Charlotte's Web E. B. White,2015-03-17 Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of Stuart Little and The Trumpet of the Swan, is a classic of children's literature that is just about perfect. Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's Stuart Little and Laura Ingalls Wilder's Little House series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, Charlotte's Web is a proven favorite.

Tanzania Jay Heale,Winnie Wong,Kelly Spence,2018-04-15 Tanzania is a home to spectacular sights like the Serengeti plains and Mount Kilimanjaro. Its rich wildlife population has led to conservation efforts, but also has allowed for more sinister workings to occur, such as poaching. Wyrde and Wayward Charlotte E. English,2019-10-23 Miss Gussie Werth is the only ordinary lady in her family, without a single drop of magic to liven things up. Fortunately, she's just been abducted. Miss Gussie Werth has grown up surrounded by the most supernatural family in England. Nell talks to the dead, Lord Werth is too often found in the churchyard at the dead of night... and the less said about Lord Bedgberry, the better. Somehow, Gussie has been passed over by the family curse. She sups on chocolate, not blood; she's blissfully oblivious to spectres (except for Great-Aunt Honoria, of course); and she hasn't the smallest inclination to turn into a beast upon the full moon, and go ravening about the countryside. All things considered, her life has been unbearably placid and uninteresting. Thankfully, Gussie has just been abducted by a neighbouring family every bit as strange as her own... and as deliciously spectacular disasters start to stack up, she begins to suspect that she may not be quite as normal as she thought. Far from being ordinary, Gussie may well prove to be the worst Werth of them all... Meet the Regency-era Addams Family—full of spectres, gorgons, and polite, ravening monsters—in this fresh, absurd gothic fantasy by the author of Modern Magick and the Malykant Mysteries. Strange and utterly delightful (Olivia Atwater), Wyrde and Wayward's notorious House of Werth will sink its teeth into you and leave you wanting more.

Photo Retouching & Restoration For Dummies Julie Adair King,2002-07-17 Think back to the last time you browsed through your photo collection. You probably didn't get very far before you thought to yourself, "This picture would have been great if only. . . ." If only the exposure had been better. I only that big plant, sign, or other distracting object wasn't cluttering up background. If only the print hadn't been sitting for 30 years in the basement being attacked by mildew, dirt, and paper-munching bugs. In years past, you either had to live with the damaged photos or pay big bucks to have them professionally repaired. Today, thanks to the development of consumer-friendly photo-editing software, you can use your computer to do the job yourself. Whether you want to fix a 100-year-old family photo or a business shot you took yesterday, Photo Retouching & Restoration For Dummies shows you how. You'll discover how to: Scan and prep photos for editing Work with photo-editing software Fix the five most common photo flaws Get creative with collages and backgrounds Print photos or share them on the Internet Here are just some of the things you can do by following the simple, easy-to-understand instructions provided by the book: Bring new life to old, faded photographs Adjust colors throughout the picture or in a certain object Improve exposure and contrast Sharpen focus Cover up flaws such as negative scratches, scanner dust, and dirt Remove unwanted elements from the scene Get rid of red-eye, soften wrinkles, and do other facial retouching Replace a busy background with one that compliments the subject The techniques in the book use screen shots from Photoshop Elements as illustrations, but you can get the same results using Photoshop, Paint Shop Pro, PhotoImpact, or most other intermediate or professional-level photo-editing software. To help you get started, the book comes with a CD-ROM featuring tryout versions of all the programs mentioned above, as well as other useful photography software. And to help you get the hang of color correction and other photo restoration techniques, the book includes 16 pages of full-color before-and-after examples. In short, you get just what you need to jump right in and start turning your flawed photos into frame-worthy masterworks!

Another Vagabond Lost to Love Charlotte Eriksson,The Glass The Glass Child,2015-05-18 A young writer's search for a place called home, what it means to be an artist, and finding peace with a restless heart. The follow up to Charlotte Eriksson's first book Empty Roads & Broken Bottles; in search for The Great Perhaps, is the continued self-exploring quest of a young artist. Poetry, travel stories and journals that brings you in to this young girl's journey. ----- The journals and poetry explore the dreamer's fate of leaving and arriving, love and loss, and learning to go on on your own. It captures the city of Berlin, where I somehow ended up. The broken concrete, conversations with strangers, small moments of ache or clarity. The stories leads to the chapter of my Album Journals Learning What It Means To Be An Artist, which is a series of journals and letters behind what came to be my second album I Must Be Gone and Live, or Stay and Die. The album and this book go hand in hand and the lyrics and quotes blend into one another. The reader will find the book as a world of its own, and the listener of the album will find the musical world expanded into reality.

Countee Cullen Charlotte Etinde-Crompton,Samuel Willard Crompton,2019-07-15 For a few shining years Countee Cullen seemed destined to define the African American urban experience. A gifted poet, Cullen wrote some of the outstanding works of the 1920s, and when he married Yolande Du Bois, in what was proclaimed the social event of the decade, his success and fame seemed assured. It was not to be. The marriage failed, and with it Cullen lost his best patrons and his poetic productivity declined sharply. After remarrying, Cullen was on the cusp of reinventing himself, as a writer for the theatre, when he died an untimely death. Through it all, he remained faithful to his vision of words, poetry, and the duty of a person who felt his blackness, but did not wish to be constrained by it.
