

Delorean.jpg9d7bd4

Ian Falloon

DeLorean Andrew Withers,Chris Parnham,2015-01 This work has been compiled as a tribute to the DMC-12 sports car and the people and events that made it possible. It details the history from initial design phase to production and finally the demise and factory closure in 1982.

DeLorean John Z. De Lorean,Ted Schwarz,1985 The story of John De Lorean, former executive at General Motors and founder of the now defunct Delorean Motor Company, or DMC. Also describes his arrest and subsequent trial for cocaine possession.

The DeLorean Story Nick Sutton,2013-03-01 This is the inside story of the DeLorean saga written by a senior manager who worked with the company from beginning to end and saw it all. The short life of the DeLorean DMC-12 sports car - a vision of the future with its gullwing doors and stainless steel body - began after John DeLorean secured financial backing from the British government for his car-making venture in Northern Ireland. Four years and nearly 9,000 cars later the company went bust and DeLorean faced questions about fraud against the British taxpayer, and his big ally, Colin Chapman of Lotus, also drew scrutiny. As an insider's account, this book contains a great deal of new information about the DeLorean scandal.

Delorean, the Rise and Fall of a Dream-maker Ivan Fallon,James Srodes,1983
Dream Maker Ivan Fallon,1983 This is the story of a man who created his own strange version of the American dream - and was ultimately ruined by it. John Zachard DeLorean is one of the most fascinating figures ever to enter the fast tracks of big money and international celebrity. With nothing more than his own forceful personality, DeLorean created a business empire that, at its zenth, controlled \$500 million of other people's money - then threw it all away.

The Illustrated Buyer's Guide to Delorean Automobiles William T. Collins, Jr.,James Espey,2012-06-16 Many people, when shopping for a DeLorean, live in an area where the one they are considering may be the only one available for miles around. This means they often have nothing to compare it against, unlike more common collector vehicles. This book serves as a reference as to what is right, what is wrong, what to snap up and what to run away from.

The Illustrated Buyer's Guide to Delorean Automobiles Tony Ierardi,Phil Peters,Dave Swingle,Gary Weaver,William T. Collins, Jr.,Kevin Abato,2014-10-01 Update Second Edition -Many people, when shopping for a DeLorean, live in an area where the one they are considering may be the only one available for miles around. This means they often have nothing to compare it against, unlike more common collector vehicles. This book serves as a reference as to what is right, what is wrong, what to snap up and what to run away from.

De Lorean John Lamm,1983

DeLorean Matt Stone,2024-09-17 Glory, scandal, downfall, fame, and rebirth—discover the dramatic story of the rebel auto industry titan behind the stainless-steel-bodied, gull-winged sports car we all know and love from *Back to the Future*. The tale you thought you knew: DeLorean recounts the life and career of John Z. DeLorean, from his successful career with General Motors, where he was instrumental in launching the Pontiac GTO and jump-starting the '60s muscle car phenomenon, to the founding in 1975 of the DeLorean Motor Company and its 1981 launch of the now-iconic sports car bearing his name. Although a decidedly American car and company, the DeLorean story blends an interesting cocktail of Italian design, British financial backing, and a built-from-the-ground-up factory in politically fraught Belfast. The story turns, beginning in 1982, as DeLorean is entrapped in a

drug sting and the company goes into bankruptcy. Though John DeLorean was acquitted ultimately, the original DMC was done all too soon. After the Los Angeles drug-trafficking trial, John DeLorean worked tirelessly, for the rest of his life, to revive his car, his name, and his company—unfortunately with limited success. Unexpectedly, the DeLorean car gained a new following based on its starring role in the 1985 movie hit *Back to the Future* (and its two sequels). Since DMC's bankruptcy in 1982, several entities have continued efforts to revive the brand for modern times, today's marketplace, and new audiences. Rather than consignment to the dustbin of automotive history, the DeLorean has achieved pop-culture status and remains well recognized, with growing appreciation today. Dispelling common misconceptions about DMC, DeLorean gives you the complete story in one handsomely designed volume illustrated throughout with historic images, period ads, and contemporary photos. Whether you are a car enthusiast, automotive historian, or a pop-culture fan, you are sure to enjoy the ride.

On a Clear Day You Can See General Motors John Z. De Lorean, J. Patrick Wright, 1980 An interesting account of how one of the most important corporations in America was really managed in the 1970s.

DeLorean DMC-12 1981 to 1983 Chris Williams, 2018-05-29 Stop! Don't buy a DeLorean DMC-12 without buying this book first! Packed with good advice from running costs, paperwork, vital statistics and valuation, to information on the DeLorean community, this is the complete guide to choosing, assessing and buying the DeLorean of your dreams.

DeLorean James Buchanan III,

Back to the Future: DeLorean Time Machine Bob Gale, Joe Walser, 2021-03-30 Discover the secrets of Doc Brown's time-traveling DeLorean with the first-ever under-the-hood user's manual featuring never-before-seen schematics and cutaways of cinema's most iconic car. One of the best-loved movie sagas of all time, the *Back to the Future* trilogy has left an indelible impact on popular culture. *Back to the Future: DeLorean Time Machine: Owner's Workshop Manual* delves into the secrets of the unique vehicle that transports Marty McFly and Doc Brown through time, including both the original version of the car and the updated flying model. From the DeLorean's unmistakable gull-wing doors to Doc's cutting-edge modifications, including the Flux Capacitor and Mr. Fusion, this manual offers unprecedented insight into the car's inner workings. Filled with exclusive illustrations and never-before-disclosed information, *Back to the Future: DeLorean Time Machine: Owner's Workshop Manual* is the perfect gift for the trilogy's legion of fans.

GTO Darwin Holmstrom, David Newhardt, 2011-01-15 In 1963 Pontiac's Chief Engineer John DeLorean and his two favorite staff engineers, Bill Collins and Russ Gee, came up with an inspired way to keep Pontiac cars in the performance limelight: bolt a big engine into Pontiac's upcoming Tempest intermediate body. Thus was the GTO born. Through cunning, resourcefulness, and outright trickery the minds of Pontiac managed to get this rocket into dealerships and out onto America's highways, and to introduce that most iconic of American automobiles, the muscle car, to the nation's most discriminating drivers. This is the story of the GTO, of the people who made it a reality and a sales sensation, of those who owned and loved the cars. With color photographs, drawings, and detailed stats, this book is not so much the story of a historic car as an illustrated biography of American muscle. *DIVSee Motorbooks* author David Newhardt interviewed by Jay Leno on [JayLenosGarage.com](http://www.jaylenosgarage.com):

<http://www.jaylenosgarage.com/video/jays-book-club-david-newhardt/1174466//div>

The DeLorean Motor Company Pat Dwyer, 2020-12-11 THIS BOOK CHRONICLES THE 'RISE' AND 'FALL' OF THE DELOREAN CAR. IT IS QUITE A STORY AND IT COVERS THE 'MAVERICK' LIKE CAREER OF JOHN DELOREAN.
