James Finn

Incarceron Catherine Fisher,2011-02-08 Incarceron is a prison so vast that it contains not only cells and corridors, but metal forests, dilapidated cities, and wilderness. It has been sealed for centuries, and only one man has ever escaped. Finn has always been a prisoner here. Although he has no memory of his childhood, he is sure he came from Outside. His link to the Outside, his chance to break free, is Claudia, the warden's daughter, herself determined to escape an arranged marriage. They are up against impossible odds, but one thing looms above all: Incarceron itself is alive . . .

The Golden Son Shilpi Somaya Gowda,2016-01-26 The New York Times and #1 internationally bestselling author of Secret Daughter returns with an unforgettable story of family, responsibility, love, honor, tradition, and identity, in which two childhood friends—a young doctor and a newly married bride—must balance the expectations of their culture and their families with the desires of their own hearts. The first of his family to go to college, Anil Patel, the golden son, carries the weight of tradition and his family's expectations when he leaves his tiny Indian village to begin a medical residency in Dallas, Texas, at one of the busiest and most competitive hospitals in America. When his father dies, Anil becomes the de facto head of the Patel household and inherits the mantle of arbiter for all of the village's disputes. But he is uneasy with the custom, uncertain that he has the wisdom and courage demonstrated by his father and grandfather. His doubts are compounded by the difficulties he discovers in adjusting to a new culture and a new job, challenges that will shake his confidence in himself and his abilities. Back home in India, Anil's closest childhood friend, Leena, struggles to adapt to her demanding new husband and relatives. Arranged by her parents, the marriage shatters Leena's romantic hopes, and eventually forces her to make a desperate choice that will hold drastic repercussions for herself and her family. Though Anil and Leena struggle to come to terms with their identities thousands of miles apart, their lives eventually intersect once more—changing them both and the people they love forever. Tender and bittersweet, The Golden Son illuminates the ambivalence of people caught between past and present, tradition and modernity, duty and choice; the push and pull of living in two cultures, and the painful decisions we must make to find our true selves.

The Shape of Family Shilpi Somaya Gowda,2020-03-17 NATIONAL & INTERNATIONAL BESTSELLER Named a book not to miss by USA Today * Chicago Sun-Times * New York Post Deeply involving....Rings so true. -- Emma Donoghue, bestselling author of Room From the international bestselling author of Secret Daughter and The Golden Son comes a poignant, unforgettable novel about a family's growing apart and coming back together in the wake of tragedy. "The Shape of Family is a novel about race and culture, parents and siblings, marriage and love, but most of all, it's about finding hope after darkness. Shilpi Somaya Gowda is a compassionate and wise storyteller who keeps us riveted from beginning to end." -- Jean Kwok, New York Times bestselling author of Girl in Translation The Olander family embodies the modern American Dream in a globalized world. Jaya, the cultured daughter of an Indian diplomat and Keith, an ambitious banker from middle-class Philadelphia, meet in a London pub in 1988 and make a life together in suburban California. Their strong marriage is built on shared beliefs and love for their two children: headstrong teenager Karina and young son Prem, the light of their home. But love and prosperity cannot protect them from sudden, unspeakable tragedy, and the family's foundation cracks as each member struggles to seek a way forward. Jaya finds solace in spirituality. Keith wagers on his high-powered career. Karina focuses relentlessly on her future and independence. And Prem watches helplessly as his once close-knit family drifts apart. When Karina heads off to college for a fresh start, her search for identity and belonging leads her down a dark path, forcing her and her family to reckon with the past, the secrets they've held and the weight of their choices. The Shape of Family is an intimate portrayal of four individuals as they grapple with what it means to be a family and how to move from a painful past into a hopeful future. It is a profoundly moving exploration of the ways we all seek belonging—in our families, our communities and ultimately, within ourselves.

