**The Boy with Fire** Aparna Verma, 2021-08-23 Dune meets The Poppy War in Aparna Verma's **The Boy with Fire**, a glorious yet brutal tour-de-force debut that grapples with the power and manipulation of myth in an Indian-inspired epic fantasy. Yassen Knight was the Arohassin's most notorious assassin until a horrible accident. Now, he's on the run from the authorities and his former employer. But when Yassen seeks refuge with an old friend, he's offered an irresistible deal: defend the heir of Ravence from the Arohassin, and earn his freedom. Elena Ravence prepares to ascend the throne. Trained since birth in statecraft, warfare, and the desert ways, Elena knows she is ready. She only lacks one thing: the ability to hold Fire. With the coronation only weeks away, she must learn quickly or lose her kingdom. Leo Ravence is not ready to give up the crown. There's still too much work to be done, too many battles to be won. But when an ancient prophecy threatens to undo his lifetime of work, Leo wages war on the heavens themselves to protect his legacy. The first of The Ravence Trilogy, **The Boy with Fire** is the tale of a world teetering on the edge of war and prophecy, of fate and betrayal, of

man's irrevocable greed for power - and the sacrifices that must come with it.

**My Soul's Journey to Redefine Leadership** Virginia Swain, 2016-12-29 The story of an ordinary woman with extraordinary experiences, Virginia Swain's soul journey takes her from the devastating loss of her brother to moments of peace, visions of a new future, and after a harrowing day in New York City on September 11, a vivid dream of a phoenix rising from a city's ashes, calling her to a new definition of leadership, one of empowerment, reconciliation and peace.

**God and the Editor** Robert H. Phelps, 2009-07-08 For nearly twenty years Robert H. Phelps ran interference for, cheered on, and sometimes scolded star reporters and top editors at the New York Times. Starting his editing career at the desk of the Providence Journal-Bulletin, Phelps joined the New York Times as a copy editor, eventually serving as the Times news editor for the Washington bureau. Along the way he struggled with balancing his moral ideals and his personal ambition. In this compelling memoir, Phelps interweaves his personal and professional experiences with some of the most powerful stories of the era. With candor and keen observation, Phelps chronicles both the

triumphant and the tragic events at the Times. He explains the missed lessons of the Pentagon Papers, why the Times played catchup with the Washington Post on the Watergate scandal but eventually surpassed it on covering that seminal story, and how the Times failed to report a key element of the riots at the 1968 Democratic convention. Phelps offers mixed appraisals of such luminaries as A. M. Rosenthal, James B. Reston, E. Clifton Daniel, and Max Frankel, and expresses great admiration for Seymour Hersh, Neil Sheehan, and Bill Beecher, three unlikely scoop artists. As Phelps settled in at the New York Times, journalism became the religion he had searched for since his adolescence. Over his tenure of nearly two decades, however, Phelps found that journalism's stark emphasis on fact was insufficient to address many of life's dilemmas and failed to provide the sustaining guidance he envied in his wife's Catholic faith.

*Bird on Fire* Andrew Ross, 2011-10-27 Phoenix, Arizona is one of America's fastest growing metropolitan regions. It is also its least sustainable one, sprawling over a thousand square miles, with a population of four and a half million, minimal rainfall, scorching heat, and an insatiable appetite for

unrestrained growth and unrestricted property rights. In *Bird on Fire*, eminent social and cultural analyst Andrew Ross focuses on the prospects for sustainability in Phoenix--a city in the bull's eye of global warming--and also the obstacles that stand in the way. Most authors writing on sustainable cities look at places that have excellent public transit systems and relatively high density, such as Portland, Seattle, or New York. But Ross contends that if we can't change the game in fast-growing, low-density cities like Phoenix, the whole movement has a major problem. Drawing on interviews with 200 influential residents--from state legislators, urban planners, developers, and green business advocates to civil rights champions, energy lobbyists, solar entrepreneurs, and community activists--Ross argues that if Phoenix is ever to become sustainable, it will occur more through political and social change than through technological fixes. Ross explains how Arizona's increasingly xenophobic immigration laws, science-denying legislature, and growth-at-all-costs business ethic have perpetuated social injustice and environmental degradation. But he also highlights the positive changes happening in Phoenix, in particular the Gila River Indian Community's successful struggle to win back its water

rights, potentially shifting resources away from new housing developments to producing healthy local food for the people of the Phoenix Basin. Ross argues that this victory may serve as a new model for how green democracy can work, redressing the claims of those who have been aggrieved in a way that creates long-term benefits for all. Bird on Fire offers a compelling take on one of the pressing issues of our time--finding pathways to sustainability at a time when governments are dismally failing in their responsibility to address climate change.

