Jay H. Steegstra,2018-01-06 The archaeologist and Bronze Age metal specialist Dr Jay J. Butler (1921-2014) was a kind, warmhearted man, averse to hype and ostentation, who was happy to share his knowledge in non-academic language both with professionals and interested amateurs. But woe betide anyone who might use the evidence to draw unwarranted conclusions... A cosmopolitan American, he demonstrated that people in the Bronze Age maintained contacts that reached well beyond today's national frontiers. In practicals with his students he acquainted them with, for instance, the difficulties of bronze casting: prehistoric artisans were far more sophisticated than previously thought. He started taking samples for metal analyses, initiated international collaborative projects, and widened his students' horizons by taking them on trips abroad to visit excavations and museums. His eventful life was linked to many themes: immigration that is welcome only insofar as it is lucrative, racism, exploitation of the poor, religious fundamentalism, a devastating world war, information being doctored or suppressed, lack of humanity and neglect of common courtesy. With Jay Butler's demise, the world lost an enthusiastic, authoritative and accessible archaeologist.

**Empire of the Vampire** Jay Kristoff,2021-09-14 THE INSTANT NEW YORK TIMES, USA TODAY, AND WALL STREET JOURNAL BESTSELLER From New York Times bestselling author Jay Kristoff comes Empire of the Vampire, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright. And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail.

**Think Like a Monk** Jay Shetty,2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his re[sume], he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.
