Menstruation Matters Bridget J. Crawford, Emily Gold Waldman, 2022-06-21 Explores the burgeoning menstrual advocacy movement and analyzes how law should evolve to take menstruation into account. Approximately half the population menstruates for a large portion of their lives, but the law is mostly silent about the topic. Until recently, most people would have said that periods are private matters not to be discussed in public. But the last few years have seen a new willingness among advocates and allies of all ages to speak openly about periods. Slowly around the globe, people are recognizing the basic fundamental human right to address menstruation in a safe and affordable way, free of stigma, shame, or barriers to access. **Menstruation Matters** explores the role of law in this movement. It asks what the law currently says about menstruation (spoiler alert: not much) and provides a roadmap for legal reform that can move society closer to a world where no one is held back or disadvantaged by menstruation. Bridget J. Crawford and Emily Gold Waldman examine these issues in a wide range of contexts, from schools to workplaces to prisons to tax policies and more. Ultimately, they seek to transform both law and society so that menstruation is no longer an obstacle to full participation in all aspects of public and private life.

Level Up Your Life Steve Kamb, 2016-01-12 In 5 years, Steve Kamb has transformed himself from wanna-be daydreamer into a real-life superhero and actually turned his life into a gigantic video game: flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss

battles, earn experience points, and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole, *Level Up Your Life* is for you. Kamb will teach you exactly how to use your favorite video games, books, and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website, NerdFitness.com, and leveled up their lives—losing weight, getting stronger, and living better. In *Level Up Your Life*, you'll meet more than a dozen of these members of The Rebellion: men and women, young and old, single and married, from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide, you'll follow in their footsteps and learn exactly how to:

- Create your own "Alter Ego" with real-life super powers
- Build your own Epic Quest List, broken into categories and difficulty levels
- Hack your productivity habits to start making progress
- Train your body for any adventure
- Build in rewards and accountability that will actually motivate you to succeed
- Travel the world freely (and cheaply)
- Recruit the right allies to your side and find powerful mentors for guidance

Adventure is out there, and the world needs more heroes. Will you heed the call?

Heartstream Tom Pollock,2019-07 I just wanted to see you. Before the end. A taut psychological thriller about obsession, fame and betrayal, for fans of Black Mirror. Cat is in love. Always the sensible one, she can't believe that she's actually dating, not to mention dating a star. But the fandom can't know. They would eat her alive. And first at

the buffet would definitely be her best friend, Evie. Amy uses Heartstream, a social media app that allows others to feel your emotions. She broadcasted every moment of her mother's degenerative illness, and her grief following her death. It's the realest, rawest reality TV imaginable. But on the day of Amy's mother's funeral, Amy finds a strange woman in her kitchen. She's rigged herself and the house with explosives - and she's been waiting to talk to Amy for a long time. Who is she? A crazed fan? What does she want? Amy and Cat are about to discover how far true obsession can go.

I, Rhoda Valerie Harper, 2013-01-15 As Mary Richards's lovable and self-deprecating best friend Rhoda Morgenstern on The Mary Tyler Moore Show, Valerie Harper, too, turned the world on with her smile. Viewers could relate to Rhoda, native New Yorker and struggling working girl, who was unlucky in love and insecure about her weight but who always kept her sense of humor. Valerie was an unknown actress when she won the part that made her famous, and by the time *Rhoda*, her popular spin-off show, ended, she had won four Emmys and a Golden Globe. The role was groundbreaking. On-screen, she represented a self-reliant new identity for women of the 1970s while off-screen she fought alongside feminists Gloria Steinem and Bella Abzug for equal rights, among other issues that were important to her. Valerie's showbiz journey has taken her from Broadway, where she performed as a dancer and eventually found herself onstage with Lucille Ball and Jackie Gleason, to Hollywood, where she went down in history as one of television's best-loved characters, and back to the Great White Way, where she recently won a Tony Award nomination for her critically acclaimed role as Tallulah Bankhead. Her inspiring story is laced with triumphs and a few

transformative obstacles along the way, but she remains upbeat and funny throughout, always confident that no matter what, she's going to make it after all.

May I Be Happy Cyndi Lee, 2014-01-28 For all her wisdom as a teacher, Cyndi Lee understood intuitively that she still had a lot to learn. In spite of her success in physically demanding professions - dancer, choreographer, and yoga teacher - Lee was caught in a lifelong cycle of repetitive self-judgment about her body. Instead of the radical contentment expected in international yoga teachers, she realised that hating her body was a form of suffering, which was infecting her closest relationships - including her relationship to herself. Inspired by the honesty and vulnerability of her students, Lee embarked on a journey of self-discovery that led her outward - from the sacred sites of the parched Indian countryside to the center of the 2011 earthquake in Japan - and inward, to seek the counsel of wise women, friends and strangers both. Applying the ancient Buddhist practice of loving-

kindness meditation to herself, Lee learned that compassion is the only antidote to hatred, thereby healing her heart and changing her mind. With prose as agile as the yoga sequences she creates, *May I Be Happy* gives voice to Lee's belief that every life arises, abides, and ultimately dissolves. By becoming her own best student, Lee internalizes the strength, stability, and clarity she imparts in her Buddhist-inspired yoga classes.

Eve's Bite Ian Wishart, 2007-01-01 In the most politically incorrect book ever published in this country, journalist Wishart rounds up a herd of sacred cows, skewering the social engineers, and exposing the elites who want your taxes and your children while they laugh all the way to the bank like perverse Pied Pipers.

Moments of Grace Laurie Blefeld, 2018-04-18 Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure.-Gunilla Norris,

author of *Sheltered in the Heart* and *Companions on the Way: A Little Book of Heart-full Practices* Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. *Moments of Grace* is luminous, warm, comforting and filled with such good practices.- Dr. Joan Borysenko, from the Foreword
