**How the Reindeer Got Their Antlers** Geraldine

McCaughrean,2001 The reindeer think they look so ugly with their knobbly antlers, they hide themselves away in the cold lonely North - away from the stares and laughter of the other animals, away from the glaring sunlight. Then, one winter day, Father Christmas needs help to pull his heavy sleigh. Of all the animals in the world, only the shy reindeer step forward. In return Father Christmas gives them a very special, magical gift the gift of flight on Christmas Eve. A wonderful Christmas story from Geraldine McCaughrean with stunning artwork from new illustrator Heather Holland.

**Rudolph the Red-Nosed Reindeer** Robert L. May,2011-11-01 Fans of the greatest reindeer of all will have a double helping of Christmas

fun with this collection, which includes the title story plus Rudolph Shines Again. Near and dear to so many hearts, this is the story, the original story, of Rudolph the Red-Nosed Reindeer, written by Robert L. May in 1939. Rudolph, loveable and generous, humble and good, embodies the spirit of Christmas, and reminds us of the magical possibilities that exist within us all. In the companion story, Rudolph Shines Again, Rudolph loses his light and is certain he is of no use to Santa now; he decides to go far away, where no one knows how bright his nose used to be. But on his journey, something magical happens. As enchanting as the original story, Robert L. May's uplifting sequel to his classic tale Rudolph the Red-Nosed Reindeer is a joyous celebration of the spirit of Christmas. Also included in the audio is a selection of holiday songs for kids to help you ring in the season: Jingle Bells, Up on the Housetop, Deck the Halls, Over the River and through the Woods, We Wish You a Merry Christmas, and O, Christmas Tree.

A sweet Christmas picture book for fans of *When Santa Was a Baby* and *Dasher*. Santa and his reindeer are getting ready for Christmas, but Tiny Reindeer is too small to join in! Santa knows that a nudge in the right direction could change Tiny's life forever. When Tiny discovers a letter from a bereft

But will he have the courage to take a (literal) leap into the unknown? And what can Santa do to help? This picture book is a sweet, funny and heartfelt look at being different and feeling too small to matter, and reassures readers that even the smallest gift -- whether it's a tiny reindeer or a seemingly small opportunity to help -- can bring lots of joy.
