Gift Wrapping with Textiles Chizuko Morita, 2015-09-18 In Japanese culture, it is customary to put as much care into the wrapping of a gift as into choosing the gift itself. The way a gift is wrapped

and the material in which it is presented are considered expressions of the giver's feeling toward the recipient. Now, using techniques that have been part of Japanese tradition for generations, Chizuko Morita offers readers innovative and unique ideas for using the Japanese art of wrapping with cloth in very contemporary ways. In a matter of minutes, a swatch of cloth known as a furoshiki can be fashioned into an elegant wrapping for a CD, a book, a bottle of wine, a box of chocolates, even a soccer ball. And unlike paper gift wrap, if you get it wrong the first time, you can just undo the knots and start again. Not only are the wraps fool-proof, they rely on only three basic knots. INCLUDES: Stunningly original wrapping ideas Gift-wraps for wine, books, CDs, pictures, posters, balls, and boxed items of all sizes Based on techniques that have their roots in centuries-old Japanese traditions of wrapping for gift-giving ALSO: Additional ideas to freshen up everyday items such as pillows, baskets, and more New thoughts for decorating the breakfast and dinner table Add an elegant touch to flowerpots, planters, or a bouquet of flowers Make an instant magazine rack or knapsack
