1Q84 Haruki Murakami,2011-10-25 The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984. Aomame is riding in a taxi on the expressway, in a hurry to carry out an assignment. Her work is not the kind that can be discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?

Hiroshima John Hersey,2020-06-23 Hiroshima is the story of six people—a clerk, a widowed seamstress, a physician, a Methodist

minister, a young surgeon, and a German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize–winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

Stitching Stolen Lives Sara Trail, Teresa Duryea Wong, 2021-09-25
Remembering those we've lost and empowering those of the future
Stitching Stolen Lives is an in-depth look at the mission and work of the Social Justice Sewing Academy Remembrance Project. Together, we remember the lives lost due to social injustices, with an in-depth sharing of their story. The SJSA compiled extraordinary portrait art quilts that memorialize the individuals and say their names, over and over. SJSA also works with young adults and teens to help find their voice through the art of fabric and quilting, shown through student gallery photography. By working with SJSA, students learn how to cut fabric and make quilt blocks, and along the way, find the strength to express the systemic problems that plague their everyday life through their artwork. This book shares stories and insight into the lives lost and the long-overlooked, heartrending truths shared by teens and young adults. Personal stories of individuals and their families whose lives have been cut short due to social injustices
Includes thought-provoking art quilt blocks representing those whose lives were stolen
Young adults and teens find their voices through fabric and transform those messages into quilts
Featuring forewords by Hillary Rodham Clinton and Reverend Jesse L. Jackson, Sr

Patina Living Brooke Giannetti, Steve Giannetti, 2019-06-04 The husband and wife design team takes readers on a guided tour of their elegant farm residence in Ojai, CA—a home full of Patina Style inspiration. Brooke and Steve Giannetti offer an intimate look at their life on Patina Farm, the home they designed with an interplay of rustic and modern European charm. Beyond the gorgeously appointed farmhouse, the Giannettis lead readers through the sheds, outbuildings and gardens where they entertain and enjoy their miniature goats, sheep and donkeys, the chickens and ducks, and dogs. The entire residence is brimming with inspiration for a beautiful life in the popular Patina Style. “We decided to write this book to share why we decided to create this life and what we have learned along the way. We share how we decided where to live, how to design and lay out our property and how to think about the individual spaces. One of the main nuggets of wisdom that we have learned is that there is not only one way to live this life. The idea of this book is to give you some options.”

Multiethnic Japan John Lie, 2009-07 Multiethnic Japan challenges the received view of Japanese society as ethnically homogeneous. Employing a wide array of arguments and evidence--historical and comparative, interviews and observations, high literature and popular culture--John Lie recasts modern Japan as a thoroughly multiethnic society. Lie casts light on a wide range of minority groups in modern Japanese society, including the Ainu, Burakumin (descendants of premodern outcasts), Chinese, Koreans, and Okinawans. In so doing, he depicts the trajectory of modern Japanese identity. Surprisingly,

Lie argues that the belief in a monoethnic Japan is a post-World War II phenomenon, and he explores the formation of the monoethnic ideology. He also makes a general argument about the nature of national identity, delving into the mechanisms of social classification, signification, and identification.

Relief by Execution Gint Aras,2019-10-08 Between the years of 1996-1999, Gint Aras lived a hapless bohemian's life in Linz, Austria. Decades later, a random conversation with a Polish immigrant in a Chicago coffeehouse provokes a question: why didn't Aras ever visit Mauthausen, or any of the other holocaust sites close to his former home? The answer compels him to visit the concentration camp in the winter of 2017, bringing with him the baggage of a childhood shaped by his family of Lithuanian WWII refugees. The result is this meditative inquiry, at once lyrical and piercing, on the nature of ethnic identity, the constructs of race and nation, and the lasting consequences of collective trauma.
