Madlove Cooking with Chef Joe Arvin ,2012-12-31 How can I describe Chef Joseph's creations? It is difficult to separate the man from his art. For you to grasp the essence of Joe's flavor, you have to understand his profile. For in the heart of these pages is Joe himself. Let me illustrate. Joe and I were standing on High Bridge, in Kentucky, one day. It takes a rock seven seconds to hit the river below. Instead of dropping one, Joe threw a rock as far as he could. Unfortunately, his wristwatch decided to fly through the air as well. It took an eternity for that flittering, gold plated reflector to disappear in the current below. Our simultaneous thought was "Oh #*&%, I'm (he's) in trouble." As we stood there, gawking in disbelief, something strange happened. We were making up a story about how maybe a gang of High Bridge rednecks was going to kill us if we didn't give the watch to them. Then suddenly, a refraction of sunlight caught our eyes. It was the watch. It was impossible, but there it lay, just below the railing of the bridge. I cannot explain how it happened. Joe gingerly picked it up and turned it over. Not only was it unbelievable that we had the watch in our hands, but there was what looked like some type of ancient writing imprinted on the face. As we touched it, the symbols disintegrated. It was as

if someone had used a little kiddy stamp, but instead of ink, used a dense powder. I know, it sounds like a hokey shaman story, but it happened. It was the middle of the day, and we were stone sober. Thoughtlessly, we wiped all the powder off before we showed it to anyone. It was just so amazing; we had to keep touching it. Stranger things have happened, I suppose. Chef Joe is much like the event of that day. Out of nowhere and unexpectedly, a connoisseur was born.

L.A. Son Roy Choi,Tien Nguyen,Natasha Phan,2013-11-05 A memoir and cookbook from the creator of the gourmet Korean-Mexican taco truck Kogi, the star of Netflix's The Chef Show, and the culinary advisor to Jon Favreau's film Chef. "Roy Choi sits at the crossroads of just about every important issue involving food in

the twenty-first century. As he goes, many will follow.”—Anthony Bourdain

From the maverick chef the *New Yorker* called “The David Chang of L.A.” comes a cookbook that’s as inventive, creative, and border-crossing as the city to which it pays homage: Los Angeles. *Los Angeles: A patchwork megalopolis defined by its unlikely cultural collisions; the city that raised and shaped Roy Choi, the boundary-breaking chef who decided to leave behind fine dining to feed the city he loved—and, with the creation of the Korean taco, reinvented street food along the way. Abounding with both the food and the stories that gave rise to Choi’s inspired cooking, L.A. Son takes us through the neighborhoods and streets most tourists never see, from the hidden casinos where gamblers slurp fragrant bowls of pho to Downtown’s Jewelry District, where a ten-year-old Choi wolfed down Jewish deli classics between diamond deliveries; from the kitchen of his parents’ Korean restaurant and his mother’s pungent kimchi to the boulevards of East L.A. and the best taquerias in the country, to, at last, the curbside view from one of his emblematic Kogi taco trucks, where people from all walks of life line up for a revolutionary meal. Filled with over 85 inspired recipes that meld the overlapping traditions and flavors of L.A.—including Korean fried chicken, tempura potato*

pancakes, homemade chorizo, and Kimchi and Pork Belly Stuffed Pupusas—L.A. Son embodies the sense of invention, resourcefulness, and hybrid attitude of the city from which it takes its name, as it tells the transporting, unlikely story of how a Korean American kid went from lowriding in the streets of L.A. to becoming an acclaimed chef.

Sous Vide Hugh Acheson, 2019-10-15 Just as Hugh Acheson brought a chef's mind to the slow cooker in *The Chef and the Slow Cooker*, so he brings a home cook's perspective to sous vide, with 90 recipes that demystify the technology for readers and unlock all of its potential. **NAMED ONE OF FALL'S BEST COOKBOOKS BY FOOD & WINE** Whether he's working with fire and a pan, your grandpa's slow cooker, or a cutting-edge sous vide setup, Hugh Acheson wants to make your cooking life easier, more fun, and more delicious. And while cooking sous vide—a method where food is sealed in plastic bags or glass jars, then cooked in a precise,

temperature-controlled water bath—used to be for chefs in high-end restaurants, Hugh is here to help home cooks bring this rather friendly piece of technology into their kitchens. The beauty of sous vide is its ease and consistency—it can cook a steak medium-rare, or a piece of fish to tender, just-doneness every single time . . . and hold it there until you're ready to eat, whether dinner is in ten minutes or eight hours away. But to unlock the method's creative secrets, Hugh shows you how to get the best sear on that steak after it comes out of the bath, demonstrates which dishes play best with extra-long, extra-slow cooking, and opens up the whole world of vegetables to a technology most known for cooking meat and fish. Praise for *Sous Vide* “High-end cooking comes to the home kitchen in this fun, clear approach to a gourmet technique. . . . [Hugh] Acheson writes with such charm that he can make warm water interesting.”—Publishers Weekly

The Algonquin Round Table New York Kevin C.

