The Road to After Rebekah Lowell,2022-05-10 This poignant debut novel in verse is a portrait of healing, as a young girl rediscovers life and the soothing power of nature after being freed from her abusive father. For most of her life, Lacey has been a prisoner without even realizing it. Her dad rarely let her, her little sister, or her mama out of his sight. But their situation changes suddenly and dramatically the day her grandparents arrive to help them leave. It's the beginning of a different kind of life for Lacey, and at first she has a hard time letting go of her dad's rules. Gradually though, his hold on her lessens, and her days become filled with choices she's never had before. Now Lacey can take pleasure in sketching the world as she sees it in her nature journal. And as she spends more time outside making things grow and creating good memories with family and friends, she feels her world opening up and blossoming into something new and exciting.

Twirled Paper Editors of Klutz,Jaqueline Lee,2012-08 Turn simple paper strips into super paper art In 2006, we introduced a book on the venerable art of quilling. Being Klutz, we gave the topic a fresh, friendly spin, with plenty of kid-appealing projects and bright, juicy color. But, even so, we were a little concerned about the response such an old-fashioned craft would receive. We shouldn't have worried. More than 400,000 copies later, Twirled Paper is still going strong. Turns out kids (and -- surprise! -- grown-ups) love creating quirky, curly artwork out of strips of colored paper. So now we're thrilled to introduce a whole new generation to the craft. We've updated the package to our sturdy new easy-to-wrap, easy-to-stack, open-flat box. Along with plenty of space to store all the paper strips, glue, googly eyes and custom twirling wand, we've added a new built-in pinboard work surface. Of course, the book itself is still a cornucopia of ideas for using these supplies to make aliens, alphabets, bugs, birds, cats, cows, flowers, frogs, food, moons, monkeys, and more. Enough to make a whole twirled world!

Fire with Fire Destiny Soria,2021-06-08 Raised to be fierce dragon slayers, two sisters end up on opposite sides of the impending war when one sister forms an unlikely, magical bond with a dragon in this standalone YA contemporary fantasy that's perfect for fans of *Slayer* and *Sorcery of Thorns*. Dani and Eden Rivera were both born to kill dragons, but the sisters couldn't be more different. For Dani, dragon slaying takes a back seat to normal high school life, while Eden prioritizes training above everything else. Yet they both agree on one thing: it's kill or be killed where dragons are concerned. Until Dani comes face-to-face with one and forges a rare and magical bond with him. As she gets to know Nox, she realizes that everything she thought she knew about dragons is wrong. With Dani lost to the dragons, Eden turns to mysterious and alluring sorcerers to help save her sister. Now on opposite sides of the conflict, each sister will do whatever it takes to save the other. But the two are playing with magic that is more dangerous than they know, and there is another, more powerful enemy waiting for them both in the shadows.
