*Achtung-Panzer!* Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Shi'i World Farhad Daftary,Amyn Sajoo,Shainool Jiwa,2015-09-25

I.B.Tauris in association with the Institute of Ismaili Studies The world's 200 million Shi'i Muslims express their faith in a multiplicity of ways, united by reverence for the ahl al-bayt, the family of the Prophet. In embracing a pluralistic ethic, fourteen centuries of Shi'i Islam have given rise to diverse traditions and practices across varied geographic and cultural landscapes. The Shi'i World is a comprehensive work authored by leading scholars from assorted disciplines, to provide a better understanding of how Shi'i communities view themselves and articulate their teachings. The topics range from Shi'i Islam's historical and conceptual foundations, formative figures and intellectual, legal and moral traditions, to its devotional practices, art and architecture, literature, music and cinema, as well as expressions and experiences of modernity. The book thus provides a panoramic perspective of the richly textured narratives that have shaped the social and moral universe of Shi'i Muslims around the globe. This fourth volume in the Muslim Heritage Series will appeal to specialists and general readers alike, as a timely resource on the prevailing complexities not only of the 'Muslim world', but also of the dynamic Shi'i diasporas of Europe and North America.

**All-That-Is Waving in Resonance with the Vibes** Llan Starkweather,2007-08

The vibrational energies of earth harmonically support the electromagnetic force of all living things and the game we play of reality. Holographic and quantum theory affirm that the observer and the observed are one: the body is actually blinking on and off and is sensitive to the entire range of electromagnetic frequencies. While technology in the hands of a secret government, with its overt and covert hold on minds and bodies, is careening

down the telescoping aisle of time, it is accompanied by a tremendous acceleration of possible consciousness toward Knowing that the reality that we intend for ourselves is indeed tentatively located in but a few grids within the holographic infinity that Matters, the All-That-Is: by our pranic energy there manifest we yet create our own reality. This book is a piece of the ever-growing network of dissent urgently seeking a window denied by all media to a consciousness of compassion for All-That-Is. Global agony comes to dominate a book about earth and human energies.

**The Deniers** Lawrence Solomon,2010 Eminent environmentalist Solomon set out to find whether any real scientists diverged from global warming orthodoxy. This fully revised new edition features two new chapters that present fresh exposé on climate profiteers and global warming affirmers.

Easter Cracked Christine Wright,2006 Easter Cracked is a vital resource for churches hoping to make the most of the opportunities they have to reach out during Easter. Contains services, craft, drama and more to use with all-ages.

Knock Knock Bathroom Guest Book Knock Knock Knock,2013-03 Ordinary guest books too often lack humor and verve--so we invented our own. These elegant yet daringly interactive babies invite visitors to express themselves fully at the table or on the throne, with provocative prompts, doodle space, and a wry grading system. Because even though the party must end, the memories should linger. Hardcover, 112 pages; padded cover with metallic foil stamping; ribbon page marker

**Rap Tees** DJ Ross One,2015-11-03 One of the world's foremost collectors of all things hip-hop, DJ Ross One presents--for the first time ever--a much sought after collection of T-shirts in this lushly produced and detailed catalog showcasing over 500 of the genre's best. Rap Tees outshines all other rap tee collections and will be the definitive reference for generations to come. Providing not only a valuable reference and style guide to these ultra-rare shirts, Rap Tees is also a unique chronology of the history of hip-hop. Beginning with the earliest rap concert shirts from the Sugar Hill Gang and New York Fresh Fest, circa 1980-84, and spanning the next two decades, Rap Tees includes rare shirts from a wide selection of the who's-who of the business including: Public Enemy, Boogie Down Productions, Beastie Boys, Eric B and Rakim, Wu Tang Clan, Jay Z, Nas, EMPD, and many, many more. Rap Tees bookends the golden age of rap with unique street-corner memorial shirts commemorating the deaths of The Notorious B.I.G. and Tupac Shakur. Unlike typical rock n' roll shirts, hip-hop tees were often made in extremely limited quantities. The elusive concert, promotional, and bootleg tees included in this book are nearly impossible to find on the open market. Only DJ Ross One could track down these gems for you in this one-of-a-kind book, making Rap Tees the consummate guide for these unique pieces of music history.

**Ludell** Brenda Wilkinson,2014-10-14 A National Book Award nominee in 1975, Ludell is the first book in a ground-breaking trilogy about a young African American girl growing up during the 1950s in a small Georgia town. Ludell

Wilson is a bookworm and burgeoning writer who adores her best friend Ruthie Mae, her loving - but strict! - grandmother and, of course, the new shoes and television her mom sent from New York.
