The Boy with Fire Aparna Verma,2021-08-23 Dune meets The Poppy War in Aparna Verma's The Boy with Fire, a glorious yet brutal tour-de-force debut that grapples with the power and manipulation of myth in an Indian-inspired epic fantasy. Yassen Knight was the Arohassin's most notorious assassin until a horrible accident. Now, he's on the run from the authorities and his former employer. But when Yassen seeks refuge with an old friend, he's offered an irresistible deal: defend the heir of Ravence from the Arohassin, and earn his freedom. Elena Ravence prepares to ascend the throne. Trained since birth in statecraft, warfare, and the desert ways, Elena knows she is ready. She only lacks one thing: the ability to hold Fire. With the coronation only weeks away, she must learn quickly or lose her kingdom. Leo Ravence is not ready to give up the crown. There's still too much work to be done, too many battles to be won. But when an ancient prophecy threatens to undo his lifetime of work, Leo wages war on the heavens themselves to protect his legacy. The first of The Ravence Trilogy, The Boy with Fire is the tale of a world teetering on the edge of war and prophecy, of fate and betrayal, of man's irrevocable greed for power - and the sacrifices that must come with it.

The Myth of Disenchantment Jason Ananda Josephson Storm,Jason Ānanda Josephson,2017-05-16 A great many theorists have argued that the defining feature of modernity is that people no longer believe in spirits, myths, or magic. Jason Ā. Josephson-Storm argues that as broad cultural history goes, this narrative is wrong, as attempts to suppress magic have failed more often than they have succeeded. Even the human sciences have been more enchanted than is commonly supposed. But that raises the question: How did a magical, spiritualist, mesmerized Europe ever convince itself that it was disenchanted? Josephson-Storm traces the history of the myth of disenchantment in the births of philosophy, anthropology, sociology, folklore, psychoanalysis, and religious studies. Ironically, the myth of mythless modernity formed at the very time that Britain, France, and Germany were in the midst of occult and spiritualist revivals. Indeed, Josephson-Storm argues, these disciplines' founding figures were not only aware of, but profoundly enmeshed in, the occult milieu; and it was specifically in response to this burgeoning culture of spirits and magic that they produced notions of a disenchanted world. By providing a novel history of the human sciences and their connection to esotericism, The Myth of Disenchantment dispatches with most widely held accounts of modernity and its break from the premodern past.

Conversations with God for Teens Neale Donald Walsch,2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, Why can't I just have sex with everybody? What's the big deal?, the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you? There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

God and the Editor Robert H. Phelps,2009-07-08 For nearly twenty years Robert H. Phelps ran interference for, cheered on, and sometimes scolded star reporters and top editors at the New York Times. Starting his editing career at the desk of the Providence Journal-Bulletin, Phelps joined the New York Times as a copy editor, eventually serving as the Times news editor for the Washington bureau. Along the way he struggled with balancing his moral ideals and his personal ambition. In this compelling memoir, Phelps interweaves his personal and professional experiences with some of the most powerful stories of the era. With candor and keen observation, Phelps chronicles both the triumphant and the tragic events at the Times. He explains the missed lessons of the Pentagon Papers, why the Times played catchup with the Washington Post on the Watergate scandal but eventually surpassed it on covering that seminal story, and how the Times failed to report a key element of the riots at the 1968 Democratic convention. Phelps offers mixed appraisals of such luminaries as A. M. Rosenthal, James B. Reston, E. Clifton Daniel, and Max Frankel, and expresses great admiration for Seymour Hersh, Neil Sheehan, and Bill Beecher, three unlikely scoop artists. As Phelps settled in at the New York Times, journalism became the religion he had searched for since his adolescence. Over his tenure of nearly two decades, however, Phelps found that journalism's stark emphasis on fact was insufficient to address many of life's dilemmas and failed to provide the sustaining guidance he envied in his wife's Catholic faith.

Outside the Lines Mihee Kim-Kort,2018-07-01 God's love for us breaks every boundary. So should our love for each other. Mihee Kim-Kort is a wife, a mom, and a Presbyterian minister. And she's queer. As she became aware of her queer sexuality, Mihee wondered what that meant for her spirituality. But instead of pushing her away from God, her queerness has brought her closer to Jesus and taught her how to love better. In Outside the Lines, Mihee shows us how God, in Jesus, is oriented toward us in a queer and radical way. Through the life, work, and witness of Jesus, we see a God who loves us with a queer love. And our faith in that God becomes a queer spirituality--a spirituality that crashes through definitions and moves us outside of the categories of our making. Whenever we love ourselves and our neighbors with the boundary-breaking love of God, we live out this queer spirituality in the world. With a captivating mix of personal story and biblical analysis, Outside the Lines shows us how each of our bodies fits into the body of Christ. Outside the lines and without exceptions.

