**Wreck This Picture Book** Keri Smith, 2020-11-03  
An Indie Next List Selection  
Keri Smith, creator of the mega-bestselling *Wreck This Journal*, now brings her imagination and inspiration to children with this picture book that

explores the very active experience of reading. What if there were a book that changed every time you read it? Actually, every book does this. We are all part of the books we read, because our individual reactions, ideas, and emotions make the book whole, and these things are changing all the time. Keri Smith has helped millions of people free their creativity and find their own voice with her interactive books, and now she brings that sensibility to children and to the act of reading. This picture book is an invitation to honor your own vision and to welcome imperfection. Kids will discover that reading can engage all five senses, and that what they themselves bring to a book is an important contribution. (And of course they'll be invited to do a bit of harmless wrecking!)

The Water Princess Susan Verde, Georgie Badiel, 2016-09-13 Based on supermodel Georgie Badiel's childhood, a young girl dreams of bringing clean drinking water to her African village. With its wide sky and warm earth, Princess Gie Gie's kingdom is a beautiful land. But clean drinking water is scarce in her small African village. And try as she might, Gie Gie cannot bring the water closer; she cannot make it run clearer. Every morning, she rises before the sun to make the long journey to the well. Instead of a crown, she wears a heavy pot on her head to collect the water. After the voyage home, after boiling the water to drink and clean with, Gie Gie thinks of the trip that tomorrow will bring. And she dreams. She dreams of a day when her village will have cool, crystal-clear water of its own. Inspired by

the childhood of African-born model Georgie Badiel, acclaimed author Susan Verde and award-winning author/illustrator Peter H. Reynolds have come together to tell this moving story. As a child in Burkina Faso, Georgie and the other girls in her village had to walk for miles each day to collect water. This vibrant, engaging picture book sheds light on this struggle that continues all over the world today, instilling hope for a future when all children will have access to clean drinking water.

Rayce is a wanted man and dangerously charismatic. He's the worst person for Rose to get involved with, no matter what his smile promises. Assuming the hostage-taking is part of the emperor's plot to crush the rebellion, he decides to take Rose as his hostage instead. Now Rose must prove where her loyalties lie, so she offers Rayce a deal—if he helps her rescue the other girls, she'll tell him all the Garden's secrets. Well, almost all.