**A Mantle of Roses: a Woman's Journey Home to Peace** Virginia Swain, 2004-08-05 A Mantle of Roses: A Woman's Journey Home to Peace is the memoir of a twenty-year period of an ordinary woman, Virginia Swain, who has had extraordinary experiences. Virginia's spiritual journey began in 1979 when she didn't have the resources to deal with a brother's sudden death. Over time, Virginia became aware of a Speaking Presence within her. She learned to access this inner voice to heal her past and claim her vocation for peace. Now she teaches what she has learned through the Institute for Global Leadership and the Center for Global Community and World Law. She mentors leaders

committed to a sustainable peace and works to abolish war. Virginia poses questions for the reader at the end of each chapter. Journal pages are at the end of the book.

**Book of Hours** Galen Gillotte, 2002 This beautiful hardcover book complements the author's Book of Hours: Prayers to the Goddess and offers god-centered prayers, meditations, and affirmations. Includes eight prayers for the Sabbats and prayers for various occasions. Glossary.

**The Divine Attributes** Joshua Hoffman, Gary S. Rosenkrantz, 2008-04-15 The Divine Attributes is an engaging analysis of the God of Judaism, Christianity, and Islam from the perspective of rational theology.

**Pink Paper Swans** Virginia L. Kroll, 1994 Kroll's story of an interracial, intergenerational friendship comes alive in Clouse's full-color, cut-paper collages, the perfect medium for the story.--Booklist.

Fragments of Light Michele Phoenix, 2020-07-14 An impossible decision in the chaos of D-Day. Ripples that cascade seventy-five years into the present. And two lives transformed by the tenuous resolve to reach out of the darkness toward fragments of light. Cancer stole everything from

Ceelie—her peace of mind, her selfimage, perhaps even her twenty-three-year marriage to her college sweetheart, Nate. Without the support of Darlene, her quirky elderly friend, she may not have been able to endure so much loss. So when Darlene’s own prognosis turns dire, Ceelie can’t refuse her seemingly impossible request—to find a WWII paratrooper named Cal, the father who disappeared when Darlene was an infant, leaving a lifetime of desolation in his wake. The search that begins in the farmlands of Missouri eventually leads Ceelie to a small town in Normandy, where she uncovers the harrowing tale of the hero who dropped off-target into occupied France. Alternating between Cal’s D-Day rescue by two French sisters and Ceelie’s present-day journey through trial and heartbreak, *Fragments of Light* explores a timeless question: When life becomes unbearable, will you surrender to the darkness or dare to press toward a lingering light? Praise for *Fragments of Light* “Michèle Phoenix skillfully explores the strength and resiliency of the human spirit but also its heartbreaking limits. Brimming with expertly researched wartime details, *Fragments of Light* abounds with poignancy and insight.” —Susan Meissner, bestselling author of *The Last Year of the War* “As a D-Day Airborne

participant, I recommend this novel with enthusiasm. Everyone should read it.” —Staff Sergeant Thomas Rice, WWII Veteran, 101st Airborne “Michele Phoenix’s *Fragments of Light* is a luminous portrait of men and women grappling with the past in a brave attempt to forge a different kind of future . . . A story as beautiful as it is heartbreaking. In short, I loved this book!” —Lauren Denton, USA TODAY bestselling author of *The Hideaway* “Deeply personal and beautifully humane, Phoenix once again asserts her power as one of the most moving and lyrical voices in inspirational fiction.” —Rachel McMillan, author of *The London Restoration* “Written with depth and understanding, this story offers readers a wonderful journey spanning from war-torn World War II France to a battle for love in our time.” —Katherine Reay, bestselling author of *Dear Mr. Knightley* “As the title suggests, there are no easy illuminations on the path of healing. Cancer attacks more than the body. War destroys more than flesh and bone. Not all heroes welcome the attention, and not all husbands are up to the challenge. Women find the most unlikely sources of strength, and the best families defy definition.” —Allison Pittman, bestselling author of *The Seamstress* “It’s not often a story moves me as *Fragments of Light*

has. With a rare and honest voice, Michèle Phoenix weaves a story of heroes from yesteryear and also those from your neighborhood—each with hearts of valor—as they endure the fight of their lives.”  
—Elizabeth Byler Younts, Carol Award-winning author *The Solace of Water*

