Connoting excellence and devotion to one’s craft, this title is reserved for those who approach their work with an artistic eye and seemingly spiritual sense of purpose, or ikigai.

The Language of Food: A Linguist Reads the Menu Dan Jurafsky, 2014-09-15 A 2015 James Beard Award Finalist: Eye-opening, insightful, and huge fun to read. —Bee Wilson, author of *Consider the Fork* Why do we eat toast for breakfast, and then toast to good health at dinner? What does the turkey we eat on Thanksgiving have to do with the country on the eastern Mediterranean? Can you figure out how much your dinner will cost by counting the words on the menu? In *The Language of Food*, Stanford University professor and MacArthur Fellow Dan Jurafsky peels away the mysteries from the foods we think we know.

Thirteen chapters evoke the joy and discovery of reading a menu dotted with the sharp-eyed annotations of a linguist. Jurafsky points out the subtle meanings hidden in filler words like rich and crispy, zeroes in on the metaphors and storytelling tropes we rely on in restaurant reviews, and charts a microuniverse of marketing language on the back of a bag of potato chips. The fascinating journey through *The Language of Food* uncovers a global atlas of culinary influences. With Jurafsky's insight, words like ketchup, macaron, and even salad become living fossils that contain the patterns of early global exploration that predate our modern fusion-filled world. From ancient recipes preserved in Sumerian song lyrics to colonial shipping routes that first connected East and West, Jurafsky paints a vibrant portrait of how our foods developed. A surprising history of culinary exchange—a sharing of ideas and culture as much as ingredients and flavors—lies just beneath the surface of our daily snacks, soups, and suppers. Engaging and informed, Jurafsky's unique study illuminates an extraordinary network of language, history, and food. The menu is yours to enjoy.

Saltbox Seafood Joint Cookbook Ricky Moore, 2019-08-19

Ricky Moore was born and reared in the North Carolina coastal town of New Bern, where catching and eating fresh fish and shellfish is what people do. Today, Moore is one of the most widely admired chefs to come out of the region. In this cookbook, he tells the story of how he started his wildly popular Saltbox Seafood Joint® restaurants and food truck in Durham, North Carolina.

Moore, a formally trained chef, was led by a culinary epiphany in the famous wet markets of Singapore to start a restaurant focused purely on the food inspired by the Carolina coast and its traditional roadside fish shacks and camps. Saltbox Seafood Joint's success is a testament to Moore's devotion to selecting the freshest seasonal ingredients every day and preparing them perfectly. In sixty recipes that celebrate his coastal culinary heritage, Moore instructs cooks how to prepare Saltbox Seafood Joint dishes. This cookbook, written with K. C. Hysmith, explains how to pan-fry and deep-fry, grill and smoke, and cook up soups, chowders, stews, and grits and seafood. Moore has taken pity on us and even included the recipe for his famous Hush-Honeys®, an especially addictive hushpuppy. Charts and illustrations in the book explain the featured types, availability, and cuts of fish and shellfish used in the recipes.
