*The Dollhouse Book* Stephanie Finnegan,1999 The unique dimensions make this book a miniature dollhouse. The outside hard cover with the brick house opens in the center like many dollhouses to reveal the ornate interior of the book. On the pages inside, the hundreds of stunning pictures show every detail of the most amazing dollhouses from around the world. This striking package will be irresistible to collectors and dollhouse fanatics. Covering the gamut of historical periods and international designs, each two-page spread explores a select architectural style from a medieval castle to a space-age apartment. Examples of miniature businesses and stores from bakeries to butcher shops to corporate offices offer something for every type of doll house enthusiast, young and old. Photographs showcase both the exteriors, interiors and the dolls themselves. The book focuses on the life-like details that delight dollhouse devotees-from running faucets to cut marks on an inch-tall chopping block to leather-bound books with pages of flawlessly miniscule text. Descriptions of every house and all its hidden secrets accompany each spread.

Dolls' House Shopkeeper Lionel Barnard,Ann Barnard,2001 Create authentic period shops in miniature with the help of the full-color resource. Recreate an early Victorian book store, a 1930s Grocery, an Art Deco tea room, an Edwardian toy shop, and more. From tiny cash registers and merchandise to window awnings and shopkeepers' uniforms, you'll be delighted by the wonderful details of these tiny worlds.

My Omaha Obsession Miss Cassette,2020-11 My Omaha Obsession takes the reader on an

idiosyncratic tour through some of Omaha's neighborhoods, buildings, architecture, and people, celebrating the city's unusual history. Rather than covering the city's best-known sites, Miss Cassette is irresistibly drawn to strange little buildings and glorious large homes that don't exist anymore as well as to stories of Harkert's Holsum Hamburgers and the Twenties Club. Piecing together the records of buildings and homes and everything interesting that came after, Miss Cassette shares her observations of the property and its significance to Omaha. She scrutinizes land deeds, insurance maps, tax records, and old newspaper articles to uncover a property's singular story. Through conversations with fellow detectives and history enthusiasts, she guides readers along her path of hunches, personal interests, mishaps, and more. As a longtime resident of Omaha, Miss Cassette is informed by memories of her youth combined with an enduring curiosity about the city's offbeat relics and remains. Part memoir and part research guide with a healthy dose of colorful wandering, *My Omaha Obsession* celebrates the historic built environment and searches for the people who shaped early Omaha.