### **The Myth of Disenchantment** Jason Ananda Josephson Storm, Jason Ananda

Josephson, 2017-05-16 A great many theorists have argued that the defining feature of modernity is that people no longer believe in spirits, myths, or magic. Jason Ananda Josephson-Storm argues that as broad cultural history goes, this narrative is wrong, as attempts to suppress magic have failed more often than they have succeeded. Even the human sciences have been more enchanted than is commonly supposed. But that raises the question: How did a magical, spiritualist, mesmerized Europe ever convince itself that it was disenchanting? Josephson-Storm traces the history of the myth of disenchantment in the births of philosophy, anthropology, sociology, folklore, psychoanalysis, and religious studies. Ironically, the myth of mythless modernity formed at the very time that Britain, France, and Germany were in the midst of occult and spiritualist revivals. Indeed, Josephson-Storm

argues, these disciplines' founding figures were not only aware of, but profoundly enmeshed in, the occult milieu; and it was specifically in response to this burgeoning culture of spirits and magic that they produced notions of a disenchanted world. By providing a novel history of the human sciences and their connection to esotericism, *The Myth of Disenchantment* dispatches with most widely held accounts of modernity and its break from the premodern past.

One God in Three Persons Bruce A. Ware, John Starke, 2015 Twelve evangelical scholars offer a comprehensive defense of the eternal submission of the Son and the Spirit to the Father, exploring the issue from exegetical, theological, historical, and pastoral perspectives.

**Conversations with God for Teens** Neale Donald Walsch, 2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more.

Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, Why can't I just have sex with everybody? What's the big deal?, the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you? There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

*The Soul of the Firm* C. William Pollard, 1996 'Bill Pollard speaks with a voice of experience. His book deals with the practice of leadership- over time, under pressure, living with reality, getting the desired results. The Soul of the Firm tells how ServiceMaster has successfully grapple with the key issues of leadership. That is why it is so worthwhile.' -Max De Pree 'Bill Pollard demonstrates in great

detail ServiceMaster's value system, a system that emphasizes the importance of the dignity of the individual. Readers will benefit greatly from Bill's wisdom. This is an important book that should be widely read.' -W. Earl Sasser, James L. Heskett, and Leonard A. Schlesinger 'Rarely are we given an open and generous look inside the corporate leader who is the embodiment of the mission and values of the enterprise. . . A powerful book.' -Frances Hesselbein 'A fascinating story about servant leadership and an extraordinary culture at ServiceMaster.' -Richard L. Thomas 'A remarkable book. . . . ServiceMaster invented 'lean production' for the service sector by listening to and empowering its employees on the front line. This book is the moving story of the wellspring of that culture and philosophy, told by a reflective, modest corporate leader.' -Elmer Johnson

**Fahrenheit 451** Ray Bradbury, 2003-09-23 Set in the future when firemen burn books forbidden by the totalitarian brave new world regime.

*The Poppy War* R. F. Kuang, 2018-05-01 "I have no doubt this will end up being the best fantasy debut of the year [...] I have absolutely no doubt that [Kuang's] name will be up there with the likes of

Robin Hobb and N.K. Jemisin.” -- Booknest A Library Journal, Paste Magazine, Vulture, BookBub, and ENTROPY Best Books pick! Washington Post 5 Best Science Fiction and Fantasy Novel pick! A Bustle 30 Best Fiction Books pick! A brilliantly imaginative talent makes her exciting debut with this epic historical military fantasy, inspired by the bloody history of China’s twentieth century and filled with treachery and magic, in the tradition of Ken Liu’s *Grace of Kings* and N.K. Jemisin’s *Inheritance Trilogy*. When Rin aced the Keju—the Empire-wide test to find the most talented youth to learn at the Academies—it was a shock to everyone: to the test officials, who couldn’t believe a war orphan from Rooster Province could pass without cheating; to Rin’s guardians, who believed they’d finally be able to marry her off and further their criminal enterprise; and to Rin herself, who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sineward—the most elite military school in Nikan—was even more surprising. But surprises aren’t always good. Because being a dark-skinned peasant girl from the south is not an easy thing at Sineward. Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a

lethal, unearthly power—an aptitude for the nearly-mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive—and that mastering control over those powers could mean more than just surviving school. For while the Nikara Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War, and only barely lost the continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away . . . Rin’s shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity . . . and that it may already be too late.

