Castle of Water Dane Huckelbridge,2017-04-04 A unique, inventive exploration of love, loss, and survival. —Kristin Hannah, #1 New York Times bestselling author of *The Nightingale* A moving, harrowing, and downright literary novel. —Michelle Gable, New York Times bestselling author of *A Paris Apartment* Brilliant, clever, riveting—pick your adjective, they all apply. —Thomas Christopher Greene, bestselling author of *The Headmaster's Wife* Two very different people, one very small island. For Sophie Ducel, her honeymoon in French Polynesia was intended as a celebration of life. The proud owner of a thriving Parisian architecture firm, co-founded with her brilliant new husband, Sophie had much to look forward to—including a visit to the island home of her favorite singer, Jacques Brel. For Barry Bleecker, the same trip was meant to mark a new beginning. Turning away from his dreary existence in Manhattan finance, Barry had set his sights on fine art, seeking creative inspiration on the other side of the world—just like his idol, Paul Gauguin. But when their small plane is downed in the middle of the South Pacific, the sole survivors of the wreck are left with one common goal: to survive. Stranded hundreds of miles from civilization, on an island the size of a large city block, the two castaways must reconcile their differences and learn to draw on one another's strengths if they are to have any hope of making it home. Told in mesmerizing prose, with charm and rhythm entirely its own, Dane Huckelbridge's *Castle of Water* is more than just a reimagining of the classic castaway story. It is a stirring reflection on love's restorative potential, as well as a poignant reminder that home—be it a flat in Paris, a New York apartment, or a desolate atoll a world away—is where the heart is.

Tuck Everlasting Natalie Babbitt,2015-01-20 Critically acclaimed when it was first published, Natalie Babbitt's *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* decades later. Now a major motion film available on streaming, featuring stars Alexis Bledel, Ben Kingsley, and Sissy Spacek! What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. This title has Common Core connections.

Architecture and Justice Jonathan Simon,2016-04-15 Bringing together leading scholars in the fields of criminology, international law, philosophy and architectural history and theory, this book examines the interrelationships between architecture and justice, highlighting the provocative and curiously ambiguous juncture between the two. Illustrated by a range of disparate and diverse case studies, it draws out the formal language of justice, and extends the effects that architecture has on both the place of, and the individuals subject to, justice. With its multi-disciplinary perspective, the study serves as a platform on which to debate the relationships between the ceremonial, legalistic, administrative and penal aspects of justice, and the spaces that constitute their settings. The structure of the book develops from the particular to the universal, from local situations to the larger city, and thereby examines the role that architecture and urban space play in the deliberations of justice. At the same time, contributors to the volume remind us of the potential impact the built environment can have in undermining the proper juridical processes of a socio-political system. Hence, the book provides both wise counsel and warnings of the role of public/civic space in affirming our sense of a just or unjust society.

Bannerman Castle Thom Johnson,Barbara H. Gottlock,2006 For generations, boaters and train passengers have been mystified and intrigued by the sight of a castlelike structure looming in the Hudson River, near Fishkill. Bannerman Castle unveils the history of this site: an island arsenal, built to resemble a Scottish castle. The story begins in 1900, when Francis Bannerman VI purchased the island--officially Pollepel but later called Bannerman's Island--for storing used military goods purchased from the government. A native of Scotland, Bannerman designed his arsenal to resemble a Scottish castle.
