Serenity Handbook Marc Sumerak,2018-06 If you've ever wondered what it's like to soar through space like a leaf on the wind in a Firefly spaceship, this is the manual for you. The Firefly-class transport ship was originally created by the Allied Spacecraft Corporation, but since the Browncoats' Independence War, it has become a favourite among smugglers on the Rim worlds. The aircraft's many nooks, crannies, and hidden compartments give it an incredible cargo capacity, and its speed and small size make it the perfect getaway vehicle. The many secrets of Serenity are revealed in this fascinating crew-created owner's manual, which features in-depth technical specifications and insightful commentary from the entire crew. Designed as an in-world crew-made manual for the ship, this book will allow fans of Firefly and Serenity to explore the iconic Firefly-class Series 3 ship in a whole new way.

The Serenity Handbook Marc Sumerak,2018-07-03 If you've ever wondered what it's like to soar through space like a leaf on the wind in a Firefly spaceship, this is the manual for you. You ever sail in a Firefly? The Allied Spacecraft Corporation's Firefly-class transport ship has become a favorite among smugglers on the Rim worlds since the Independence War. The spacecraft's many nooks, crannies, and hidden compartments give it an incredible cargo capacity, and its speed and small size make it the perfect getaway vehicle. But not all Firefly transports are made alike and, as revealed in this crew-created manual, the Series 3 Serenity is shinier than the rest of 'em. Featuring in-depth technical blueprints, personal mementos, and quippy commentary from Mal, Kaylee, and the rest of the crew, The Serenity Handbook dives deep into the heart of the beloved Firefly and celebrates the series' legacy.

Firefly - The Magnificent Nine James Lovegrove,2019-03-19 The second original novel tying into the critically acclaimed and much-missed Firefly series from creator Joss Whedon. An old flame of Jayne Cobb's, Temperance McCloud, sends a message to Serenity, begging him for help. She lives on the arid, far-flung world of Tethys, and bandits are trying to overrun her town to gain control of their water supply: the only thing standing between its people and dustbowl ruin. Jayne tries to persuade the Serenity crew to join the fight, but it is only when he offers Vera, his favourite gun, as collateral that Mal realises he's serious. When the Serenity crew land at a hardscrabble desert outpost called Coogan's Bluff, they discover two things: an outlaw gang with an almost fanatical devotion to their leader who will stop at nothing to get what they want, and that Temperance is singlehandedly raising a teenage daughter, born less than a year after Temperance and Jayne broke up. A daughter by the name of Jane McCloud...

The Disasters M. K. England, 2018-12-18 The Breakfast Club meets Guardians of the Galaxy in this YA sci-fi adventure by debut author M. K. England. Hotshot pilot Nax Hall has a history of making poor life choices. So it's not exactly a surprise when he's kicked out of the elite Ellis Station Academy in less than twenty-four hours. But Nax's one-way trip back to Earth is cut short when a terrorist group attacks the Academy. Nax and three other washouts escape—barely—but they're also the sole witnesses to the biggest crime in the history of space colonization. And the perfect scapegoats. On the run, Nax and his fellow failures plan to pull off a dangerous heist to spread the truth. Because they may not be "Academy material," and they may not even get along, but they're the only ones left to step up and fight. Full of high-stakes action, subversive humor, and underdogs becoming heroes, this YA sci-fi adventure is perfect for fans of Illuminae, Heart of Iron, or the cult classic TV show Firefly and is also a page-turning thrill ride that anyone—not just space nerds—can enjoy.