**To Siri with Love** Judith Newman, 2017-08-22 A NEW YORK TIMES NOTABLE BOOK OF 2017

From the author of the viral New York Times op-ed column *To Siri with Love* comes a collection of touching, hilarious, and illuminating stories about life with a thirteen-year-old boy with autism that hold

insights and revelations for us all. When Judith Newman shared the story of how Apple's electronic personal assistant, Siri, helped Gus, her son who has autism, she received widespread media attention and an outpouring of affection from readers around the world. Basking in the afterglow of media attention, Gus told anyone who would listen, I'm a movie star. Judith's story of her son and his bond with Siri was an unusual tribute to technology. While many worry that our electronic gadgets are dumbing us down, she revealed how they can give voice to others, including children with autism like Gus—a boy who has trouble looking people in the eye, hops when he's happy, and connects with inanimate objects on an empathetic level. *To Siri with Love* is a collection of funny, poignant, and uplifting stories about living with an extraordinary child who has helped a parent see and experience the world differently. From the charming (Gus weeping with sympathy over the buses that would lie unused while the bus drivers were on strike) to the painful (paying \$22,000 for a behaviorist in Manhattan to teach Gus to use a urinal) to the humorous (Gus's insistence on getting naked during all meals, whether at home or not, because he does not want to get his clothes dirty) to the profound

(how an automated assistant helped a boy learn how to communicate with the rest of the world), the stories in *To Siri with Love* open our eyes to the magic and challenges of a life beyond the ordinary.

Myths of Enki, The Crafty God Samuel Noah Kramer, John Maier, 2020-08-18 This ambitious and well-researched study brings together for the first time translations of the ancient literature concerning the Sumerian god Enki, one of four gods and goddesses who comprised the highest level of the Sumerian pantheon. The very existence of these writings, which date from the Third Millennium B.C., was unknown until about 100 years ago, when their cuneiform script was deciphered. Since then, it has become apparent that Sumerian literature had a profound and enduring influence on both Biblical and classical Greek literature, and so on the literature of the western world as a whole. Kramer, one of the world's leading sumerologists, has prepared these translations from among the scores of works he has published over the last fifty years; John Maier provides a full interpretive framework that places the translations in their broader comparative cultural context. This rare collection will be of interest to students and scholars in a wide range of disciplines from Near Eastern and Biblical Studies to

Mythology and Comparative Literature.

**Outside the Lines** Mihee Kim-Kort, 2018-07-01 God's love for us breaks every boundary. So should our love for each other. Mihee Kim-Kort is a wife, a mom, and a Presbyterian minister. And she's queer. As she became aware of her queer sexuality, Mihee wondered what that meant for her spirituality. But instead of pushing her away from God, her queerness has brought her closer to Jesus and taught her how to love better. In *Outside the Lines*, Mihee shows us how God, in Jesus, is oriented toward us in a queer and radical way. Through the life, work, and witness of Jesus, we see a God who loves us with a queer love. And our faith in that God becomes a queer spirituality--a spirituality that crashes through definitions and moves us outside of the categories of our making. Whenever we love ourselves and our neighbors with the boundary-breaking love of God, we live out this queer spirituality in the world. With a captivating mix of personal story and biblical analysis, *Outside the Lines* shows us how each of our bodies fits into the body of Christ. Outside the lines and without exceptions.

**The Phoenix** Joseph Nigg, 2016-11-04 An “insightful cultural history of the mythical, self-immolating bird” from Ancient Egypt to contemporary pop culture by the author of *The Book of Gryphons* (Library Journal). The phoenix, which rises again and again from its own ashes, has been a symbol of resilience and renewal for thousands of years. But how did this mythical bird come to play a part in cultures around the world and throughout human history? Here, mythologist Joseph Nigg presents a comprehensive biography of this legendary creature. Beginning in ancient Egypt, Nigg’s sweeping narrative discusses the many myths and representations of the phoenix, including legends of the Chinese, where it was considered a sacred creature that presided over China’s destiny; classical Greece and Rome, where it appears in the writings of Herodotus and Ovid; medieval Christianity, in which it came to embody the resurrection; and in Europe during the Renaissance, when it was a popular emblem of royals. Nigg examines the various phoenix traditions, the beliefs and tales associated with them, their symbolic and metaphoric use, and their appearance in religion, bestiaries, and even contemporary popular culture, in which the ageless bird of renewal is employed as a mascot

and logo. “An exceptional work of scholarship.”—Publishers Weekly