To Siri with Love Judith Newman,2017-08-22 A NEW YORK TIMES NOTABLE BOOK OF 2017 From the author of the viral New York Times op-ed

column *To Siri with Love* comes a collection of touching, hilarious, and illuminating stories about life with a thirteen-year-old boy with autism that hold insights and revelations for us all. When Judith Newman shared the story of how Apple’s electronic personal assistant, Siri, helped Gus, her son who has autism, she received widespread media attention and an outpouring of affection from readers around the world. Basking in the afterglow of media attention, Gus told anyone who would listen, I’m a movie star. Judith’s story of her son and his bond with Siri was an unusual tribute to technology. While many worry that our electronic gadgets are dumbing us down, she revealed how they can give voice to others, including children with autism like Gus—a boy who has trouble looking people in the eye, hops when he’s happy, and connects with inanimate objects on an empathetic level. *To Siri with Love* is a collection of funny, poignant, and uplifting stories about living with an extraordinary child who has helped a parent see and experience the world differently. From the charming (Gus weeping with sympathy over the buses that would lie unused while the bus drivers were on strike) to the painful (paying \$22,000 for a behaviorist in Manhattan to teach Gus to use a urinal) to the humorous (Gus’s insistence on getting naked during all meals, whether at home or not, because he does not want to get his clothes dirty) to the profound (how an automated assistant helped a boy learn how to communicate with the rest of the world), the stories in *To Siri with Love* open our eyes to the magic and challenges of a life beyond the ordinary.

Catholics Come Home Thomas B. Peterson, 2013-02-19 With a Foreword by Scott Hahn, bestselling author of *The Lamb’s Supper* God has something extraordinary planned for your life . . . In our fast-paced, highly technological world, this statement might sound a bit lofty, but the lives of millions of souls who have come before us attest to this simple truth: God has a wonderful plan in store for you. With these words, Tom Peterson, founder and president of Catholics Come Home, a nonprofit multimedia organization dedicated to promoting Catholic evangelization, offers inspiration for believers from all walks of life, whether lapsed or practicing, to deepen their faith and draw them closer to Jesus and His Church. In a series of moving stories and personal anecdotes, Tom relates how after rediscovering his faith, he experienced God’s unfailing love, and soon found his true purpose in life. You can too! Drawing from scripture, his own struggles and discoveries, and the lives of the saints as well as ordinary individuals, the author offers seven ways to enter into a more deeply personal relationship with Jesus. These are pearls that you can share with others to illuminate the importance of the Catholic faith and open wide the door to a homecoming celebration. From the Hardcover edition.

The Poppy War R. F. Kuang, 2018-05-01 “I have no doubt this will end up being the best fantasy debut of the year [...] I have absolutely no doubt that [Kuang’s] name will be up there with the likes of Robin Hobb and N.K. Jemisin.” -- Booknest A Library Journal, Paste Magazine, Vulture, BookBub, and ENTROPY Best Books pick! Washington Post 5 Best Science Fiction and Fantasy Novel pick! A Bustle 30 Best Fiction Books pick! A brilliantly imaginative talent makes her exciting debut with this epic historical military fantasy, inspired by the bloody history of China’s twentieth century and filled with treachery and magic, in the tradition of Ken Liu’s *Grace of Kings* and N.K. Jemisin’s *Inheritance Trilogy*. When Rin aced the Keju—the Empire-wide test to find the most talented youth to learn at the Academies—it was a shock to everyone: to the test officials, who couldn’t believe a war orphan from Rooster Province could pass without cheating; to Rin’s guardians, who believed they’d finally be able to marry her off and further their criminal enterprise; and to Rin herself, who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sinegard—the most elite military school in Nikan—was even more surprising. But surprises aren’t always good. Because being a dark-skinned peasant girl from the south is not an easy thing at Sinegard. Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a lethal, unearthly power—an aptitude for the nearly-mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive—and that mastering control over those powers could mean more than just surviving school. For while the Nikara Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War, and only barely lost the continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away . . . Rin’s shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity . . . and that it may already be too late.

Last Night at the Viper Room Gavin Edwards, 2013-10-22 In *Last Night at the Viper Room*, acclaimed author and journalist Gavin Edwards vividly recounts the life and tragic death of acclaimed actor River Phoenix—a teen idol on the fast track to Hollywood royalty who died of a drug overdose in front of West Hollywood’s storied club, the Viper Room, at the age of 23. *Last Night at the Viper Room* explores the young star’s life, including his childhood in Venezuela growing up under the aegis of the cultish Children of God. Putting him at the center of a new generation of leading men emerging in the early 1990s— including Johnny Depp, Keanu Reeves, Brad Pitt, Nicolas Cage, and Leonardo DiCaprio—Gavin Edwards traces the Academy Award nominee’s meteoric rise, couches him in an examination of the 1990s, and illuminates his lasting legacy on Hollywood and popular culture itself.

The Endgame Riley Hart, 2021-04-15 WestonWhen I left home, I swore I'd never hide anything about myself again. From college, to law school, to the United States Senate representing California, I've done it all as an out gay man. So, when I'm in DC and see a beautiful guy at the hotel bar, I don't hesitate to proposition him...right before he runs out on me, leaving his sunglasses behind like my very own Cinderella. Anson! I've always known I'm gay, but never acted on it. Pretending isn't easy, but it means I can keep playing football. No one has ever guessed my secret until the gorgeous man at a bar in DC. At least he doesn't know who I am--the best tight end in the NFL, playing for the Atlanta Lightning. Though my identity doesn't stay a secret from him for long. Between texts and late-night phone calls, we get to know each other. West's the only person who knows all the parts of me, just like I know his. When he asks for one night together so he can show me what it's like to be with a man, I can't say no. But once isn't enough, and we keep sneaking around together--brief encounters, in California, Georgia, or DC, filled with passionate touches and whispered truths. I never thought I'd have love. West never thought he'd want it. Now we're all in with each other, but he still has time left in his Senate term. I have contract obligations to fulfill, and I'm closeted. We don't even live in the same state. The odds are stacked against us, but if there's one thing I know, it's how to win. He's the endgame in the biggest challenge of my life, the one I'm banking my future happiness on.