Shroom Becky Selengut,2022-05-17 Chef and cooking teacher Becky Selengut's Shroom feeds our enduring passion for foraged and wild foods by exploring 15 types of mushrooms, including detailed how-to's on everything home cooks need to know to create 75 inventive, internationally-flavored mushroom dishes. The button mushroom better make room on the shelf. We're seeing a growing number of supermarkets displaying types of mushrooms that are leaving shoppers scratching their heads. Home cooks are buying previously obscure species from growers and gatherers at local farmers markets and adventurous cooks are collecting all manners of edible mushrooms in the woods. People are asking the question, Now that I have it, what do I do with it? Home cooks and chefs alike will need a book and an educated guide to walk them through the basics of cooking everything from portobellos and morels to chanterelles and the increasingly available, maitake, oyster, and beech mushrooms. Shroom is that book and Chef Becky Selengut is that tour guide. In a voice that's informed, but friendly and down-to-earth, Selengut's Shroom is a book for anyone looking to add mushrooms to their diet, find new ways to use mushrooms as part of a diet trending towards less meat, or diversify their repertoire with mushroom-accented recipes inspired from Indian, Thai, Vietnamese and Japanese cuisines, among others. Recipes include Portobello Shakshuka with Baked Eggs and Israeli Feta and Smoky Squash Soup with Black Trumpet Mushrooms and Scotch. Written in a humorous voice, Becky Selengut guides the home cook through 15 species-specific chapters on mushroom cookery with the same levity and expertise she brought to the topic of sustainable seafood in her IACP-nominated 2011 book Good Fish. Selengut's wife and sommelier April Pogue once again teams up to provide wine pairings for each of the 75 recipes.

What Video Games Have to Teach Us About Learning and Literacy. Second Edition James Paul Gee,2014-12-02 James Paul Gee begins his classic book with I want to talk about video games--yes, even violent video games--and say some positive things about them. With this simple but explosive statement, one of America's most well-respected educators looks seriously at the good that can come from playing video games. In this revised edition of What Video Games Have to Teach Us About Learning and Literacy, new games like World of WarCraft and Half Life 2 are evaluated and theories of cognitive development are expanded. Gee looks at major cognitive activities including how individuals develop a sense of identity, how we grasp meaning, how we evaluate and follow a command, pick a role model, and perceive the world.

Secret Daughter Shilpi Somaya Gowda,2012-11-06 Somer's life is everything she imagined it would be—she's newly married and has started her career as a physician in San Francisco—until she makes the devastating discovery she never will be able to have children. The same year in India, a poor mother makes the heartbreaking choice to save her newborn daughter's life by giving her away. It is a decision that will haunt Kavita for the rest of her life, and cause a ripple effect that travels across the world and back again. Asha, adopted out of a Mumbai orphanage, is the child that binds the destinies of these two women. We follow both families, invisibly connected until Asha's journey of self-discovery leads her back to India. Compulsively readable and deeply touching, Secret Daughter is a story of the unforeseen ways in which our choices and families affect our lives, and the indelible power of love in all its many forms.

White Space Is Not Your Enemy Kim Golombisky,Rebecca Hagen,2017-02-17 White Space Is Not Your Enemy is a practical graphic design and layout guide that introduces concepts and practices necessary for producing effective visual communication across a variety of formats—from web to print. Sections on Gestalt theory, color theory, and WET layout are expanded to offer more in-depth content on those topics. This new edition features new covering current trends in web design—Mobile-first, UI/UX design, and web typography—and how they affect a designer's approach to a project. The entire book will receive an update using new examples and images that show a more diverse set of graphics that go beyond print and web and focus on tablet, mobile and advertising designs.

Speedsolving the Cube Dan Harris,2008

An Immense World Ed Yong,2022-06-21 NEW YORK TIMES BESTSELLER • A “thrilling” (The New York Times), “dazzling” (The Wall Street Journal) tour of the radically different ways that animals perceive the world that will fill you with wonder and forever alter your perspective, by Pulitzer Prize-winning science journalist Ed Yong “One of this year's finest works of narrative nonfiction.”—Oprah Daily ONE OF THE TEN BEST BOOKS OF THE YEAR: The Wall Street Journal, The New York Times, Time, People, The Philadelphia Inquirer, Slate, Reader's Digest, Chicago Public Library, Outside, Publishers Weekly, BookPage ONE OF THE BEST BOOKS OF THE YEAR: Oprah Daily, The New Yorker, The Washington Post, The Guardian, The Economist, Smithsonian Magazine, Prospect (UK), Globe & Mail, Esquire, Mental Floss, Marginalian, She Reads, Kirkus Reviews, Library Journal The Earth teems with sights and textures, sounds and vibrations, smells and tastes, electric and magnetic fields. But every kind of animal, including humans, is enclosed within its own unique sensory bubble, perceiving but a tiny sliver of our immense world. In An Immense World,