Fitzpatrick,2015-02-07 That is the thing about New York, wrote Dorothy Parker in 1928. It is always a little more than you had hoped for. Each day, there, is so definitely a new day. Now you can journey back there, in time, to a grand city teeming with hidden bars, luxurious movie palaces, and dazzling skyscrapers. In these

places, Dorothy Parker and her cohorts in the Vicious Circle at the infamous Algonquin Round Table sharpened their wit, polished their writing, and captured the energy and elegance of the time. Robert Benchley, Parker's best friend, became the first managing editor of *Vanity Fair* before Irving Berlin spotted him onstage in a Vicious Circle revue and helped launch his acting career. Edna Ferber, an occasional member of the group, wrote the Pulitzer-winning bestseller *So Big* as well as *Show Boat* and *Cimarron*. Jane Grant pressed her first husband, Harold Ross, into starting *The New Yorker*. Neysa McMein, reputedly "rode elephants in circus parades and dashed from her studio to follow passing fire engines." Dorothy Parker wrote for *Vanity Fair* and *Vogue* before ascending the throne as queen of the Round Table, earning everlasting fame (but rather less fortune) for her award-winning short stories and unforgettable poems. Alexander Woollcott, the centerpiece of the group, worked as drama critic for the *Times* and the *World*, wrote profiles of his friends for *The New Yorker*, and lives on today as Sheridan Whiteside in *The Man Who Came to Dinner*. Explore their favorite salons and saloons, their homes and offices (most still standing), while learning about their colorful careers and private lives. Packed with archival photos, drawings,

and other images—including never-before-published material--this illustrated historical guide includes current information on all locations. Use it to retrace the footsteps of the Algonquin Round Table, and you'll discover that the golden age of Gotham still surrounds us.

Joe Beef: Surviving the Apocalypse Frederic Morin, David McMillan, Meredith Erickson, 2018-11-27 A new cookbook/survival guide/love letter to Montreal for these apocalyptic times, from the James Beard Award–nominated culinary adventurers and proprietors of the beloved restaurant, Joe Beef. “The first Joe Beef cookbook changed forever what a cookbook could be. Anything that came after had to take it into account. Now, with this latest and even more magnificent beast, the rogue princes of Canadian cuisine and hospitality show us the way out of the numbing, post-apocalyptic restaurant Hell of pretentiousness and mediocrity that threatens to engulf us all. It makes us believe that the future is shiny, bright, beautiful, delicious—and probably Québécois. This book will change your life.” —Anthony Bourdain It’s the end of the world as we know it. Or not. Either way, you want Joe Beef: Surviving the Apocalypse in your bunker and/or kitchen. In their much-loved first cookbook, Frédéric Morin, David McMillan, and

Meredith Erickson introduced readers to the art of living the Joe Beef way. Now, they're back with another deeply personal, refreshingly unpretentious collection of more than 150 new recipes, some taken directly from the menus of Fred and Dave's acclaimed Montreal restaurants, others from summers spent on Laurentian lakes and Sunday dinners at home. Think Watercress Soup with Trout Quenelles, Artichokes Bravas, and seasonal variations on Pot-au-Feu—alongside Smoked Meat Croquettes, a Tater Tot Galette, and Squash Sticky Buns. Also included are instructions for making your own soap and cough drops, not to mention an epic 16-page fold-out gatefold with recipes and guidance for stocking a cellar with apocalyptic essentials (Canned Bread, Pickled Pork Butt, and Smoked Apple Cider Vinegar) for throwing the most sought-after in-bunker dinner party. Filled with recipes, reflections, and ramblings, in this book you'll find chapters devoted to the Québécois tradition of celebrating Christmas in July, the magic of public television, and Fred and Dave's unique take on barbecue (Burnt-End Bourguignon, Cassoulet Rapide), as well as ruminations on natural wine and gluten-free cooking, and advice on how children should behave at dinner. Whether you're holing up for a zombie holocaust or just cooking at home, Joe Beef is a book

about doing it yourself, about making it on your own, and about living—or at least surviving—in style.

Between Harlem and Heaven Alexander Smalls, JJ

Johnson, Veronica Chambers, 2018-02-06 Winner of the James Beard Award for Best American Cookbook “Between Harlem and Heaven presents a captivatingly original cuisine. Afro-Asian-American cooking is packed with unique and delicious layers of flavor. These stories and recipes lay praise to the immense influence the African Diaspora has had on global cuisine.” — Sean Brock “This is more than just a cookbook. Alexander and JJ take us on a culinary journey through space and time that started more than 400 years ago, on the shores of West Africa. Through inspiring recipes that have survived the Middle Passage to seamlessly embrace Asian influences, this book is a testimony to the fact that food transcends borders. — Chef Pierre Thiam In two

of the most renowned and historic venues in Harlem, Alexander Smalls and JJ Johnson created a unique take on the Afro-Asian-American flavor profile. Their foundation was a collective three decades of traveling the African diaspora, meeting and eating with chefs of color, and researching the wide reach of a truly global cuisine; their inspiration was how African, Asian, and African-American influences criss-crossed cuisines all around the world. They present here for the first time over 100 recipes that go beyond just one place, taking you, as noted by The New Yorker, “somewhere between Harlem and heaven.” This book branches far beyond soul food to explore the melding of Asian, African, and American flavors. The Afro Asian flavor profile is a window into the intersection of the Asian diaspora and the African diaspora. An homage to this cultural culinary path and the grievances and triumphs along the way, Between Harlem and Heaven isn’t fusion, but a glimpse into a cuisine that made its way into the thick of Harlem’s cultural renaissance. JJ Johnson and Alexander Smalls bring these flavors and rich cultural history into your home kitchen with recipes for... - Grilled Watermelon Salad with Lime Mango Dressing and Cornbread Croutons, - Feijoadá with Black Beans and Spicy Lamb Sausage, - Creamy Macaroni and Cheese

Casserole with Rosemary and Caramelized Shallots, - Festive punches and flavorful easy sides, sauces, and marinades to incorporate into your everyday cooking life. Complete with essays on the history of Minton's Jazz Club, the melting pot that is Harlem, and the Afro-Asian flavor profile by bestselling coauthor Veronica Chambers, who just published the wildly successful *Yes, Chef* by Marcus Samuelsson, this cookbook brings the rich history of the Harlem food scene back to the home cook.
