies, examples of professional art, and literary and pop culture references to teach you how to develop a character, not just draw one. The book also features Character Model Sheets that will guide you through the

creation of new and unique characters. Finally, Bryan will break down established character archetypes to show you why and how the different aspects of good character design work. The content on the book is based on Bryan's popular 2009 Comic-Con course on 'Character Design'. Learn what makes a character unique and powerful by using shapes, shadows, and form - this title includes 'character model sheets' so you can put it all together yourself, as well as case studies from established artists. It bridges the gap between the technique of drawing characters and the theory of good character design in a practical, hands-on way - learn how to use story and archetypes to develop compelling, new characters. Based on a standing-room only presentation at Comic-Con 2009 in San Diego, it features the artwork of a collection of professional artists as examples to the techniques shown in the book.

HE'S JUST NOT READY TO COMMIT--You give him the pleasure of your company (plus untold hours of prep time) and in return he's not willing to commit to anything. Mention a romantic getaway, a steady and exclusive dating policy, a long-term relationship, marriage . . . and he runs for the exit! WHAT VOUS NEED TO DO: The best defense is a good offense, which means that you must never give up trying to make him commit. Remember: Never stop being offensive. HE'S STATUS OBSESSED--It's all about the label, the fancy car, the platinum-encrusted watch, the vacation place in Gstaad, and the showy perks. WHAT VOUS NEED TO DO: Give moi his number. HE'S A NARCISSIST--This guy can usually be found at the gym defining his triceps, biceps, bicuspid, you name it. And when he's not pumping iron, he's primping in front of the mirror--tweezing, conditioning, moisturizing, and otherwise invading your personal grooming space. WHAT VOUS NEED TO DO: Ask

yourself if he's such a hunk that he's worth it. If so, get more mirrors. If not, dump him . . . but get more mirrors anyway. After all, narcissism isn't a bad thing if it's about vous.
