Senbazuru Michael James Wong,2021-10-19 Fold your way to happiness through the inspiring philosophy of Senbazuru—the tradition of folding one thousand paper cranes—with a leading voice in the global mindfulness movement as your guide. In Japan, the paper crane is a symbol of peace, hope, and healing. It is considered the bird of happiness, a mystical and majestic creature that according to myth can live for a thousand years. Tradition has it that if a person were to fold one thousand paper cranes in a single year, they would be gifted one special wish that would grant long life, healing from illness or injury, and eternal happiness. The tradition of folding one thousand paper cranes is called Senbazuru (sen meaning one thousand and orizuru meaning paper crane). In this

book, renowned yoga and meditation teacher Michael James Wong brings Senbazuru to life as an inspiring philosophy that encourages slowing down and taking many small steps on our own personal path. This is a book of small steps and gentle wisdoms to heal your soul and help you find your own path to happiness.
