Grandmother's Visit Betty Quan, 2018-09-01 Grace says goodbye to Grandmother in this touching book about love and loss. Grandmother lives with Grace's family. She teaches her how to measure water for rice. She tells her stories about growing up in China and together they savor the flavors of her childhood. Grandmother says goodbye when she drops Grace off at school every morning and hello when she picks her up at the end of the day. Suddenly, Grandmother stops walking Grace to and from school, and the door to her room stays closed. Father comes home early to make dinner, but the rice bowls stay full. One day, Grandmother's room is empty. And soon after, she is buried. After the funeral, Grace's mom turns on all the outside lights so that Grandmother's spirit can find its way home for one final goodbye. Carmen Mok's gentle illustrations show the love between a child and her grandmother in this story that will resonate with anyone who has lost a loved one. Betty Quan's picture-book debut is haunting yet hopeful. Grandmother Fish Jonathan Tweet, 2016-09-06 Where did we come from? It's a simple question, but not so simple an answer to explain—especially to young children. Charles Darwin's theory of common descent no longer needs to be a scientific mystery to inquisitive young readers. Meet Grandmother Fish. Told in an engaging call and response text where a child can wiggle like a fish or hoot like an ape and brought to life by vibrant artwork, Grandmother Fish takes children and adults through the history of life on our planet and explains how we are all connected. The book also includes comprehensive backmatter, including: - An elaborate illustration of the evolutionary tree of life - Helpful science notes for parents - How to

explain natural selection to a child

Grandmother Power Paola Gianturco,2012-09-18 Whether fighting for the environment, human rights, education, health, or cultural preservation, a new generation of activist grandmothers across the world are using their strength, wisdom, and hearts to make a difference. An unheralded grandmothers' movement is changing the world. Insurgent grandmothers are using their power to fight for a better future for grandchildren everywhere. And they are succeeding. Grandmother Power profiles activist grandmothers in fifteen countries on five continents who tell their compelling stories in their own words. Grandmothers in Canada, Swaziland, and South Africa collaborate to care for AIDS orphans. Grandmothers in Senegal convince communities to abandon female genital mutilation. Grandmothers in India become solar engineers and bring light to their villages while those in Peru, Thailand, and Laos sustain weaving traditions. Grandmothers in Argentina teach children to love books and reading. Other Argentine grandmothers continue their 40-year search for grandchildren who were kidnapped during the nation's military dictatorship. Irish grandmothers teach children to sow seeds and cook with fresh, local ingredients. Filipino grandmothers demand justice for having been forced into sex slavery during World War II. Guatemalan grandmothers operate a hotline and teach parenting. In the Middle East, Israeli grandmothers monitor checkpoints to prevent abuse and the UAE's most popular television show stars four animated grandmothers who are surprised by contemporary life. Indigenous grandmothers from thirteen countries conduct healing rituals to bring peace to the world. Gianturco's full-color images and her heroines' amazing tales make Grandmother Power an inspiration for everyone, and it cements the power of grandmothers worldwide. Please visit <http://globalgrandmotherpower.com/> for additional information. All author royalties will be donated to the Stephen Lewis Foundation's Grandmothers to Grandmothers campaign, which provides grants to African grandmothers who are raising AIDS orphans.

The photographs in this edition are new digital scans of Welty's original negatives and authentic prints, restoring the images to their original glory. It also features sixteen additional images, several of which were selected by Welty for her 1936 photography exhibit in New York City and have never before been reproduced for publication, along with a resonant, new foreword by Pulitzer Prize-winning writer and Mississippi native Natasha Trethewey.
