The DeLorean Story Nick Sutton,2013-03-01 This is the inside story of the DeLorean saga written by a senior manager who worked with the company from beginning to end and saw it all. The short life of the DeLorean DMC-12 sports car - a vision of the future with its gullwing doors and stainless steel body - began after John DeLorean secured financial backing from the British government for his car-making venture in Northern Ireland. Four years and nearly 9,000 cars later the company went bust and DeLorean faced questions about fraud against the British taxpayer, and his big ally, Colin Chapman of Lotus, also drew scrutiny. As an insider's account, this book contains a great deal of new information about the DeLorean scandal.

*Grand Delusions* Hillel Levin,2018-07-02 With a new AFTERWORD about the extreme measures DeLorean took to stop this book--as first revealed in the 2018 documentary, FRAMING JOHN DE LOREAN... WHEN IN OCTOBER 1982 THE FLAMBOYANT AUTO EXECUTIVE JOHN DELOREAN was arrested for possession of over sixteen million dollars' worth of cocaine, the world was aghast and fascinated. FEW STARS HAD SHONE MORE BRIGHTLY THAN HIS: he was an A student who didn't need to crack a book, a brilliant engineer renowned for saving Pontiac, a visionary entrepreneur who shot to the top of GM and then left it behind, a reputedHollywood swinger, and a charismatic millionaire who seemed to care about the little people who worked for him. But there was a darker side to the DeLorean story, a side that more and more clouded his life until he was forced into what most believe was a last desperate attempt to save the two-year-old auto factory in Northern Ireland and its startling gull-winged stainless steel cars.FROM THE SHATTERED FRAGMENTS OF DELOREAN'S ACTS AND DREAMS, investigative journalist Hillel Levin--who began to look closely at the truth behind the image a year before anyone else did--has pieced together a fascinating picture of the man behind this contemporary myth. From the beginning, DeLorean's flight was fueled by a remarkable talent for financial legerdemain and corporate intrigue. Through meticulous research and interviews with the players in DeLorean's inner circle, Levin tracks the court cases and the lawsuits that accompanied his ascent, disentangles his convoluted and bizarre business schemes, explores the labyrinth of holding companies and paper corporations that channeled huge sums of other people's money into his personal control, and reconstructs the saga of the gull-winged car that, until the last, De Lorean believed would rise, Phoenix-like, from the ashes.AUTHORITATIVELY RESEARCHED FROM DETROIT TO BELFAST, packed with new information, GRAND DELUSIONS is a riveting, uniquely American story, and a cautionary tale of genius misapplied in the service of a runaway ego.

Dream Maker Ivan Fallon,1983 This is the story of a man who created his own strange version of the American dream - and was ultimately ruined by it. John Zachard DeLorean is one of the most fascinating figures ever to enter the fast tracks of big money and international celebrity. With nothing more than his own forceful personality, DeLorean created a business empire that, at its zenth, controlled \$500 million of other people's money - then threw it all away.

*DeLorean* Matt Stone,2024-09-17 Glory, scandal, downfall, fame, and rebirth—discover the dramatic story of the rebel auto industry titan behind the stainless-steel-bodied, gull-winged sports car we all know and love from Back to the Future. The tale you thought you knew: DeLorean recounts the life and career of John Z. DeLorean, from his successful career with General Motors, where he was instrumental in launching the Pontiac GTO and jump-starting the '60s muscle car phenomenon, to the founding in 1975 of the DeLorean Motor Company and its 1981 launch of the now-iconic sports car bearing his name. Although a decidedly American car and company, the DeLorean story blends an interesting cocktail of Italian design, British financial backing, and a built-from-the-ground-up factory in politically fraught Belfast. The story turns, beginning in 1982, as DeLorean is entrapped in a drug sting and the company goes into bankruptcy. Though John DeLorean was acquitted ultimately, the original DMC was done all too soon. After the Los Angeles drug-trafficking trial, John DeLorean worked tirelessly, for the rest of his life, to revive his car, his name, and his company—unfortunately with limited success. Unexpectedly, the DeLorean car gained a new following based on its starring role in the 1985 movie hit Back to the Future(and its two sequels). Since DMC's bankruptcy in 1982, several entities have continued efforts to revive the brand for modern times, today's marketplace, and new audiences. Rather than consignment to the dustbin of automotive history, the DeLorean has achieved pop-culture status and remains well recognized, with growing appreciation today. Dispelling common misconceptions about DMC, DeLorean gives you the complete story in one handsomely designed volume illustrated throughout with historic images, period ads, and contemporary photos. Whether you are a car enthusiast, automotive historian, or a pop-culture fan, you are sure to enjoy the ride.

**Hard Driving** William F. Haddad,1986

Gull Glenn Patterson,2016-01-14 It was one of the most bizarre episodes in the history of the Troubles in Northern Ireland: the construction, during the war's most savage phase, of a factory in West Belfast to make a luxury sports car with gull-wing doors. Huge subsidies were provided by the British government. The first car

rolled off the line during the appalling hunger strikes of 1981. The prime mover and central character of this intelligent, witty and moving novel was John DeLorean, brilliant engineer, charismatic entrepreneur and world-class conman. He comes to energetic, seductive life through the eyes of his fixer in Belfast, a traumatised Vietnam veteran, and of a woman who takes a job in the factory against the wishes of her husband. Each of them has secrets and desires they dare not share with anyone they know. A great American hustler brought to vivid life in the most unlikely setting imaginable.