Ed Yong coaxes us beyond the confines of our own senses, allowing us to perceive the skeins of scent, waves of electromagnetism, and pulses of pressure that surround us. We encounter beetles that are drawn to fires, turtles that can track the Earth's magnetic fields, fish that fill rivers with electrical messages, and even humans who wield sonar like bats. We discover that a crocodile's scaly face is as sensitive as a lover's fingertips, that the eyes of a giant squid evolved to see sparkling whales, that plants thrum with the inaudible songs of courting bugs, and that even simple scallops have complex vision. We learn what bees see in flowers, what songbirds hear in their tunes, and what dogs smell on the street. We listen to stories of pivotal discoveries in the field, while looking ahead at the many mysteries that remain unsolved. Funny, rigorous, and suffused with the joy of discovery, *An Immense World* takes us on what Marcel Proust called "the only true voyage . . . not to visit strange lands, but to possess other eyes." WINNER OF THE ANDREW CARNEGIE MEDAL • FINALIST FOR THE KIRKUS PRIZE • FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD • LONGLISTED FOR THE PEN/E.O. WILSON AWARD

Teeny-Tiny Mochimochi Anna Hrachovec, 2011-08-30 TINY IS THE NEW HUGE! It's an indisputable fact: Everything is cuter in miniature. And while it's true that knitted toys are cute to begin with, they're even more adorable when they're tiny. In *Teeny-Tiny Mochimochi*, designer Anna Hrachovec presents more than 40 patterns for her funniest and most delightful knitted Tinys—three-dimensional animals, objects, and people, all with Anna's quirky, Mochimochi Land anthropomorphism that knitters love. Tinys make cool gifts for any occasion, are some of the fastest, easiest projects you'll ever knit, and can be turned into pins, magnets, Christmas ornaments—anything that could use some scale-model silliness. So pick up your sock yarn and size 1 needles and get started—you're certain to make even a grouch giggle like a schoolgirl!

The Weaver's Studio: Doubleweave Jennifer Moore, 2013-02-15 Doubleweave is the art of weaving two layers of cloth at the same time, one above the other on the loom, creating beautiful cloth that is reversible yet unique on each side. Using pick-up techniques and clever color mixing, patterns emerge that are different but complementary on each side. *The Weaver's Studio: Doubleweave* begins with a brief history of doubleweave and how it has evolved into the contemporary weaving pieces seen today. Next, you will learn all the basics of doubleweave techniques, as well as tips and tricks of setting up the warp, and a variety of doubleweave specialty techniques all shown through detailed process photography and a wealth of swatches demonstrating different effects. Specialty techniques are shown for 4-shaft and 8-shaft looms. The weaving effects covered include lace, tubular weave, pick-up, color mixing, and more. And since doubleweave showcases color and pattern in unique ways, you will learn how to use these to great effect in your cloth designs. Throughout the book, you will find a wealth of inspiration with many examples of finished cloth and projects, from wall hangings and table runners to scarves and pillows.

Big Woods May Cobb, 2018-07-08 Stephen King's *Stand by Me* collides with Gillian Flynn's *Sharp Objects* in this exceptional thriller. Gutsy, gripping—and pitch-perfect in its resurrection of an era long gone.—A. J. Finn, #1 New York Times bestselling author of *The Woman in the Window* When her sister disappears, the only clue Leah has is a cryptic message: *Underground. By the Woods.* It's 1989 in the sleepy town of Longview, Texas, when ten-year-old Lucy disappears. Her parents, the police, and the community all brace for the worst, assuming her body will soon be found in Big Woods. Just like the other unsolved kidnappings. But then Lucy's fourteen-year-old sister, Leah, starts having dreams about Lucy—dreams that reveal startling clues as to what happened. Leah begins her own investigation, and soon she meets a reclusive widow who may hold the key to finding Lucy...if only she can find the courage to come forward. Delving into the paranoia surrounding satanic cults in the 1980s, *Big Woods* is an emotionally wrought, propulsive thriller about the enormity of grief, the magical bond between sisters, and a small town's dark secrets. Praise: *Big Woods* is perfectly timed to take advantage of the 1980s horror revival. Its historic details are excellent, down to the songs on Leah's car stereo. Cobb paints in Day-Glo and brings terrors of the night to life.—Foreword Magazine Readers will be grabbed by *Big Woods* and sucked into the mysterious story. Hold on tight—it's worth it.—Criminal Element Cobb's intense, heart-wrenching debut introduces a courageous, determined teen who must find her lost sister amid a disturbing atmosphere of paranoia and fear, crafting a compelling, suspenseful story reminiscent of William Kent Krueger's *Ordinary Grace*.—Library Journal (starred review) *Big Woods* is a nuanced family story and also a heart-stopping thriller with surprising twists. Cobb taps into the fabulous '80s sensibility of *Stranger Things* and also into our deepest fears about safety, evil, trust, and the power of faith in what we don't understand. I couldn't put it down.—Amanda Eyre Ward, author of *The Nearness of You* and *The Same Sky* Compulsively readable.—Rosamund Lupton, New York Times bestselling author of *Sister* *Big Woods* is brilliant! Cobb has crafted a haunting thriller that dives deep into grief, family connections, and the dreadful power of fear. The novel succeeds as a rich exploration of emotion and a not-so-distant time while also shining as a riveting page-turner.—Owen Egerton, author of *Hollow* and writer/director of horror-comedy *Bloodfest* *Big Woods* is such a blast—a page-turning thriller with '80s hair, like a Texan *Stranger Things*.—Amy Gentry, author of *Good as Gone* Literally the best thriller I've read in years. Intensely gripping, so evocative of the late '80s, and a brilliant, original storyline. It's blinding.—Clare Empson, author of *Him*

