**Mama You Got This** Emma Bunton, 2021-06-10 THE SUNDAY TIMES BESTSELLER You have a baby! Isn't it amazing - and also pretty terrifying?! I love being a Spice Girl, but what I am proudest of is being a mum. Even though I had all the real-life girl power of the actual Spice Girls on speed-dial, my incredible partner and my mum, I had so many worries and questions I couldn't always ask out loud. What I really, really wanted was one, easy-to-read, honest book that would give me support without judgement - that might even make me chuckle occasionally. So, I've written it for you! I've included all my stories about what that precious, exhausting first year was like for me, and I've also asked some brilliant experts for their help too, including a paediatric sleep consultant, a trusted NCT counsellor, a mindfulness coach, and no-less than five amazing midwives and doulas. I want you to feel like you've got this. Because guess what mama? You have!

**Jack Draws Anything** Jack Henderson, 2011-10-04 After a family friend bought one of his drawings for 20p, six-year-old Jack came up with the idea to draw anything in return for donations to the hospital that treats his two-year-old brother. His parents set up a website and thought they might make £100. After two weeks, Jack had over 500 picture requests and had raised over £22,000 for the Sick Kids Friends Foundation. Parents Ed and Rose with Jack, Toby and Noah appeared on the Fern Britton Show and Jack's project was featured on Russell Howard's Good News four times. Coverage by STV news, BBC news, and CBBC Newsround have all helped spread the word about this creative and generous little boy. Jack is slowly but steadily drawing the requested pictures which range from a dinosaur diving into a pool of jelly (#1) to my (extremely bald) friend Brian dancing like a crazy man (#80). He doesn't draw every day, only when he wants to, and his parents estimate that he'll finish at

the end of August. For the latest drawings, or to make a donation yourself, visit [jackdrawsanything.com](http://jackdrawsanything.com).

Brutally Honest Melanie Brown, Louise Gannon, 2018-11-27 'Utterly absorbing and deeply affecting'

- The Guardian As a Spice Girl, TV talent show judge and Broadway star, Mel B a.k.a Scary Spice, has been a global icon since her twenties. But behind the glittering façade of fame, the struggles and pain of this working-class, mixed-race girl from Leeds are laid bare in her critically acclaimed best-selling memoir, *Brutally Honest*. With deep personal insight, remarkable frankness and trademark Yorkshire humour, the book tells how she went from Girl Power to girl powerless during her ten-year emotionally abusive marriage. Tracing a path through the key moments in her life, she reflects on her childhood, rise to fame and her chilling downward spiral before she finally broke free. In this expanded edition, written with Louise Gannon, Mel brings her story up to date. With her trademark honesty, she tells the unfiltered story of piecing herself back together, dealing with trauma and new heartbreak whilst becoming a champion for survivors of abuse, performing once more with the Spice Girls and receiving her MBE from Prince William.

**Liv's Alone** Liv Thorne, 2021-08-19 When Liv Thorne was in her twenties, and single, she would joke to friends that if Mr Right didn't come along she'd have to take matters into her own hands and have a child on her own. When she was still single in her thirties, it stopped being a joke and she started researching sperm banks and fertility clinics. *Liv's Alone* is an honest and hopeful memoir that captures the joy and the challenge that is parenting alone by choice. From dismantling the fairy tale story that we're fed from a young age and grieving the life you thought you were going to have, to buying sperm from Denmark and bringing a baby into the world. Guiding readers through the highs and lows with warmth, humour and understanding, Liv wants her book to be a little beacon of optimism for women who are in the same position she was in; late 30s, single and longing for a baby. This is Liv & Herb's story, but hopefully a version of it will be yours.

**Come Fly with Me** Jodi Peckman, 2024-09-10 A wistful love letter to the joys of flying and the fun, fashion, and glamour that go with it. Now, more than ever, nothing captures our yearning for travel, freedom, glamour, and adventure than the fantasy of flying away from it all. From Frank Sinatra dressed to the nines in the golden age of Pan Am to celebrities snapped in luxury leisurewear in the lounges today, airports have always afforded the most glamorous glimpses into that most enviable aspect of celebrity life--jet-setting in style. Curated by the renowned photo editor Jodi Peckman, *Come Fly with Me* is a love letter to the most longed-for escape, told through evocative images of the icons who've made the airport their runway. From John and Yoko waving from the airstairs to Rihanna bustling incognito through the halls, and from Muhammad Ali's crisp-pressed suits to Miley Cyrus's playful onesies, this is a whimsical and welcome reminder when we need it most of the joys of travel.

Informed is Best Amy Brown, From the moment you share the news that you are pregnant or have a new baby it feels like everyone becomes an expert. Did you see that headline? Did you hear that story on TV? Have you heard the latest about what they say is best? In a world overflowing with information telling you what is best for you and your baby, making decisions can feel overwhelming. Who do you trust? Who is telling the truth? And how do you know if what they are saying is right for

you? How? By becoming your own expert in sorting the media spin and politics from the actual facts and data. This isn't a book that is going to tell you which decisions to make, or that there is ever one right answer. It is not going to tell you that the same thing is always best for everyone. Instead this is a guide to help you evaluate information and evidence to decide what is right for you, your body and your baby. In three main parts it will firstly open your eyes to how information is shared in the media and how this can affect our thinking and decision making. Next it will help you spot who is funding, leading and promoting research and how this can affect the content of what is shared. Finally it will talk you through reading, understanding and evaluating evidence for yourself across topics in pregnancy, birth and caring for babies. You'll learn how to spot weaknesses in methods used, how to determine the real risk for you and your baby, and how wider context and other factors can influence what research means for you. Information is power. Making your own decisions that are right for you is empowering. #Informed is best.

Now, after the release of their Critics Choice Award-winning Showtime documentary, and in anticipation of their forthcoming induction into the Rock & Roll Hall of Fame and their 2021 West Coast shows, Gina takes fans behind the scenes for a rare look at her personal images documenting the band's wild journey to the heights

of fame and stardom. Featuring posters, photographs, Polaroids, and other memorabilia from her archives, Made In Hollywood also includes stories from each member of the Go-Go's, along with other cultural luminaries like Kate Pierson, Jodie Foster, Dave Stewart, Martha Quinn, and Paul Reubens.
