*Twitter and Tear Gas* Zeynep Tufekci,2017-05-16 A firsthand account and incisive analysis of modern protest, revealing internet-fueled social movements' greatest strengths and frequent challenges To understand a thwarted Turkish coup, an anti-Wall Street encampment, and a packed Tahrir Square, we must first comprehend the power and the weaknesses of using new technologies to mobilize large numbers of people. An incisive observer, writer, and participant in today's social movements, Zeynep Tufekci explains in this accessible and compelling book the nuanced trajectories of modern protests—how they form, how they operate differently from past protests, and why they have difficulty persisting in their long-term quests for change. Tufekci speaks from direct experience, combining on-the-ground interviews with insightful analysis. She describes how the internet helped the Zapatista uprisings in Mexico, the necessity of remote Twitter users to organize medical supplies during Arab Spring, the refusal to use bullhorns in the Occupy Movement that started in New York, and the empowering effect of tear gas in Istanbul's Gezi Park. These details from life inside social movements complete a moving investigation of authority, technology, and culture—and offer essential insights into the future of governance.

*Lucky Charming* Kate Chastain,2016-12-16 Blissfully shallow and carefree, Kate Chastain was your typical twenty something college co-ed. Well, until reality gave her a wake-up call in the form of a diploma, that is. At a crossroads after graduation, a serendipitous coincidence convinced Kate to abandon life as she knew it and jump feet first into the world of working on mega yachts. At first, she stumbled her way through life as a stewardess, just trying to adjust to her new surroundings and clumsily 'learning the ropes' via trial and error. Like shit-tons of error. But now, nearly ten years and a hit reality show later, Kate is finally ready to share the good, the bad, and the downright shocking details about her life at sea with the world's most rich and famous. It was 2008 and we were anchored off of St.Tropez. I had only been a yachtie for two seasons at the time when I turned to the Captain's wife, and said, You know, I could write a book about all of insane things we see working on these boats.....the sex, the money, the celebrities.... My older, more experienced coworker rolled her eyes and laughed then was quick to dismiss my silly idea, Kate, of course we could all write a book about what we see on yachts. We've all said it for years.....but, if you actually did that, you would never get hired on another yacht again. She went back to polishing the crystal wine glass in her hand and I was confused for a second. But Stacie, if so many people knew about the book that I couldn't get a yacht job, would I still really need one?

*ULYSSES (Modern Classics Series)* James Joyce,2024-01-10 This carefully crafted ebook: ULYSSES (Modern Classics Series) is formatted for your eReader with a functional and detailed table of contents. Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one

of the most important works of modernist literature, and has been called a demonstration and summation of the entire movement. *Ulysses* chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. *Ulysses* is the Latinised name of Odysseus, the hero of Homer's epic poem *Odyssey*, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided *Ulysses* into 18 chapters or episodes. At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant, which would earn the novel immortality. James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses*, the short-story collection *Dubliners*, and the novels *A Portrait of the Artist as a Young Man* and *Finnegans Wake*.
