Brutally Honest Melanie Brown, Louise Gannon, 2018-11-27 'Utterly absorbing and deeply affecting' – The Guardian As a Spice Girl, TV talent show judge and Broadway star, Mel B a.k.a Scary Spice, has been a global icon since her twenties. But behind the glittering façade of fame, the struggles and pain of this working-class, mixed-race girl from Leeds are laid bare in her critically acclaimed best-selling memoir, *Brutally Honest*. With deep personal insight, remarkable frankness and trademark Yorkshire humour, the book tells how she went from Girl Power to girl powerless during her ten-year emotionally abusive marriage. Tracing a path through the key moments in her life, she reflects on her childhood, rise to fame and her chilling downward spiral before she finally broke free. In this expanded edition, written with Louise Gannon, Mel brings her story up to date. With her trademark honesty, she tells the unfiltered story of piecing herself back together, dealing with trauma and new heartbreak whilst becoming a champion for survivors of abuse, performing once more with the Spice Girls and receiving her MBE from Prince William.

If Only Geri Halliwell, 2002 The former Spice Girl known as Ginger Spice takes readers inside the life that led to Girl Power, revealing the real woman beneath the glamorous facade. Mama You Got This Emma Bunton, 2021-06-10 THE SUNDAY TIMES BESTSELLER You have a baby! Isn't it amazing - and also pretty terrifying?! I love being a Spice Girl, but what I am proudest of is being a mum. Even though I had all the real-life girl power of the actual Spice Girls on speed-dial, my incredible partner and my mum, I had so many worries and questions I couldn't always ask out loud. What I really, really wanted was one, easy-to-read, honest book that would give me support without judgement - that might even make me chuckle occasionally. So, I've written it for you! I've included all my stories about what that precious, exhausting first year was like for me, and I've also asked some brilliant experts for their help too, including a paediatric sleep consultant, a trusted NCT counsellor, a mindfulness coach, and no-less than five amazing midwives and doulas. I want you to feel like you've got this. Because guess what mama? You have!

Spice Girls: The Story of the World's Greatest Girl Band Sean Smith, 2020-08-06 'Get the inside scoop on all things Spice!' OK! Magazine 'A compelling new book' Daily Express Intimate and revealing, Spice Girls is the definitive story of the world's most iconic girl group. Through compelling new research and interviews, Sunday Times best-selling biographer Sean Smith reveals what life was really like for five fiercely independent and ambitious young women who were propelled to international fame in the 90s with unstoppable momentum. Let's Pretend This Never Happened Jenny Lawson, 2013-03-05 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Brown Girl Dreaming Jacqueline Woodson, 2016-10-11 Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama O Book Club pick *Raised in South Carolina* and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including *Brown Girl Dreaming*. Praise for Jacqueline Woodson: Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review

His ten steps will show you how to tune in to your natural rhythms, view your emotions from a different perspective, and finally experience a state of bliss that you can return to again and again. The secret to feeling at home in yourself isn't therapy, meditation, silencing your phone, throwing out your possessions or traveling the world. The answer is already inside you.

Heavens to Betsy Beth Pattillo,2010-03-10 Blessed Are the Fabulous. Life would be perfect for Reverend Betsy Blessing if it weren't for parishioners who keel over during her sermons, steal money from the collection box, and set her up with ex-cons. Not to mention the very inconvenient feelings she is suddenly having for her long-time friend, fellow seminarian, and verbal sparring partner, David Swenson. It isn't until Betsy is thrust into the position of senior minister for her church, however, that she discovers the real cause of her discontent: her fear of failing has become stronger than her faith in herself. Is it really possible to keep a good woman down? Can Betsy reclaim her confidence while reconciling her clerical robe with high heels and the right shade of lipstick? A fun-loving look at a single girl's life on the other side of the altar, *Heavens to Betsy* is also a hilarious and joyful celebration of strong, stylish, and faithful womanhood. From the Trade Paperback edition.

Scar Tissue Anthony Kiedis,Larry Sloman,2004-10-01 In this vivid and inspiring New York Times bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane—from the darkness into the light. In 1983, four self-described knuckleheads burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world.

Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In *Scar Tissue*, Kiedis delivers a compelling life story from a man in love with everything—the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. *Scar Tissue* is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption—a story that could only have come out of the world of rock.

No Way! Okay, Fine Brodie Lancaster, 2017-06-27 Brodie is whip smart; merging pop-culture references with vulnerable, personal experiences to create a collection that reads like a hilarious catch-up call with an old friend. What a pleasure to hear from this fresh, extremely relevant point of view. Abbi Jacobson, CO-CREATOR / WRITER / STAR of *BROAD CITY* I wish Brodie was the voice of my inner monologue; narrating me through life with her fierce intelligence and never-ending pop culture references. Instead, I'll just settle for this extremely relatable, unashamedly funny, powerful and beautifully vulnerable book *No Way! Okay, Fine*. - Courtney Barnett, ARIA award winning and Grammy nominated songwriter and musician. 'I identified early on that my role in relationships was the sidekick, the platonic female cast member in an all-male production, or the friend who was relied on selectively when other options were unavailable. I was the comic relief or the stand-in, never the lead. I knew this, I felt it, I wrote it down, but I didn't dare say it aloud because that would prove that I cared and caring wasn't cool.' From the small town in regional Australia where she was told that 'girls can't play the drums' to New York City and back again, Brodie has spent her life searching screens, books, music and magazines for bodies like hers, girls who loved each other, and women who didn't follow the silent instructions to shrink or hide that they've received since literal birth. This is the story of life as a young woman through the lenses of feminism and pop culture. Brodie's story will make you re-evaluate the power of pop culture in our lives - and maybe you will laugh and cry along the way. 'Brodie Lancaster is a thoughtful and patient writer, and this book is a generous, deep dive into her psyche. Brodie's thoughts about her body, her friends and lovers, her choices and fears are all presented with the same staccato blast of pop culture touchstones, and if you love boy bands/the internet/reality television/the Gilmore Girls/literally every other thing that is good in the world, you will adore this book.' - Emma Straub, bestselling author of *THE VACATIONERS* and *MODERN LOVERS*.

Catch a Fire Melanie B., Melanie G., 2002 It's all here: the council estate childhood, the formation of the Spice Girls, the early months being groomed for stardom, the subsequent global domination, Geri's departure, the marriage - and acrimonious divorce - to Jimmy Gulzar, the birth of Phoenix Chi, the solo career and the leap into TV presenting. Not bad for the rebellious, mixed-up girl from Leeds who is still only in her mid-20s.
