David Orme

On the Trail of the Space Pirates Carey

Rockwell,2014-04-11 Carey Rockwell is the pseudonym used for the author of the Tom Corbet Space Cadet series of books written for young boys. This 1950's series included books, comic strips, coloring books and television shows. The Tom Corbett space series consists of eight books, which may have been based on the novel Space Cadet by Robert Heinlein. The series follows the adventures of Tom and his friend Roger as they train to be members of the Solar Guard. The stories center around the academy, the bunkroom and their training ship Polaris. Their adventures take them to alien worlds in our solar system and beyond.

Space Pirates David Orme,2004-01-02 It was quiet on the bridge of the Nightstar... until the warning lights went off! Stranded in the Ghost Nebula, the crew discover an evil plot. Can they escape the clutches of the pirates and foil their plans? This stimulating and fast-paced set of ten books is designed especially to appeal to reluctant and struggling readers. From sprinting to space to technology, we are confident that there is a topic in this series to appeal to all tastes. Packed full of exciting stories as well as some dynamic non-fiction, this series makes reading a less daunting experience for those who are usually unwilling or struggle with the activity.

Space Boy and the Space Pirate Dian Curtis Regan,2016 Niko and his crew embark on an intergalactic adventure to the Planet Zorg, where Niko's cousin Sasha is being held captive by a space pirate (who is actually Niko's sister, Posh!). But when Niko and his crew charge in to the rescue, the girls do the unthinkable by capturing his ship and leaving him stranded far from Planet Home. Using his characteristic ingenuity and wit, Niko manages to take back control of his spaceship and his story.

Commander Toad and the Space Pirates Jane Yolen,1997 For use in schools and libraries only. When Commander Salamander and his band of pirates capture the Star Warts spaceship,

Commander Toad is forced to hop the plank.