Clotho's Loom Shawn StJean, 2012-12 William Wyrdd, an introverted history professor at long remove from his youthful days as a Marine sniper, is drafted to serve overseas in the U.S. military at age thirty-nine. Already in a relationship made tenuous by the demands of dual professional careers and their own dearth of interpersonal experience, he and his wife are completely estranged by the blunder on the part of the government. But is this merely human error at work, a bad mix of circumstances-or tangling of the skein of Fate? In the tradition of Robert Ludlum's Bourne Identity and follow-up novels, this literary action-adventure tale tests whether one's present choices, and even ultimate destiny, need be determined by one's past. CLOTHO'S LOOM tracks the struggles of a husband and wife to reunite against forces arrayed to keep them apart. Will decides to keep his reactivation a secret, and deal with the claims from his dark past alone. Assured by faceless authorities that there has been no mistake, and given a date to report, he falls in with political undesirables and succumbs to their attempt to recruit him. He soon embarks on a quest for identity that leads him around the globe. Meanwhile, his partner, pregnant and abandoned, must navigate the no-less-treacherous task of survival at a highly politicized law office, dominated by two temperamentally opposite bosses, and the glass ceiling they erect over her. The narrative proceeds in an alternating chapter structure, paralleling Will's masculine adventures with those of a woman enduring both professional and domestic perils. The common solution: a razing of egos, and the tempering of two spirits into alloy, alchemized by the common love of a child.

Serenity Volume 3: The Shepherd's Tale Joss Whedon, Various, 2010-11-02 One of Serenity's greatest mysteries is finally revealed in The Shepherd's Tale, filling in the life of one of the show's most beloved characters—Shepherd Book! Who was Book before meeting Mal and the rest of the Serenity crew? How did he become one of their most trusted allies? And how did he find God in a bowl of soup? Answers to these and more questions about Book's past are uncovered in this original graphic novel by rising stars Zack Whedon (Dr. Horrible, Terminator, Fringe) and Chris Samnee (Blackest Night: Tales of the Corps, Daredevil). A pivotal chapter in the ongoing Serenity saga, The Shepherd's Tale is also a rollicking, action-packed epic in its own right! • Dark Horse's Serenity displays the key ingredients of the series in a substantial and entertaining way.—BrokenFrontier.com

Widowland C. J. Carey, 2022-08-09 2023 Philip K. Dick Award Nominee A compulsive, terrifying read.—Kate Quinn, New York Times bestselling author of The Rose Code For readers of Margaret Atwood's The Handmaid's Tale comes a thrilling feminist dystopian novel set in an alternative history that terrifyingly imagines what a British alliance with Germany would look like if the Nazis had won WWII. To control the past, they edited history. To control the future, they edited literature. LONDON, 1953. Thirteen years have passed since England surrendered to the Nazis and formed a Grand Alliance with Germany. It was forced to adopt many of its oppressive ideologies, one of which was the strict classification of women into hierarchical groups based on the perceived value they brought to society. Rose Ransom, a member of the privileged Geli class, remembers life from before the war but knows better than to let it show. She works for the Ministry of Culture, rewriting the classics of English literature to ensure there are no subversive thoughts that will give women any ideas. Outbreaks of insurgency have been seen across the country with graffiti made up of seditious lines from forbidden works by women painted on public buildings. Suspicion has fallen on Widowland, the run-down slums where childless women over fifty have been banished. Rose is given the dangerous task of infiltrating Widowland to find the source of the rebellion before the Leader arrives in England for the Coronation ceremony of King Edward VIII and Queen Wallis. Will Rose follow her instructions and uncover the criminals? Or will she fight for what she knows in her heart is right? Praise for Widowland: A mind-bender of a novel about the power of literature to change minds. I loved it! —Mark Sullivan, bestselling author of The Last Green Valley and Beneath a Scarlet Sky I rarely come across a book I can't put down but I devoured this one. —Rhys Bowen, New York Times bestselling author of two historical mystery series as well as several internationally bestselling historical novels An electrifying, Orwellian dystopia with a thrilling feminist twist. —Lara Prescott, New York Times bestselling author of The Secrets We Kept Tense, thought-provoking, and terrifying. —Natalie Jenner, international bestselling author of The Jane Austen Society and Bloomsbury Girls
