Regrets, None Dolly Thakore, 2021-09-05 Written with wit, humour and candour, Regrets, None is a rare memoir that is unafraid to bare it all. It

follows veteran theatre personality Dolly Thakore's life and career -- growing up in Delhi and an assortment of Air Force stations, getting her start in theatre in college, her time in London, involvement with social issues, casting for Gandhi and filming it across India, working in radio, television and advertising while returning always to her first love, theatre. Dolly Thakore brings alive another era -- the glitz, the glamour, the struggles. She speaks candidly about love, sex, infidelity, motherhood, commitment, the ecstasy and the heartbreaks. She emerges as a true-blooded embodiment of what it means to be a strong, empowered, vulnerable, courageous (and sometimes outrageous) woman.

The Mantle and Other Stories Nikolai Vasilievich Gogol, 2020-09-28 As a novel-writer and a dramatist, Gogol appears to me to deserve a minute study, and if the knowledge of Russian were more widely spread, he could not fail to obtain in Europe a reputation equal to that of the best English humorists. A delicate and close observer, quick to detect the absurd, bold in exposing, but inclined to push his fun too far, Gogol is in the first place a very lively satirist. He is merciless towards fools and rascals, but he has only

one weapon at his disposal. Irony. This is a weapon which is too severe to use against the merely absurd, and on the other hand it is not sharp enough for the punishment of crime; and it is against crime that Gogol too often uses it. His comic vein is always too near the farcical, and his mirth is hardly contagious. If sometimes he makes his reader laugh, he still leaves in his mind a feeling of bitterness and indignation; his satires do not avenge society, they only make it angry. As a painter of manners, Gogol excels in familiar scenes. He is akin to Teniers and Callot. We feel as though we had seen and lived with his characters, for he shows us their eccentricities, their nervous habits, their slightest gestures. One lisps, another mispronounces his words, and a third hisses because he has lost a front tooth. Unfortunately Gogol is so absorbed in this minute study of details that he too often forgets to subordinate them to the main action of the story. To tell the truth, there is no ordered plan in his works, and a strange trait in an author who sets up as a realist. He takes no care to preserve an atmosphere of probability. His most carefully painted scenes are clumsily connected. They begin and end abruptly; often the author's great carelessness in construction destroys, as though wantonly, the illusion produced by the truth of his descriptions and the naturalness of his conversations.

You'll Never Know, Dear Hallie Ephron, 2017-06-06 FINALIST FOR THE 2018 MARY HIGGINS CLARK AWARD An addictive novel of psychological suspense from the award-winning author of Night Night, Sleep Tight, about three generations of women haunted by a little girl's disappearance, and the porcelain doll that

may hold the key to the truth . . . Seven-year-old Lissie Woodham and her four-year-old sister Janey were playing with their porcelain dolls in the front yard when an adorable puppy scampered by. Eager to pet the pretty dog, Lissie chased after the pup as it ran down the street. When she returned to the yard, Janey's precious doll was gone . . . and so was Janey. Forty years after Janey went missing, Lis—now a mother with a college-age daughter of her own—still blames herself for what happened. Every year on the anniversary of her sister's disappearance, their mother, Miss Sorrel, places a classified ad in the local paper with a picture of the toy Janey had with her that day—a one-of-a-kind porcelain doll—offering a generous cash reward for its return. For years, there's been no response. But this year, the doll came home. It is the first clue in a decades-old mystery that is about to turn into something far more sinister—endangering Lis and the lives of her mother and daughter as well. Someone knows the truth about what happened all those years ago, and is desperate to keep it hidden.

The F.A.T. Manual Geraldine Juárez, 2013 In more than five years of activity, the Free Art and Technology Lab produced an impressive series of projects, all developed with open source software, shared online and documented in a way that allows everybody to copy, improve, abuse or simply use them. This approach situates F.A.T. Lab in a long tradition of DIY, processual, sharable artistic practices based on instructionals, and reveals a democratic idea of art where Fluxus scores meet hacker culture (and rap music). The F.A.T. Manual is a selection of more than 100 projects, done in the belief that printing these bits on paper will allow them to spread in a different way, infiltrate other contexts, and germinate. An archive, a catalogue, a user manual and a software handbook. F.A.T.