The Feast of Fiction Kitchen Jimmy Wong, Ashley Adams, 2020-04-28 Recipes from *Feast of Fiction*, the innovative YouTube show featuring fantastical and fictional recipes inspired by books, movies, comics, video games, and more. Fans of *Feast of Fiction* have been clamoring for a cookbook since the channel debuted in 2011. Now it's here! Just as they do on the small screen, hosts Jimmy Wong and Ashley Adams whip up their real-life interpretation of fictional dishes to pay homage in a genuine, geeky, and lively way. Jimmy brings a wealth of gamer and nerd cred to the table, and baker extraordinaire Ashley provides the culinary wisdom. The quirky duo offer an array of creative and simple recipes, featuring dishes inspired by favorites such as *Star Trek* and *Adventure Time*, as well as Butterbeer (Harry Potter), A Hobbit's Second Breakfast, Mini "Dehydrated" Pizzas (Back to the Future), Sansa's Lemon Cakes (Game of Thrones), and dishes from the niches of gaming, comics, and animation such as Fire Flakes (Avatar), Poke Puffs (Pokemon), and Heart Potions (The Legend of Zelda). With 55 unique and awesome dishes, this long-awaited cookbook will help inspire a pop culture dinner party, a fun night at home with family and friends, or an evening on the couch thinking about what you could be cooking!

Eat in My Kitchen Meike Peters, 2016-10-11 2017 JAMES BEARD AWARD WINNER FOR GENERAL COOKING Meike Peters, the author of the acclaimed cooking blog *Eat in My Kitchen*, presents a cookbook as inviting, entertaining, and irresistible as her website, featuring dozens of never-before-published recipes. Meike Peters's site, *Eat in My Kitchen*, captures the way people like to eat now: fresh, seasonal food with a variety of influences. It combines a northern European practical attitude, from the author's German roots, with a rustic Mediterranean-inspired palate, from her summers in Malta. This highly anticipated cookbook is comprised of 100 recipes that celebrate the seasons and are awash with color. Indulge in the Radicchio, Peach, and Roasted Shallot Salad with Blue Cheese; Parsnip and Sweet Potato Soup with Caramelized Plums; Pumpkin Gnocchi; mouthwatering sandwiches like the Pea Pesto and Bacon with Marjoram; and seafood and meat dishes that introduce tasty and unexpected elements. Meike Peters's famous baked treats include everything from pizza to bread pudding, and perfect cookies to sumptuous tarts. Also included are many of her fans' favorite recipes, including Fennel Potatoes, Braised Lamb Shanks with Kumquats, and a Lime Buttermilk Cake. Six Meet In Your Kitchen features include recipes by and interviews with culinary stars Molly Yeh, Yossy Arefi, Malin Elmlid, the Hemsley sisters, and more. Followers of Meike Peters will be thrilled to have her exquisitely photographed recipes in print in one place, while those who aren't yet devotees will be won over by her unpretentious tone and contagious enthusiasm for simple, beautiful, and tasty food.

Negrophobia and Reasonable Racism Jody David Armour, 2000 Jody Armour believes that, despite the fact that most whites today are racially well intentioned, race-based mistrust and misunderstanding pose one of the greatest obstacles to racial harmony in contemporary America. Beset by media images of black criminality, whites consistently cite statistics, trends, and past experiences to support their deep distrust of blacks, a distrust blacks deeply resent. *Negrophobia and Reasonable Racism* is a crucial book, at a crucial time, just as white America is gradually coming to understand the hidden travails of African American life: the suspicious glances in department stores, the baseless questioning by police, the inability to get a taxi. Armour shows convincingly how this phenomenon has been so persistent as to constitute, literally, a tax on African Americans, sapping them of resources, opportunity, time, and energy. Skillfully drawing on a wide range of referents, from Greek mythology to Thomas Bayes, the father of statistics, Armour plumbs our racial psychology and in the process exposes the racialized nature of our daily life and of our legal system. Unlike so much recent writing on race in America, Jody Armour's book is no plaintive cry of despair. His perspective is rooted in a measured, even hopeful

belief that we both must and can overcome racial bias. Toward that end, he introduces specific ways in which we can overcome the unconscious discrimination and the automatic negative responses that tax blacks and so trouble progressive whites.

Even This I Get to Experience Norman Lear,2015-10-27 The legendary creator of iconic television programs All in the Family, Sanford and Son, Maude, Good Times, The Jeffersons, and Mary Hartman, Mary Hartman, Norman Lear remade our television culture, while leading a life of unparalleled political, civic, and social involvement. Sharing the wealth of Lear's ninety years, this is a memoir as touching and remarkable as the life he has led.

The Strange Case of Origami Yoda (Origami Yoda #1) Tom Angleberger,2012-08-07 In this funny, uncannily wise portrait of the dynamics of a sixth-grade class and of the greatness that sometimes comes in unlikely packages, Dwight, a loser, talks to his classmates via an origami finger puppet of Yoda. If that weren't strange enough, the puppet is uncannily wise and prescient. Origami Yoda predicts the date of a pop quiz, guesses who stole the classroom Shakespeare bust, and saves a classmate from popularity-crushing embarrassment with some well-timed advice. Dwight's classmate Tommy wonders how Yoda can be so smart when Dwight himself is so clueless. With contributions from his puzzled classmates, Tommy assembles this first case file in the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of Star Wars: Return of the Jedi: Beware the Power of the Dark Side, and hailed by School Library Journal as "honest, funny, and immensely entertaining." F&P Level: T F&P Genre: RF

Byeways in Palestine James Finn,1868

Kisses from Katie Katie Davis,Beth Clark,2013-01-18 Katie was a normal American teenager when she decided to explore the possibility of voluntary work overseas. She temporarily 'quit life' to serve in Uganda for a year before going to college. However, returning to 'normal' became impossible and Katie 'quit life' - college, designer clothes, her little yellow convertible and her boyfriend - for good, remaining in Uganda. In the early days she felt as though she were trying to empty the ocean with an eyedropper, but has learnt that she is not called to change the world in itself, but to change the world for one person at a time. By the age of 22 Katie had adopted 14 girls and founded Amizima Ministries which currently has sponsors for over 600 children and a feeding program for Uganda's poorest citizens - so it is no wonder she feels Jesus wrecked her life, shattered it to pieces, and put it back together making it more beautiful than it was before.

The Tarot of Leonora Carrington ,2022-09-27 A significantly expanded edition of Carrington's acclaimed Tarot series, featuring new archival images and research The British-born Mexican surrealist Leonora Carrington (1917-2011) spent a lifetime exploring the esoteric traditions of diverse cultures, and incorporated their ideas and symbols into her artistic and literary oeuvre. Tibetan Buddhism, the Kabbalah, ancient Egyptian and Mesopotamian magic, Celtic mythology, witchcraft, astrology and the Tarot were filtered through her feminist lens to create a visionary, woman-centered worldview. Carrington created a spectacular Major Arcana Tarot deck sometime during the 1950s, laying gold and silver leaf over brilliant color. Exhibited for the first time during her centennial exhibition Leonora Carrington: Magical Talesin 2018, this extraordinary work was a revelation for the public and inspired the publication of The Tarot of Leonora Carrington. This second, considerably expanded edition--encouraged by the overwhelmingly positive reception of Fulgur's publication in 2020--explores further the central position that the Tarot held in Carrington's work. The volume includes an introductory text by her son Gabriel Weisz Carrington, who recalls his mother's long involvement with the Tarot, followed by a revised and more extensive essay by scholar Susan Aberth and curator Tere Arcq, including detailed analysis of each card: their color symbolism, their relationship to other works and their iconographic origins in ancient esoteric beliefs, including the Mesoamerican influences of her adopted country. This new edition also reproduces previously unpublished photographs and images, as well as exciting new research into Carrington's influences, emphasizing the authors' claim that her work on the Major Arcanarepresents an esoteric roadmap to Carrington's feminist vision and wish for a new global gender equality toward a better ecological future for our planet.
